City of Beaverton

City Council Position 1

Ashley Hartmeier-Prigg

Occupation: Beaverton City Councilor, Software Product Manager

Occupational Background: Business operations management, Attorney

Educational Background: Doctor of Jurisprudence- Willamette University College of Law; Bachelor of Arts- University of Portland

Prior Governmental Experience: Beaverton City Councilor, Tualatin Hills Park and Recreation District Board Member

Community: THPRD Budget Committee (2019-2021), Racewalkers NW, Board Secretary (2018-2021); Underdogs Rock Rescue Board Secretary (2012-2015)

Dear Beaverton,

For my entire life, you have been my home. From my family's apartment on Allen to the house we lived in on the 12th, to my first apartment on Millikan Way, we grew up together. Prior City Councilors had a great vision to revitalize our downtown and lay the foundation for Beaverton to be a destination in our region. We are well on our way, but we must do more to ensure Beaverton is a place where everyone can thrive.

For the last year, I was honored to serve as your city councilor. We prioritized compassionate responses to the needs of our community. We purchased a building that will become a permanent shelter in Beaverton. We invested millions of dollars in small businesses that ensured families had continued income during the pandemic.

Over the next four years, I am committed to doubling down on our efforts to combat climate change. We must invest and be a leader in the region for meaningful progress in the fight against climate chaos.

I will ensure Beaverton's approach to homelessness and housing is a people-centered approach, that considers the needs of all who call Beaverton home.

We have work to do as an agency to ensure we are an employer that stands for racial equity and creates opportunities for more people to thrive in our community. Beaverton should not only be a premier destination to visit, but also to work, and I know we can be that.

I will continue to work hard for every single resident of Beaverton and I ask for your vote. Ashley

(This information furnished by Ashley Hartmeier-Prigg.)

City Council Position 2

Kevin Teater

Occupation: Main Street Leadership & Economic Development Consultant

Occupational Background: Executive Director, Beaverton Downtown Association, 2018-2022; Project Manager, Asheville Design Center, 2015-2018

Educational Background: Master of Public Administration, University of North Carolina at Chapel Hill; Bachelor of Public Policy, University of North Carolina at Chapel Hill

Prior Governmental Experience: Beaverton Planning Commission; Central Beaverton Neighborhood Association Committee

Community Leadership

- WakeUp Beaverton Board Secretary
- Leadership Beaverton
- Engaging Local Government Leaders (ELGL) Contributor
- Hillsboro Downtown Partnership Committee Member

About Kevin Teater

I've spent the past four years working with the downtown Beaverton district as we have continued to grow. My leadership throughout the pandemic resulted in me being awarded the 2021 Oregon Main Street Manager of the Year award.

Vision for Beaverton

My main priorities focus on environmental sustainability, racial justice, and housing accessibility and affordability. These are the greatest challenges facing our generation, and local government has a role to play in solving them.

Practically, that means I will be working to create a city that has safe walking and biking routes, denser housing options, a growing tree canopy, a new multicultural center, and culturally-relevant events and programs.

Getting Involved

Since being elected, I've been building a coalition of people who care about biking, transit, housing, sustainability, and racial equity. We go on fun family-friendly bike rides and learn how we can advocate for and serve our community more effectively.

I'd love to continue growing this group of people and elevating our grassroots activism, so send me a message if you'd like!

Endorsements from People We Trust

I have endorsements from 28 elected leaders and community organizations. This includes environmental groups, unions, racial justice advocates, progressive political leaders, and business associations.

For more platform details, blog posts, and an extensive list of supporters, visit www.kevinteaater.com

City of Beaverton

City Council Position 5

John Dugger

Occupation: Global Director - Business Diversity and Inclusion, Nike

Occupational Background: Program Management, Healthcare management

Educational Background: B.S, Environmental Studies, Portland State University

Prior Governmental Experience: City Councilor, Beaverton; Chair, Beaverton Budget Committee; Beaverton Transportation and Capital Improvement Advisory Board; Beaverton Planning Commission; Chair, Highland NAC; Vice Chair, Central Beaverton NAC

Community Leadership:
Co-founder, Highland Helpers & Pride Beaverton

Community Focused Leadership

I've called the Beaverton area home for the past two decades, and I've spent most of that time serving our city. From volunteering on various boards and commissions to leading two different Beaverton neighborhoods, and co-founding both Highland Helpers (a neighborhood-based charity) and Pride Beaverton; it is through my service that I've learned the importance of creating community and empowering others to lead.

