

121st Avenue

Tippitt Place to Whistlers Loop

STAY INFORMED

- ***Project Web Site –***

A website will be kept up to date with project information. Go to www.wc-roads.com and click on “Construction Projects” in the upper left corner.

- ***Phone Contact –***

The project team is available to answer specific concerns or questions. You can reach our team by calling County main line at (503) 846-7800. City contact is Jeff Peck at 503-718-2466.

- ***Mailer Updates/Flyers –***

Nearby property owners and residents will be periodically mailed updates when the project advances to next phases (start of Right-of-Way acquisition process, construction). This information will also be available at the project website.

- ***News Releases –***

For any significant project updates, local TV, radio and print media will be provided news releases for publication.

121st Avenue

Tippitt Place to Whistlers Loop

WHY 121st AVENUE?

Currently, SW 121st Avenue, in the city of Tigard, has two travel lanes, limited street lighting, no bike lanes, intermittent sidewalks, and inadequate drainage facilities. This roadway section is adjacent to densely populated residential neighborhoods.

This project would improve the roadway to current city standards and provide for more safe pedestrian and bicycle use along the roadway.

The city is adding public works funds for a water line replacement in a section of the project area.

PROJECT FUNDING

MSTIP 3e

MAJOR STREETS TRANSPORTATION IMPROVEMENT PROGRAM

The SW 121st Avenue improvement project was one of 23 projects selected for MSTIP Phase 3e.

Board of County Commissioners approved the 121st Street project on October 4, 2016.

Estimated Project Cost: \$6 million

- Includes approx. \$1.1 million of water line work (City water fund)
- Includes \$4.9 million of County MSTIP funds for design, right-of-way and construction

PROJECT DETAILS

This project will improve safety and traffic flow on 121st Avenue with:

Continuous Sidewalks
Bike lanes
Street lighting
Drainage improvements

24-inch water main replacement (between Fonner St and Tippitt Place)

A road closure of SW 121st is not currently anticipated during construction

Due to construction of a storm line in Fonner St, there will be anticipated closure of west end of Fonner for that work. Details not yet developed.
