

Looking up Permit History and Related Records Online

Go to WWW.WashCoORACA.com

Type the permit number or address in the search bar and hit Enter

If you search by address you will get a list of all the permits under that address. You can click on the Column Title to sort by that item. If you would like to see only building permits, you can use the drop-down menu under All Records and select Building Permits.

The screenshot shows the search results page for the address "7856 SW Mayway dr". The page displays a list of records with columns for Date, Record Number, Record Type, Address, Description, Project Name, and Status. A red arrow points to the "Record Number" column header with the text "Use the column title to sort the info". Another red arrow points to a dropdown menu labeled "All Records" with the text "Use the drop-down menu to view only building permits". A third red arrow points to the record number "19009338.DEF04" with the text "Select the permit number to view that permits history".