My priorities:

- **Affordable Housing and Community**
- **Accessibility, Diversity, Equity, and Inclusion**
- **Our Local Economy**
- **Transportation**
- **Sustainability**
- **Government Reform**

I will always work to build your confidence in Beaverton's government by being transparent, honest and available to you. You should know and trust your city council, and I will make it a high priority to continue my community work AND be available to talk in regular town-hall meetings.

Endorsements

I'm proud to be endorsed by dozens of elected officials and organizations that you trust. For the most up-to-date list of endorsements and campaign information, visit our website or social media accounts.

City of Cornelius

Mayor

Chris Barriere

Occupation: Washington County Juvenile Counselor II, Small Business Owner

Occupational Background: Juvenile Counselor II- Harkins House; Juvenile Counselor I- Harkins House; McKinney-Vento Liason- Hillsboro School District; Child Abuse Investigator - Child Welfare Department of Human

Services; Human Service Specialist- Self Sufficiency Department of Human Services

Educational Background: John Marshall High School H.S Diploma, Chaminade University of Honolulu Bachelor of Science Criminal Justice.

Prior Governmental Experience: NA

“Together We Can!” “Juntos Podemos!”

I am a first-generation Latino/American. For the past 9 years I have dedicated my life to serving my community. Being a public servant means working hard for a noble purpose and being dedicated to your daily work of serving citizens. I enjoy giving back to my community and making a positive impact. I will serve with an equitable lens, cultural humility, ethically and with integrity. Our city is growing at a rapid pace and there are many challenges that need our attention.

Chris will make sure the City of Cornelius:

- Make smart affordable housing investments to keep Cornelius affordable for families.
- Work alongside local and federal governments to improve our infrastructure.
- Collaborate and recruit small businesses.
- Invest in our Parks and Recreation.
- Advocate for better and new school's

It's time to vote for Cornelius's future!

(This information furnished by Chris Barriere.)

Mayor

Jeffrey Dalin

Occupation: Engineering Consultant

Occupational Background: 28 years experience in project management & engineering

Educational Background: BS in Manufacturing Engineering from OIT

Prior Governmental Experience: Nov. 2011 to present: Mayor, City of Cornelius; July 2003 to Nov. 2011: City Councillor

Why should I continue to be Mayor?

Because when you speak, I listen. Then I take the time to figure out, with the council, how we get from where we are to where you want to be. This needs to be done in a planned manner. I don't believe in causing a storm or tearing our community apart to make change. As Mayor, my job is to listen to your concerns, wants, and desires and determine the best way possible to turn them into city policies. I also represent you in meetings with other cities, the county, the state and our federal representatives.

My family and I have shared this community with you since 1996. Our community comes from a diverse and varied background. I focus on what we have in common. We love our families. We want our kids to grow up safe and be contributing members of our community.

Issues you have told me that we need to continue to work on are:

- Improve safety along Hwy 8 / TV Hwy
- Plan growth of our community, including more family wage jobs
- Improve the cities financial stability
- Increase government efficiency
- Increase the number of community building activities

I will continue to reach out to you through the monthly newsletter in the water bill; English & Spanish speaking Town Hall meetings; and public appearances for community events. My phone and email continue to be open to you as they have since taking office in 2003.

Thank you for the opportunity to continue to serve our community.

Endorsed by:

Hector Hinojosa – highly involved community member
Senator Janeen Sollman - OR Senator District 15
Mayor Steve Callaway - Hillsboro
Kristine Adams-Wannberg - Washington County Auditor Elect

(This information furnished by Jeffrey Dalin.)

City of Forest Grove

Mayor

Timothy Rippe

Occupation: Public Service.

Occupational Background: U.S. Army (Lieutenant Colonel, Retired); Black Hawk Community College; John Deere; Stanton International; Leatherman Tool; Legacy Health.

Educational Background: U.S. Military Academy, Applied

Science and Engineering, BS; Naval Postgraduate School, National Security Affairs, MA; University of Iowa, Business Administration, MBA.

