Commissioner of the Month

Special Guest County Chair Kathryn Harrington will visit this month to share some of her thoughts and answer a few of our questions.

Court Appointed Special Advocates

The region is currently seeing an uptick in families entering the family court systems in Washington, Multnomah and Columbia counties which means children and youth in the community need Court Appointed Special Advocates (CASA) to represent their interests. Jazmin Roque, Volunteer Recruiter for CASA, will present how to volunteer for this special service.

Stephen Roberts, Director of Land Use & Transportation

Mr. Roberts will join us to discuss the force and effect of County Community Plans, Road Standards, and Long Range Transportation plans. These were called into question as a result of the County's approval of the Thompson Crossing development, which granted many exceptions to Arterial Road Standards and abandoned the county's previous plans to straighten the adjacent section of NW Thompson Road. He will respond to our questions.
