

Regional Transportation Funding Measure Update

WCCC

Chris Deffebach, Senior Policy Analyst
June 17, 2019

Washington County
Department of Land Use & Transportation

Task Force: Schedule

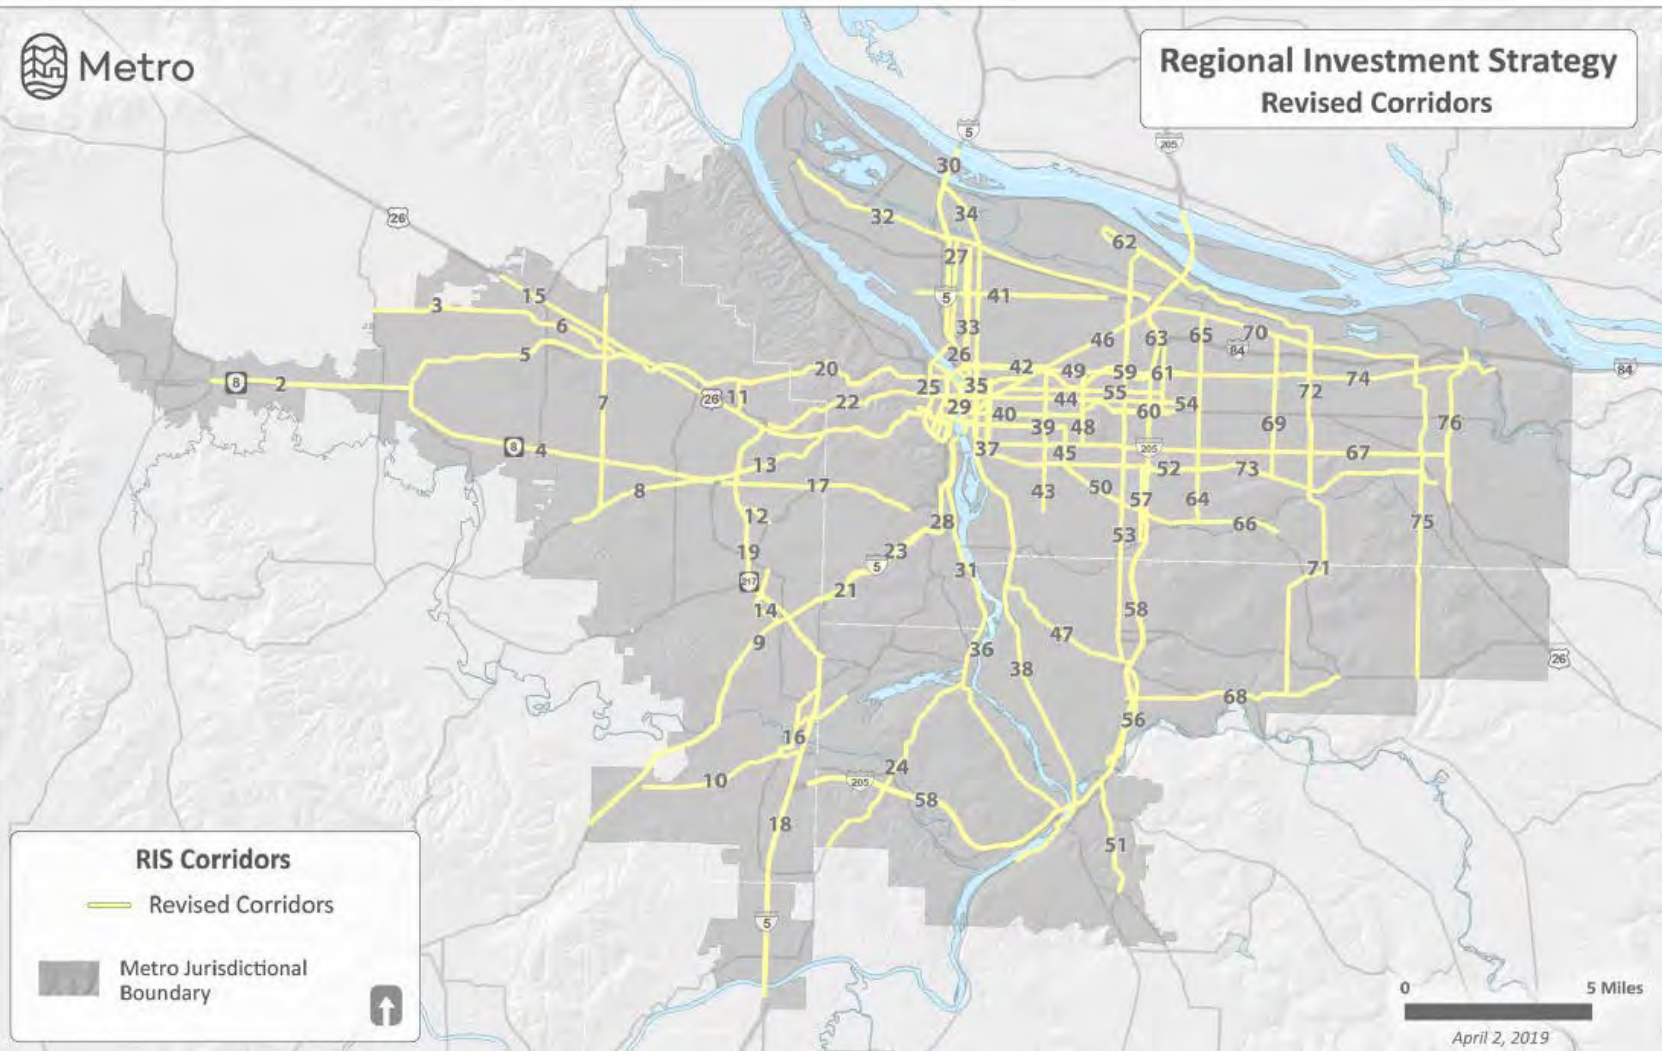

Key Outcomes

- ✓ Improve safety
- ✓ Prioritize investments that support communities of color
- ✓ Increase access, especially for people of color
- ✓ Support resiliency
- ✓ Make it easier to get around
- ✓ Protect clean air & reduce carbon emissions
- ✓ Support economic growth and system connectivity
- ✓ Be regional in nature
- ✓ Leverage housing and open space investments