Prior Governmental Experience: City Council 2016-Present, Council Creek Regional Trail Steering Committee 2022-Present, Washington County Consolidated Coordinating Committee (alternate) 2021-Present, Fire Services Task Force 2018-Present, Public Safety Advisory Commission 2014-2016, Budget Committee 2004-2006, 2016-Present.

Forest Grove is a growing, diverse and family-oriented community. We are thriving and making progress on a variety of issues. Our future is literally ours to define and influence. As a community of neighbors, we must be committed toward engaging in this task, but it will take creativity and resolve. My work on Council and with many partners has contributed meaningfully to this end. The City offers excellent services, however more needs to be done. We cannot do this alone. It takes partnerships at all levels of government to ensure our community's interests are represented. I have established several partnerships from national to county levels over the past six years. If elected as your Mayor, I will advocate for Forest Grove and help to realize equitable benefits, especially in the areas below. With your support we can:

- Build public trust by maintaining a safe and healthy community through well-prepared, inclusive and equitable policies that respect the dignity of all;
- Update the City's charter, vision and values to reflect our diversity and articulate where we want to go;
- Develop and grow serves for building a stable and secure future;
- Enhance our quality of life through civic dialogue, community involvement and respecting the voices of our youth, elderly and vulnerable residents;
- Enable economic growth by proactively seeking businesses to provide jobs and meet the needs of our residents;
- Advocate for funding of transportation and infrastructure improvements and social services to achieve long-term sustainability of city services.

Thank you for your vote!

Endorsement:

State Representative Susan McLain

(This information furnished by Timothy Rippe.)

Mayor

Malynda Wenzl

Occupation: Teacher

Occupational Background: 20 year Forest Grove School District Educator

Educational Background: Southern Oregon University, BS and Masters in Art of Teaching

Prior Governmental Experience:

City Council President 2020-Present; City Council 2014-Present; Committee for Community Involvement; Parks and Recreation Commission; FG Rural Fire District; Library Commission; Fernhill Wetlands Council.

Malynda Wenzl:
Fostering accessibility, engagement, and livability through collaborative leadership.

It is an honor serving Forest Grove. As a lifelong community member, I value the opportunity to give back to the community that helped to shape me into the person I am today.

Achievements as a Forest Grove City Councilor:

- Created a DEI Masterplan: ensuring city policies reflect Diversity, Equity, and Inclusive values.
- Worked towards improving community engagement by completing a Communication Master Plan, this resulted in a Forest Grove Newsletter and city webpage updates.
- Supported small business economic recovery using ARPA funding.
- Expanded services in Parks and Recreation including: eastside park land purchase, renovations at Rogers Park, Abby and Anna's inclusive play area, a new fitness area at Bard Park, and the passing of the 2023 Replacement Levy that will fund a new Recreation Coordinator.
- Created our first Community Impact Grant that was awarded to the Forest Grove Foundation.

As your next Forest Grove Mayor, my priorities are:

- Encouraging community involvement to ensure inclusion and accessibility.
- Creating a Climate Action Plan.
- Building out recreation programs for youth and adults.
- Enhancing transportation systems to increase safety and mobility.
- Maintaining effective partnerships locally and regionally.
- Reduce homelessness through services and access to housing.

Proudly Endorsed by:

Kathryn Harrington, Washington County Chair
Janeen Sollman, State Senator
Washington County Democrats
Peter Truax, Mayor, City of Forest Grove
Forest Grove City Councilors, Mariana Valenzuela, Kristy Kottkey, Donna Gustafson, City Councilor
Forest Grove School Board Members: Valyrie Ingram, Kate Grandusky, and Brad Bafaro

(This information furnished by Malynda Wenzl.)

City of Forest Grove

City Council

Michael (Mikey) Marshall

Occupation: Owner of Miget's Island Grill

Occupational Background: Member of the Forest Grove Boosters Club, Member of the School advisory Council for Visitation Catholic School, Vice President and Coach of the Forest Grove Jr. Viks Wrestling program, Neil Armstrong Middle School Wrestling Coach. Former Forest Grove High School Snowboard Coach.

