

2023 Farmworker Food Access Grant Application Worksheet

1. Contact information:
 - a. Organization Name:
 - b. Organization's physical mailing address:
 - c. Primary contact:
 - i. Name and title
 - ii. Phone number
 - iii. Email
 - d. Program or Fiscal Manager:
 - i. Name and title
 - ii. Phone number
 - iii. Email
2. How much funding is your organization requesting?
3. Please indicate how many individuals you anticipate serving. In addition, please detail your cost estimates for supplies eligible under this grant. *Please provide a summary of your proposed project timeline. As a reminder, all funds must be spent down by 12/31/2023.*
4. Describe how the funding will be used for migratory and seasonal agricultural workers or farmworkers within Washington County. *In 300 words or less, include which communities or community groups you intend to serve as well as a brief summary of the program's goals.*
5. In 300 words or less, describe how your proposed project incorporates a racial equity lens and trauma-informed care principles.
6. Describe your organization's experience serving migratory and seasonal agricultural workers or farmworker communities. *In 300 words or less, detail how your understanding of the unique experiences of these communities will inform the project.*
7. Please provide your project or program budget in the supplemental Budget Worksheet fillable PDF. That worksheet can be found on the [Washington County Funding page](#) under the Farmworker Food Access Grants drop down menu. You'll then upload the completed Budget Worksheet to this application. *Detail the breakdown of staff, labor, and operational costs as well as supplies. Please also detail the amount of gift cards you intend to distribute, should that be part of your strategy.*