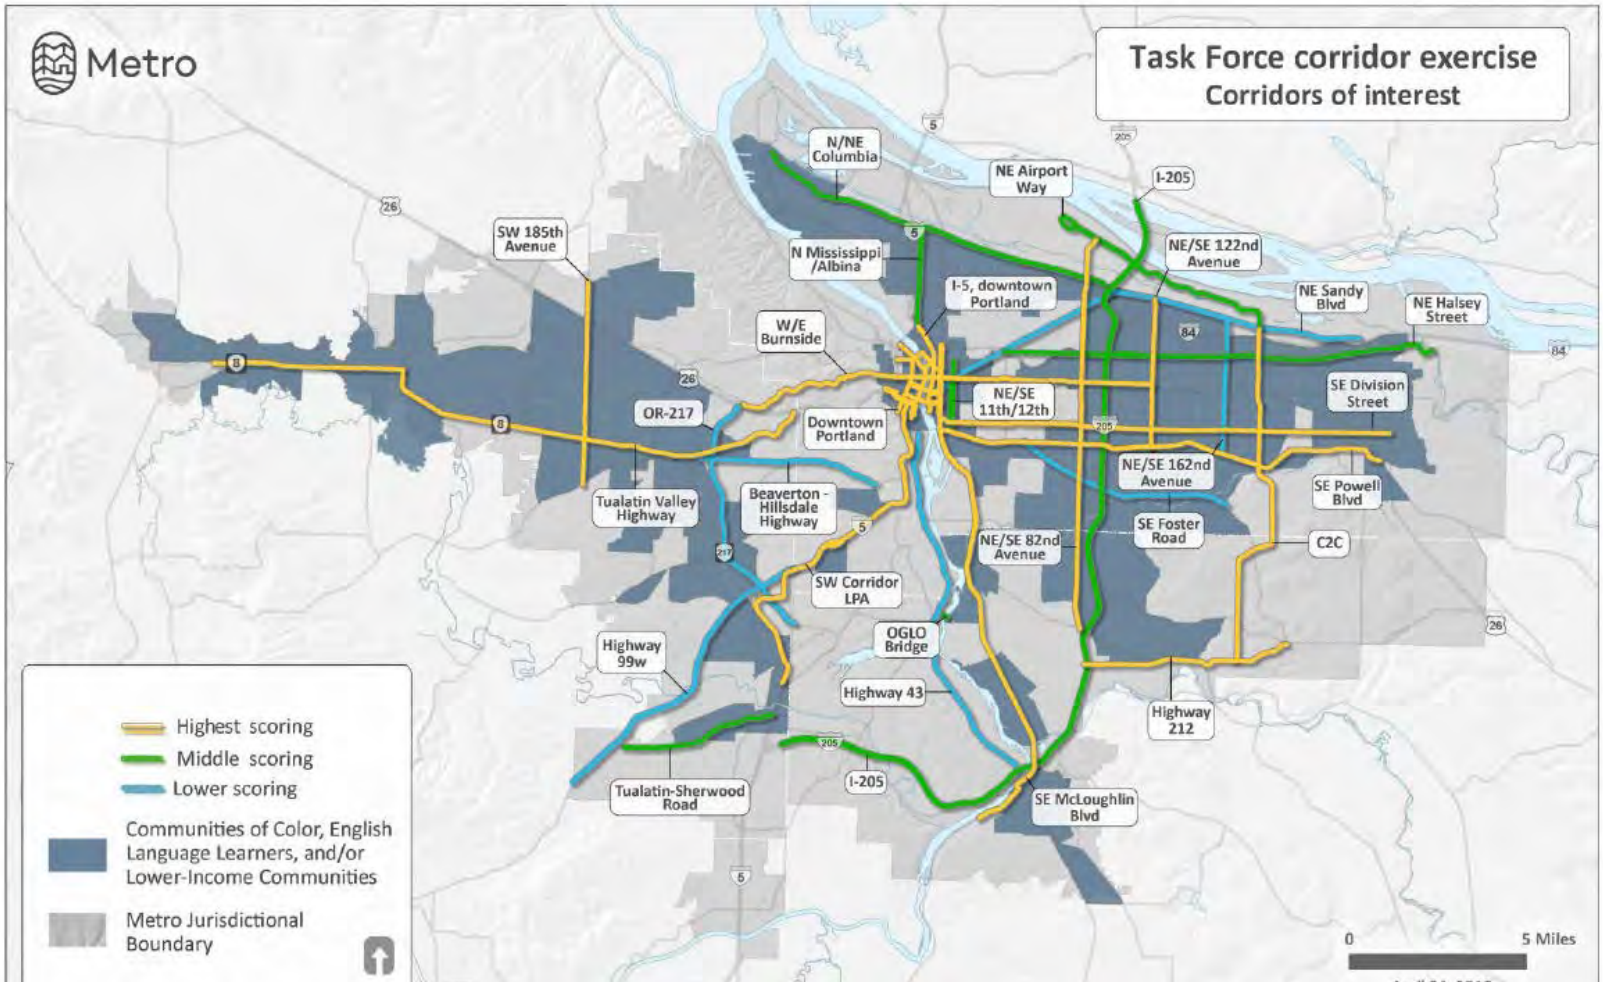

Defining tiers of corridors

- Tier 1: High potential to advance outcomes, project readiness
- Tier 2: Less potential and/or readiness –could be further developed and included in package, or specific improvements could be funded through programs
- Tier 3: Least potential and/or readiness –specific improvements could be funded through programs

