Quick Start Semiconductor Technician Paid Training

Learn the skills you need for a fast track to employment with Intel and other semiconductor manufacturers - in just 10 days! Training is provided by Portland Community College at Willow Creek Opportunity Center and participants will get a training stipend of \$500 a week! Entry level semiconductor technicians earn between \$18-24/hr and most employers offer a full benefits package.

SCHEDULE: MON-FRI, 8AM-NOON

Complete interest form for more information: <https://bit.ly/3OmcNtY>

This program is intended to increase opportunities for community members who have been historically underrepresented in semiconductor manufacturing jobs.

People of color and women are strongly encouraged to apply.

Registration can be done online or over the phone.

CLEAR
Clinic

COMMUNITY LEGAL & EDUCATIONAL ACCESS & REFERRAL CLINIC

The CLEAR Clinic is a legal clinic, providing free services to Oregonians. The clinic is housed at Cascade campus, but will also offer pop-up dates at Willow Creek Center.

- Criminal record and eviction expungements;
- Eviction legal defense for Portland residents;
- DACA renewals and immigration legal screenings;
- Limited scope deportation defense;
- Legal name and gender-marker changes; and
- Other advice and referrals for legal services, PCC resources, and community-based resources.

GET HELP

Basic Needs Support

House Bill 2835 requires Oregon public colleges and universities to employ Benefits Navigators to help students connect with basic needs and benefit programs.

Areas of basic needs can include: ●childcare ●food ●housing ●financial stability ●legal services ●transportation ●social connection ●access to technology ●mental and physical health ●access to hygiene services and supplies.

Everyone needs help sometimes, and we're here for you. If you're struggling to meet your basic needs, we can help you find resources and benefit programs. Contact gethelp to schedule an appointment.

email gethelp@pcc.edu or call 971-722-6465
