 - Ongoing stabilization case management

ESG Activity Summary

- Our service target was 86 households
- 25 total HHs have received funds
- 8 HHs "on their own"
- 4 income'd out: >30% income, but unable to pay
- 3 exited

ESG Performance Standards and Objectives

HUD: Performance Objective - Decent housing and affordability

- Decent housing achievable, affordability, not

HUD: Performance Standards - Reduction in new incidences, reduced return, remaining housed after 6 months

- Most households required support for the full eligibility period

Opening Doors: Improve access to mainstream services

- Resource referrals, warm handoffs, bi-lingual support

ESG Performance Standards and Objectives

A Road Home: Prevent homelessness

- For the households served, for the duration of the funding

Consolidated Plan: Provide rental support, provide housing navigation and case management, provide supportive services.

- Housing navigation most utilized when HH had eviction notices
- Referrals included both HH enrolled and those not eligible for ESG