Educational Background: N/A

Prior Governmental Experience: N/A

Married to Sara, Three children Riley, Nolan, and Malia

As a resident of Forest Grove for over 30 years and a local business owner, I care about the future of our community. I want to maintain our strong city services including our police, fire, and library. As a city councilor I will advocate for the youth of our community. I believe the youth need places where they can reach their academic, athletic and social potential. I also believe they should be able to go outside and feel safe. I would work towards a solution for those who are suffering from homelessness to help them be contributing members of their community. As a councilor I will do my part to ensure every community member's voice is heard.

Thank you for your support

(This information furnished by Michael (Mikey) Marshall.)

City Council

Karen Martinez

Occupation: Registered Nurse

Occupational Background: Computer Operator, Stay-at-home Mom, Certified Nursing Assistant, Registered Nurse

Educational Background: Washington High School, Tacoma, WA; PCC; University of Portland School of Nursing Bachelor

Prior Governmental Experience: None

Accomplishments: KP Unit Based Team Co-Lead 10/2019-2021; Kaiser Permanente Extraordinary Nursing Care Award 01/2020

Volunteer Opportunities: Salem Free Clinic 01/2019-2021; Hear the Cry-MamaBaby Haiti Midwife Clinic 03/2019

Forest Grove has been my home for over 30 years. Many changes have come to our small community. I've been living here quietly like many others in the community. It's time to wake up and let our voices be heard!

I believe in honesty, integrity and commitment to serving the people of Forest Grove. I have no political experience, therefore, I'm not a politician!

Individual Liberty: The First Amendment of our constitution gives US citizens the right to have their voices heard without retribution. I will listen to my fellow councilors and constituency. Whether paid or volunteer, public officials are accountable to those they represent.

Solutions for Homeless Issues: My goal would be to find solutions to help the homeless off the streets and on the road to self-support. Currently, there are homeless camps in Forest Grove where theft in nearby neighborhoods and drug use are rampant.

Law Enforcement and Public Safety: The drug situation is out-of-control in our schools and community. Protect police funding. Police officers deserve our support for putting their lives on the line to protect our community.

Fiscal responsibility: Account for every expense and every penny. Taxpayer money should benefit the public. Budgets should decrease if the available funds decrease. All costs and expenses should be made public.

(This information furnished by Karen Martinez.)

City of Forest Grove

City Council

Mariana E. Valenzuela

Occupation: Director of Community Partnerships & Advocacy, Centro Cultural of Washington County; Asst. Professor, Pacific University; Grandmother of Isla and mother of Cristina and Pablo.

Occupational Background: Portland Community College; Clark College; Idaho State University; New Mexico State University

Educational Background: Pacific University, MBA; New Mexico State University, BA & MA

Prior Governmental Experience: Forest Grove City Council, 2020-present

Memberships: Latino Policy Council; Forest Grove Foundation Board; Washington County Public Advisory Board; Public Arts Commission, City of Forest Grove

It has been an honor and a privilege to serve our generous community as a city councilor since 2020. In that time our city has weathered serious challenges to public health and safety, housing and economic development. Through the tremendous dedication of our great city staff, the leadership of our mayor and council, and the involvement of many of our residents we have come through it. I believe Forest Grove is well positioned to grow and thrive in the coming years.

We still have plenty of work to do:

- encouraging the further development of new business and vitality in our downtown;
- ensuring the well-being and security of all our residents, especially the elderly, the less-fortunate, and the marginalized;
- maintaining the high quality of city services delivered by our superb municipal employees; and
- presenting Forest Grove as an attractive place to live, work, study and grow.

There is still much I can contribute to the council and the city. I am seeking a full term to have the opportunity to continue advocating on behalf of our youth, our elderly, and the hardworking families of our city, and to broaden the range of voices and perspectives represented there. I respectfully ask for your vote and your support.

Endorsed by:

Peter Truax, Mayor, Forest Grove
Malynda Wenzl, City Council, Forest Grove
Janeen Sollman, State Senator
Juan Carlos González, Metro Councilor, District # 4
Narce Rodríguez, Board Member, Forest Grove School District
Washington County Democrats

City Council

LaAna L. Littlefield

Occupation: President of the Viking Booster Club - 8 years (unpaid, non-profit organization); Childcare provider

Occupational Background: Legal Assistant at Kelleher & Kelleher, LLC; Clerk for State of Nevada Welfare Division; Clerk for State of Nevada Child Support Division

