Land Acknowledgment

Washington County Land Acknowledgment

(as prepared by representatives of Confederate Tribes of Grand Ronde, Nez Perce, Siletz, and Yavapai)

We want to acknowledge the people on whose land we live—the Atfalati-Kalapuyans also known as the Tualatin Band of Kalapuyans—the first inhabitants of Washington County. We are grateful for the land we are on, Kalapuyan land.

Signers of the Willamette Valley Treaty of 1855 were removed from their homelands to the Grand Ronde Indian Reservation. Today their descendants are tribal members of Grand Ronde and Siletz tribes, carrying on the traditions and cultures of their ancestors.

We acknowledge and express gratitude for the ancestors of this place and recognize that we are here because of the sacrifices forced upon them. In remembering these communities, we honor their legacy, their lives, and their continuation in our community. Please reflect on the role government has played in the painful, colonial history and reflect as well on the resilience and healing of the Indigenous land and communities.

We would like to invite everyone to collaborate and work together with the tribes to take care of the land and water and the people who inhabit these spaces.
