

Project Number: _____

Permit Number: _____

Deferred Submittals Notice

All deferred applications must be **received** before work commences. For new homes all fees must be paid when the permit is issued. For Remodel projects all plumbing and mechanical fees must be paid at the time the permit is issued.

The following items are deferred:

- Plumbing: Will need a plumbing application listing the contractor's information and scope of work. If the homeowner is doing the plumbing work write homeowner under contractor. Additional fees may apply.
- Mechanical: Will need a mechanical application listing the contractor's information and scope of work. If the homeowner is doing the mechanical work write homeowner under contractor. Additional fees may apply.
- Electrical: Will need an electrical application listing the contractor's information, the scope of work, and must be signed by the supervising electrician. If the homeowner is doing the electrical work write homeowner under contractor and sign under owner installation. Additional fees may apply.

Applications can be emailed to Lutbldgpdox@washingtoncountyor.gov