Educational Background: Honors Diploma from Rancho High School

Prior Governmental Experience: Forest Grove School District Bond Development Committee Member

My desire to run for City Council is rooted in a love of country, of community, of serving, and a love of Forest Grove! There's something special here, from our beautiful surroundings to the overall essence of our city. I want to preserve what makes Forest Grove unique while encouraging positive, sustainable growth and new ideas to help create a safer and more unified place to live. Since moving to Forest Grove with my family in 2008, our 3 sons have grown up attending public schools, working in local businesses, learning a trade locally and attending Pacific University. I have enjoyed volunteering with various city organizations, committees and programs. I want to continue serving my community by representing the City of Forest Grove as a city council member and help us thrive with these priorities in mind:

- Promote projects that are compatible with community goals.
- Focus on fiscal responsibility and decrease tax burdens when possible.
- Increase opportunities for local entertainment and recreation.
- Champion sustainable growth and livability.
- Focus on finding solutions to help those in our community experiencing hardships.
- Advocate for the safety of our citizens, their homes and property.
- Encourage local involvement in community matters.
- Ensure equitable use of resources and opportunities for all.
- Build stronger relationships between the city, its departments, local businesses, the school district and all community members.
- Foster city unity and pride, moving Forest Grove in a direction of which we can all be proud.

I humbly ask for your support and vote on November 8th with the promise to listen, serve and dedicate my time and efforts to represent all of our community, its businesses and its future.

City of Hillsboro

City Council Ward 1, Position A

Pat Ribellia

Occupation: PR Land Use Strategies LLC

Occupational Background: Senior Project Manager & Legislation Manager, Hillsboro 2000-06; Patrick A. Ribellia, Attorney/Urban Planning Consultant (1986-92 & 1992-94); Senior Advisor, Honolulu City Council 1988-90; State Representative (Dist. 51), Hawaii

Legislature 1986-88; Policy Analyst & Staff Counsel, Honolulu City Council, (Hawaii) 1982-86; Deputy Attorney General, State of Hawaii (Hawaii) 1981-82

Educational Background: Patrick A. Ribellia, JD, MURP graduated (1969) BA Degree, Pacific University (OR), Master's in Urban & Regional Planning (1975) and a Law Degree (1981), University of Hawaii.

Prior Governmental Experience: Planning Director, Hillsboro, 2007-12; Planning Supervisor, Hillsboro, 1996-2000; Urban Planner, Washington County, 1969-72

WHY I'M RUNNING FOR CITY COUNCIL: *"Because I've Always Cared About . . ."*

- protecting our established single-family neighborhoods,
- growth and success for our new & long-time businesses,
- fiscally responsible City programs & decisions that prioritize our community's health, well-being & diversity,
- managing City growth towards community-wide prosperity and will proactively continue to do so."

HOW WILL I HELP THE COUNCIL DO THAT?

Re: Established Single-Family Neighborhoods: *"I will proactively work to . . ."*

- keep our single-family neighborhoods intact and safe.
- reasonably add more quality urban housing to Tanasbourne, Orenco and Downtown Hillsboro,

Re: Our large & small businesses: *"I will proactively work to . . ."*

- diversify and expand our industrial core in North Hillsboro.
- go after US CHIPS Act semiconductor manufacturing funding to aide & expand Intel & other supporting companies.
- encourage/support public-private partnerships to support/revitalize retail and industrial areas.

Re: Community health, diversity & well-being: *"I will proactively work to . . ."*

- help carry out Council policies & priorities about affordable housing, homelessness, community inclusiveness, youth career opportunities and people-well-being initiative.

Re: Managing City Growth: *"I will proactively work to . . ."*

- advocate for community-wide prosperity in City growth decisions.
- help our Council secure & use its authority to manage the City's growth.
- ensure that regional and State growth directives respond to the City's growth policies.

