**Statement** Provide a statement of justification of term in office in 200 words or less.

Neighbors and Friends,

I'm Laurie Petrie; you elected me to City Council in November 2022. I am a resident who wants the best for King City.

The Kingston Terrace Master Plan is a flexible high-level blueprint offering guidance to King City for the next 30 years. Careful planning for future development must be done to protect the environment and all residents from urban sprawl and congestion. NO roads or streets will be built, or final alignments determined until owners decide to develop their property.

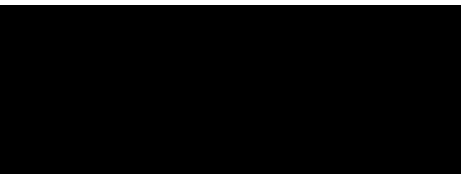

I am committed to protecting the Tualatin River and natural areas in Kingston Terrace and will work closely with federal, state, county and Metro agencies to make that happen. Parks and trails are planned throughout the area.

I was elected to represent all of King City and listen to all residents' opinions. If we disagree, it doesn't mean I'm not listening. As councilors, we make our decisions for the good of all residents based on review of expert research and recommendations of our staff.

Even if you don't agree with decisions I make, I hope you respect the work I do and the fact that no decision is made lightly.

Please vote NO on this recall!

*By signing this document I hereby certify that the information in the above statement of justification is true.*
