

Housing Authority of Washington County

SECTION 3 RESIDENT CERTIFICATION

The purpose of HUD's Section 3 program is to provide employment, training, and contract opportunities to low-income individuals whose household income is less than 80% of the area median income. Section 3 requires that, to the greatest extent feasible, employment and other economic opportunities generated by HUD funds be directed to low-income residents, particularly those who are recipients of government assistance for housing, and to business concerns which provide economic opportunities to low-income persons.

All residents of the Housing Authority of Washington County (HAWC)'s public housing program and Housing Choice Voucher holders (Section 8) qualify as Section 3 residents. Additionally, individuals residing in Washington County whose household income falls below HUD's income limits set forth below can qualify as Section 3 residents. Please check the box below to indicate your family size and confirm your income falls below 80% AMI. If you are a resident of Public Housing or receive a Section 8 voucher, please indicate this as well.