Beach Nicole Pace

Occupation: Hillsboro City Councilor; CEO of Big Brothers Big Sisters Columbia Northwest

Occupational Background: National Sales Director at Roadtrip Nation; Vice President at City Year; US Army Certified Explosive Ordnance Technician

Educational Background:

Northern Michigan University, MPA; US Military Academy at West Point, BS

Prior Governmental Experience: League of Oregon Cities Board Member; Hillsboro Transportation Committee Chair; Hillsboro Planning Commissioner

Prior Community Leadership: Hillsboro Civic Leadership Academy; Leadership Hillsboro; Westside Queer Resource Center Board Member, Director of Synopsys Service Days

"Councilor Pace has multi-sector experience, a collaborative leadership style, and a love of Hillsboro that make her a great City Councilor. She is an effective, smart, and compassionate leader, exactly who we need to keep on council." – Hillsboro Mayor Steve Callaway

RE-ELECT BEACH PACE

Beach, along with her spouse and their children, chose Hillsboro as their home because of its diversity, safety, and sense of community. As your City Councilor, Beach will continue to protect Hillsboro's legacy and champion its future.

Beach's accomplishments over the last four years include:

- Allocating American Rescue Plan Act funds
- Hillsboro's Safe Rest Pods for unhoused individuals
- Affordable housing at Nueva Esperanza
- Oregon's first advanced manufacturing program for youth
- Support for small businesses on Calle Diez
- Accelerating HiLight build out
- 100+ miles of additional bike paths
- Implementing a Police Advisory Committee
- Hillsboro's first Pride and Juneteenth events

In the next four years, and as Hillsboro continues to grow, Beach will advocate for accessible housing for all, sustainable business growth, small businesses, comprehensive transportation solutions, public safety, and protecting our environment.

City of Hillsboro

City Council Ward 2, Position A

Kipperlyn Sinclair

Occupation: Founder/Director of Eat Drink Washington County. A local food web in support of regenerative agriculture in Washington County.

Occupational Background: Five years of civic leadership with City of Hillsboro Boards & Commissions. Small business owner of regional specialty food company,

and consultant in value added food products.

Educational Background: NA

Prior Governmental Experience: City of Hillsboro Civic Leadership Academy; City of Hillsboro Planning Commission; Chair of the Hillsboro Public Engagement Committee; Small Business Entrepreneurs Council – Washington County Chamber of Commerce; Board Member – Hillsboro Downtown Partnership; Founder of the Hillsboro Wishing Tree Initiative – Hillsboro Downtown Together Committee; Contributor to the Hillsboro Liberation Fridge Project – partnership with Love Your Black Community, Beaverton Food Project, Asha Hope Amanaki, and PDX Free Fridge.

Local government is about civic representation (people, place, policy, and priorities). Over the past five years I've diligently served our community as a small business owner and civic advocate. In this time, I've dedicated hundreds of volunteer hours, to create meaningful public engagement, executed impactful initiatives, and shared local resources to bridge collaborative networks.

I believe that the City of Hillsboro grows great things! We are a city known for high-tech industry and farmland heritage. Collectively, we have an opportunity to grow smart innovation. I'm a community leader who values the power of public engagement, our people's stories, diverse partnerships, and shared decision making.

If elected City Council I will further fight for Diversity, Equity and Inclusion, Economic Development in support of small businesses, and support sustainable solutions that positively impact the environment.

Local government requires public engagement. Come join me!

Endorsements: Washington County Democrats; Oregon League of Conservation Voters; Washington County Chamber of Commerce PAC; Beach Pace – Hillsboro City Council; Chuck Riley – Oregon State Senator (Ret.); Mark Watson – Hillsboro School Board Chair; Joe & Maxine Williams – DAnu Wines; Annie Tronco – Hillsboro Resident.

Jerry Shamoon

Occupation: Realtor, Deputy Sheriff

Occupational Background: 20 years public service, United States Marine Corps 2001-2009, Deputy Sheriff 2006-present, Realtor

Educational Background: Non-Commissioned Officer Leadership School, U.S. Naval Corrections

Academy, Oregon Department of Public Safety Standards & Training ; Advanced Certificate, Defensive tactics Instructor.

Prior Governmental Experience: U.S. Marine Corps, Deputy Sheriff, Clerk of the Court, WCSO Staffing & Overtime Committee, Westside Graffiti task force, Community service coordinator.

FAMILY: Wife Veronique & our four children.

ACCOMPLISHMENTS

Oregon State Sheriffs Association "Supervisor of the year"
American Legion #104 Law Enforcement Officer of the year
Community Service Award

Pro Business - Pro Jobs - Pro Livability

Hillsboro is home to the Silicone Forest and is the work engine of Oregon
Hillsboro's surrounding areas are home to some of the Most successful companies and Corporate Headquarters.
Unfortunately, the high tax burdens on Businesses and Employees has pushed business development to other business friendly states.

