**ENGINEER'S  
CONSTRUCTION  
CERTIFICATION  
FOR WASHINGTON COUNTY, OREGON**

I, \_\_\_\_\_, being a duly registered engineer,  
No. \_\_\_\_\_ in the State of Oregon, do hereby certify that all public  
improvements, with the exception of \_\_\_\_\_,  
for \_\_\_\_\_ have been inspected under my  
(name of development)  
supervision. I, or people under my supervision, have diligently made all necessary inspections.  
In these inspections using the standards of care in my profession, I, or people under my  
supervision, have determined that all improvements have been constructed in accordance with  
the plans and specifications as approved by Washington County and that all improvements  
have been accomplished in accordance with the provisions of the effective Community  
Development Code, the conditions of approval and the provisions of Washington County  
Private Construction inspection Requirements for Public Improvements.
