

Metro Supportive Housing Services Racial Equity Analysis

Required Elements for the Local Implementation Plan

- **Racial equity analysis.** An articulation of disparities in housing instability and access to current services, including:
 - an analysis of the racial disparities among people experiencing homelessness and the priority service populations.
 - an analysis of the racial disparities in access to programs, and housing and services outcomes, for people experiencing homelessness and the priority service populations.

Priority Populations

- 75% of SHS funds will be devoted to services for Population A, defined as:
 - Extremely low-income; AND
 - Have one or more disabling conditions; AND
 - Are experiencing or at imminent risk of experiencing long-term or frequent episodes of literal homelessness.
- 25% of SHS funds will be devoted to services for Population B, defined as:
 - Experiencing homelessness; OR
 - Have a substantial risk of experiencing homelessness.
