Dear Mr. Valfre:

The U.S. Department of Housing and Urban Development regrets to inform you that the project application(s) submitted by your organization in the Fiscal Year (FY) 2016 Continuum of Care (CoC) Program Competition was not selected for funding. Although the project application(s) listed on the enclosure were eligible for funding consideration, they were not ranked high enough in the Competition to receive funding consideration.

The CoC Program is crucial to the goal of ending homelessness. CoCs all over the country continue to improve the lives of homeless men, women, and children through their local planning efforts and direct housing and service programs. It is HUD's hope that you will continue your efforts to develop a strong homeless assistance system in your community.

We appreciate the time and effort spent to apply for funding in the CoC Program Competition. We hope to work with you in the future.

Sincerely,

Norm Suchar  
Director  
Office of Special Needs Assistance Programs
