Public Communication Guidelines

There is one opportunity to speak on items NOT on the Agenda during a regular Planning Commission meeting:

- At the start of the meeting: Five-minute time limit for individuals; 10-minute time limit for authorized Community Participation Organization (CPO) representatives. The Presiding Officer may adjust time limits.

When your name is called, state your full name for the record. Groups wishing to make a presentation must designate one spokesperson and avoid repetition. Careful attention to the previous speaker's remarks is helpful in this regard.

Public Hearing Testimony Time Limits

No comments are allowed during "Public Communication" on items on the [Agenda](#) for a public hearing.