As a Councilor, I will work with the business community to attract and bring back future investments to this area.

Hillsboro is a very livable community with a rich past and bright future. We must continue to invest in infrastructure, roads and public safety. Our streets, schools and parks need to be a safe clean place for all.

As a Councilor, I will prioritize public safety and livability issues.

Our family is proud to call Hillsboro Home. We love all that it offers families; Great outdoor markets, Fourth of July parade, County Fair, Hops Baseball & Air Show. Over the Course of my career, I've had the opportunity to work with 30 government and non-profit agencies to enhance this community. I have a proven track record of getting things done.

As a Councilor, I will make sure our city has clean roadways and safe clean parks.

The last few years we have seen the local leaders take a turn towards Portland's **FAILED** Policies.

As your Councilor, Hillsboro City government will continue to operate in a business-like manner providing efficient and effective services.

City of Hillsboro

City Council Ward 2, Position A

Ian Barrett

Occupation: Construction Cost Manager Faithful & Gould, Beaverton

Occupational Background: All previous employment in other countries

Educational Background: Coventry University, Building, Bachelor's

Prior Governmental Experience: None

Hi, my name is Ian Barrett and I'm running for Hillsboro City Council Ward2, Position A. I've lived & worked in Hillsboro since June 2000. Although British borne I eventually becoming US citizen in 2013, a difficult but not impossible task.

I've seen Hillsboro grow for over 20 yrs. and many good things have happened. The need to maintain this progress is important as well as bringing in new ideas that we can all participate in to mitigate the effects of Climate Change.

I Promise to maintain the city growth and build in aspects into the city system to help assuage climate change; secure our water supply, and pursue a multi-cultural society.

I retire from my current post, as a construction cost manager, at the end of the year and that gives me the capability to represent all, as I can totally devote my time to city matters.

City Council Ward 2, Position A

Chris Adzima

Occupation: IT Analyst, Washington County Sheriff's Office

Occupational Background: Fraud Prevention; US Army

Educational Background: Western Governor's - Information Systems - Bachelor's

Prior Governmental Experience: Community Curriculum Advisory Committee - Hillsboro School District; Data Equity Committee - Washington County

I want to be your City Councilor because our city is the best in Oregon. I want to serve my community to ensure that we only get better.

I am not taking campaign contributions because I believe that money should not buy elections and that no elected officials should be beholden to any donors.

I will seek to ensure that partisan politics does not dictate how our city is run. We are one community, and we can not be defined by the beliefs of political parties.

Housing Insecurity

Helping people find stable housing benefits everyone, reducing the number of calls to emergency services and the population of our jail, and allowing for stability for employees of local businesses.

I will advocate for the necessary policies to help people find housing, through mental health services, addiction services, and approving more affordable housing.

Public Safety First

I will seek to fund our public safety services first. As our city expands we will need to expand these services as well. I will look to our community, specifically those groups that were previously marginalized and under-represented, to help understand what this expansion should look like and how we can keep Hillsboro safe while ensuring that public safety services truly do keep ALL members of our community safe.

Small Business Incubation

I will look to foster new business innovations to ensure they stay within our city limits. I will ensure that all businesses have the support and services they need to thrive and grow. I will work to establish and promote programs to help small businesses get off the ground by removing financial roadblocks.

City of Hillsboro

City Council Ward 3, Position A

Ivette Pantoja

Occupation: Owner, Briar Rose School

Occupational Background: Early Childhood Education Provider

Educational Background: Glencoe High School, Portland Community College

Prior Governmental Experience:

Co-Chair Child Care Resources & Referral of Washington County

Hillsboro Born and Raised

As a Hillsboro native Ivette has experienced firsthand the growth of our community. Ivette's heart and passion is in Hillsboro. Being a small business owner, she's created stable jobs in our community and a safe, welcoming environment for families. She will bring her compassion and leadership to city council to innovate, create and serve her community.

PRIORITIES

Small Business: As a small business owner, Ivette understands the intricacies of what it takes to run a successful business in Hillsboro. Ivette will ensure businesses throughout Hillsboro are supported, listened to, and have the resources needed to thrive.

