

Cooling Center PET RULES

**If guests with pets do not follow the rules,
they may be asked to leave.**

- **All pets must be checked in and wear identification** while in the building. *Staff can help you if your pet does not have an ID on.*
- Pets need to be **crated while inside** at all times and **leashed when walking outdoors**. *Leashes and crates are available to borrow if needed.*
- Take your dog out to **potty on the grass regularly**. *Watch their paws on the sidewalk or parking lot, it may be too hot for them!*
- Please **pick up dog poo** using poo bags (available if needed) and **throw in outside trash**.
- **Keep strange pets away from each other.**
- **Do not allow others to interact with your pet**; in strange situations pets are more likely to bite.
- **If your pet makes a mess inside the building let us know**, cleaning supplies are available!
- If your **dog is barking excessively or making noise**, you may be asked to move locations or to leave.
- **You must stay with your pet at all times**. Animals cannot be left on their own unless crated and for very short periods of time to allow for owner breaks.
- **Respect “No pets allowed” areas** of the building.
