

# Emergency Preparedness Community Engagement Catalog

Office of Emergency Management

[www.washingtoncountyor.gov/emergency](http://www.washingtoncountyor.gov/emergency)

# Hi! Thank you for being interested in Emergency Preparedness education!

## Overview:

- These are the types of outreach and education available from Emergency Management and Public Health Emergency Preparedness.
- Feasibility and ability to provide outreach/education depends on several factors:
  - Time of year
  - Lead time of request
  - Staff availability
- We will try to accommodate requests, but may need to offer alternate solutions or timelines

## Types of outreach/education:

- [Educational Materials](#)
  - Hardcopy
  - Digital
- [Newsletter Articles and Blog Posts](#)
- [Digital content displays](#)
- [Attendance at community event](#)
- [Community presentation](#)
- [Staff training](#)

# Educational Materials – Hard Copy

## Comic Books (available in English and Spanish):

- Tsunami ([English](#) | [Spanish](#))
- Wildfire ([English](#) | [Spanish](#))
- Earthquake ([English](#) | [Spanish](#))

These comic books help explain preparedness and response activities from a teens standpoint to various natural disasters that maybe occurring in Oregon.

## CDC – Preparedness 101: Zombie Pandemic Plan Comic

Digital link ([English](#))

Digital only ([Spanish](#))

This comic focuses on the importance of being prepared in an entertaining way that people of all ages will enjoy. Readers follow Todd, Julie, and their dog Max as a strange new disease begins spreading, turning ordinary people into zombies. Stick around to the end for a surprising twist that will drive home the importance of being prepared for any emergency. Included in the novel is a Preparedness Checklist so that readers can get their family, workplace, or school ready before disaster strikes.

## Prepare! A Resource Guide (available in English, Spanish, Vietnamese, Arabic, Chinese, Russian)

Digital link ([English](#) | [Spanish](#) | [Vietnamese](#) | [Russian](#))

This book will guide you through the steps you and your family need to follow to be self-sufficient after a major disaster. It will inform you about your disaster risks, walk you through making a family disaster plan and guide you step by-step in creating a disaster kit. It will also discuss specific disasters with guidance on what to do before, during and after certain situations that are common in the Pacific Northwest.

# Educational Materials – Hard Copy

<p><b>Public Alerts bookmark (English on one side, Spanish on the other)</b></p>	<p>Bookmark with minimal information, but contains a link and QR code to sign up for alerts about natural disasters and other emergencies that impact Washington County</p>

- Request a new one:

- Deadline
- Character limit
- Intended audience
- Topic

# Digital Content Display

- Created upon request!
- Can be made as a PowerPoint slide or digital image to display on a screen.
- Information needed:
  - Deadline
  - Intended Audience
  - Topic
  - Size of screen

# Attendance at a community event

- Emergency Management or Public Health Emergency Preparedness staff on site at an event to staff a booth with preparedness information
- Can come with a variety of materials/topics, or focus on one preparedness topic
- Attendance not guaranteed with request – depends on staff availability
- Available in English or Spanish

# Community Presentation

- 1 hour presentation for community members
- Training focuses on general/broad preparedness: know the hazards, make a plan, build a kit
- Topic specific training can be recommended as well (ie: preparedness for older adults, preparedness for school aged kits, etc)
- Presentation not guaranteed with request – depends on staff availability

# → Staff Training

- 2 hour presentation to staff which provides a deeper understanding of preparedness topics and where to find information/resources
- Goal of presentation is to increase staff knowledge/awareness so if they are asked a preparedness question by a client they can provide an answer
- Training covers:
  - Food and water preparedness, emergency supplies and personalizing supplies, disaster sanitation, basic emergency plan, signing up for emergency alerts, pet preparedness, and websites for resources and information
- Presentation not guaranteed with request – depends on staff availability
