

Border and Reserved Space Standards

It is impossible to predict each individual or company's unique border sizes and title block areas. As a result, the following locations are offered as guides to ensure that when printed, the Approval Stamp is visible and not truncated.

Sheet Size	Stamp Location	Reserved Space Dimensions
8.5" X 11"	Upper Right Corner	2.0" X 2.0"
11" x 17"	Upper Right Corner	2.0" X 2.0"
22" x 34"	Upper Right Corner	3.0" X 3.0"
36" x 48"	Upper Right Corner	3.0" X 3.0"

An area located in the top right corner of all drawings shall be reserved for the electronic stamp. Our stamp location will allow for a 1/2" border.