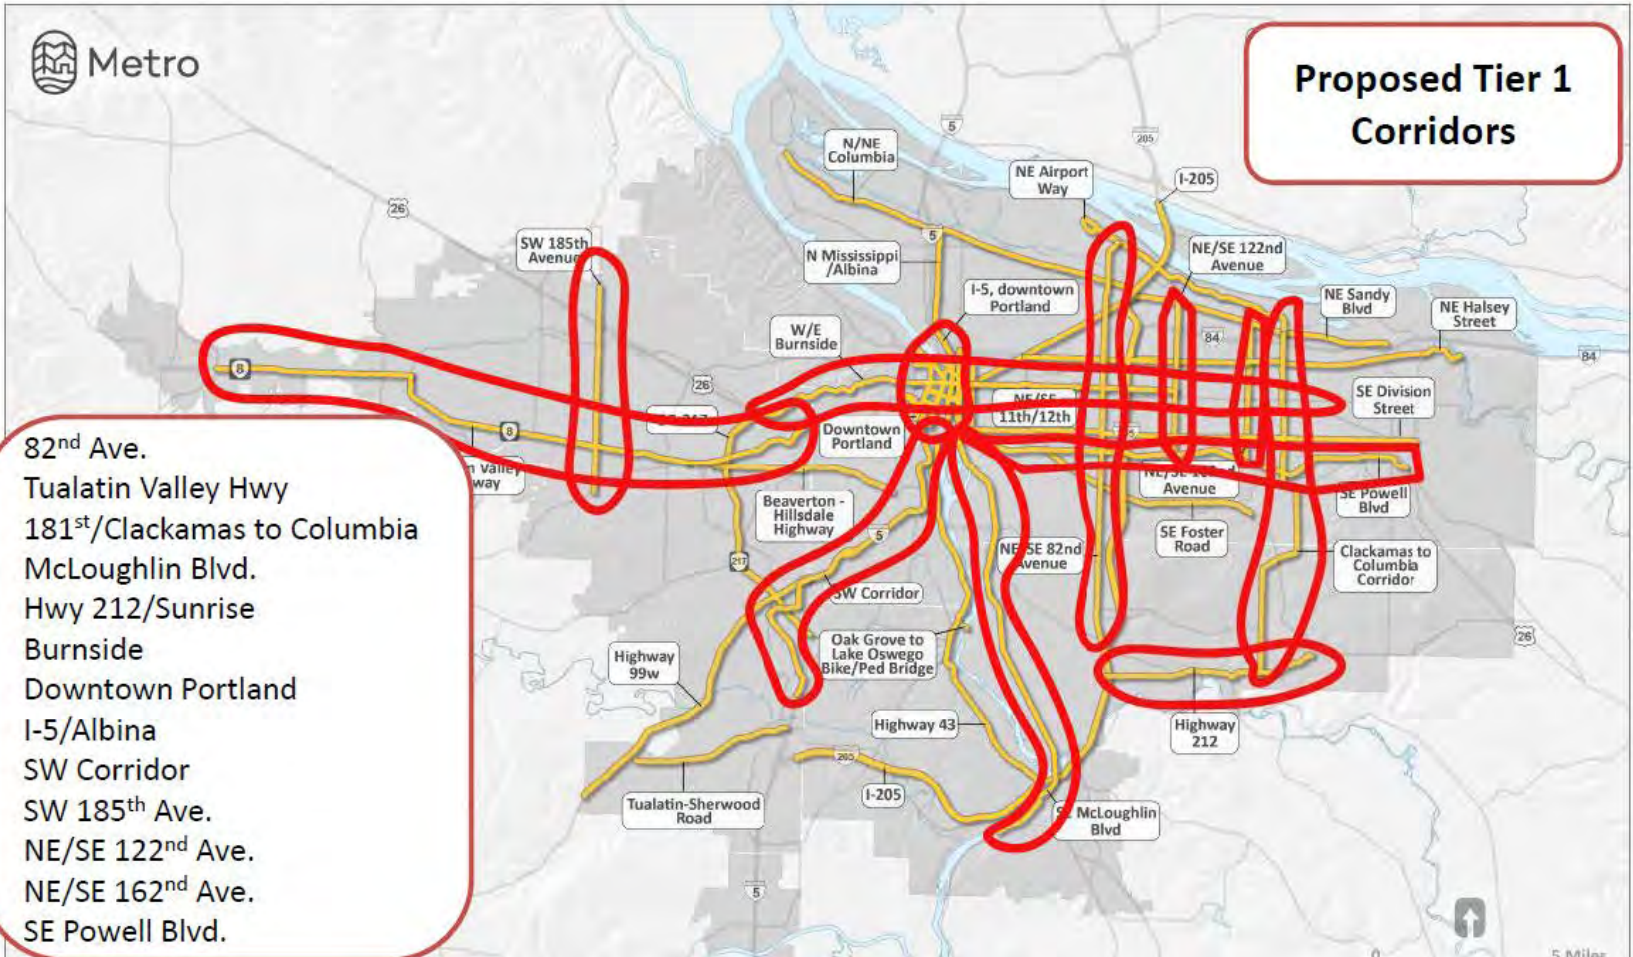

Task Force corridor exercise
Corridors of interest
