

Privacy Script

In order to best assist you, we use a database to manage our services. Information we enter into this database is visible to a limited number of Washington County social service providers and protected using the highest standards. Law enforcement and the public have no access to this system. Allowing your information to be viewed allows us to better serve you. You'll have improved access to services such as basic needs, employment, and housing. This information will also help us understand community needs and is used to advocate for more services. If you have any questions or would like a copy of the Privacy Notice, let me know. Are you ready to get started?
