

PERMIT JURISDICTIONS

Washington County Building Services has inspection authority for all work requiring permits on property addresses in **unincorporated** areas within the County. For properties located within city limits see below to determine jurisdictional authority. You can verify the jurisdiction of an address by calling our Survey Department at 503/846-8723 or on the InterMap system on our Website:
www.co.washington.or.us. (Click on Maps & Land Records)
