EMS Clinical Notification				
EFFECTIVE DATE: September 15, 2023	NUMBER: 0915230-ADM	TYPE: Operational Notice	REPLACES: None	PAGE: 1 OF 1
ENTER NAME/TITLE HERE (signature on line below): DR. RITU SAHNI, MD, MPH, FAEMS		TITLE: ST. VINCENT SCHEDULED EXTENDED ED DIVERSION		

Hello!

I want to give everyone the heads up that St. Vincent will be on a **planned, extended ED/STEMI/Stroke diversion on September 15 from 2100-0600** due to a significant HVAC and infrastructure shutdown.

This shutdown will eliminate all HVAC (no air exchanges), Cath Lab, Elevators, and multiple other services in the ED.

Thanks!

Ritu Sahni, MD, MPH, FAEMS
EMS Medical Director