Workforce Development: As an early Childhood Educator, Ivette has had the opportunity to mentor and support HSD students. Ivette will build upon this experience to work with other businesses throughout Hillsboro to create and enhance training programs.

DEI: Creating an inclusive workplace has always been important to Ivette. She is dedicated to dismantling barriers and creating opportunities. Through DEI centered work, Ivette has seen her staff thrive. She believes that when people are given the necessary tools, they can grow their knowledge, experiences and start important conversations.

Ivette will **listen** to community concerns, be **accessible** and **take action** for residents of Hillsboro now and in the future.

Olivia Alcaire

Occupation: City Councilor; Computer Lab and Tutoring Coordinator, Corrections Education, PCC

Occupational Background: Education

Educational Background: PSU: EdD Education (pursuing), BA/MA Mexican History; OSU: EdM Adult Education

Prior Governmental Experience: Hillsboro City Councilor; Finance and Transportation Committees; League of Oregon Cities: POC Caucus, DEI, Energy and Environment, and Community Development committees.

www.oliviaforhillsboro.com

My 2017 vote for Sanctuary assured ALL families felt safe in Hillsboro. Using a DEI lens, I will continue to work with Council to create a strong local economy for people who call Hillsboro their home.

Increase affordable housing: I support affordable housing. We must ensure more access to home ownership and multi-family housing; improving quality of life for our most vulnerable citizens.

Increase homeless services and transitional housing: I will support more services for our homeless community that brings an end to an unstable, uncertain life by helping people access services to meet basic needs and reliable support systems.

Workforce and small business development: People need access to training to increase skills matching a complex job market. I support small business development by working to remove barriers to success.

ENDORSEMENTS

“Olivia understands our community and is a strong advocate for equity and community building; including: advocating for affordable housing, high quality education, career opportunities, supporting small businesses and building a community that is safe for everyone!”

City of King City

City Council

Jaimie A. Fender

Occupation: Mayor of King City, Attorney

Occupational Background: Government, Finance and Law

Educational Background: Tualatin High School (1996); Bachelor of Arts, University of Oregon (2000); Masters Degree, London Metropolitan University School of Law;

Bar Vocational Course (Post-Graduate Degree), BPP University Law School London

Prior Governmental Experience: City Councilor, King City: 2017 - 2019; City Council President, King City: 2019 - 2021; Volunteer Deputy District Attorney, Washington County District Attorney's Office; Project Manager, Organization for Economic Co-operation and Development

For Mayor Jaimie Fender, City Hall is a Place of Service

As a mom, attorney, proud military daughter and lifelong Oregonian, Mayor Fender believes that of all the things that make our unique city great, our most important resource is our people. Mayor Fender's passion for strengthening our community, increasing livability, and making King City a true city for all ages is always on display, from the halls of Deer Creek Elementary to the King City Community Park

Mayor Jaimie Fender's leadership brings people together

By founding the King City Community Foundation, Mayor Fender brought its mission – to build community cohesion and strengthen the connections we have to our diverse city – from idea to reality. Under Mayor Fender's leadership, King City held its first large-scale annual events, including:

- o 4th of July Walk & Roll Parade & Festival
- o Partnerships with the Deer Creek Elementary School PSO
- o Thank You Card Drives for First Responders
- o Reading events in the Park
- o With help from Tualatin Valley Creates, partnered with artist Mark Brody to build the Community Mosaic Wall and invited residents to help create our first public art installation in King City
- o Led a partnership with the Dolly Parton Foundation to become one of the first Oregon Cities to host Dolly's Imagination Library, providing free monthly books for King City children ages 0-5
- o Installed King City's First Little Free Library

“Whether you're raising kids or enjoying your well-earned retirement, our small and mighty city is a place where you and your family can thrive as we grow into our future together”. - King City Mayor, Jaimie Fender

City Council

Marc Manelis

Occupation: Project Manager

Occupational Background: Environmental Health Services manager in high-tech, international retail, and healthcare sectors; HOA and property management

Educational Background: BS Real Estate, Marylhurst University

Prior Governmental Experience: King City City Councilor (incumbent); King City Planning Commission; 2017-2022

I was honored to be appointed to a vacant King City City Council position in January, 2022, and I am running to remain in this seat so that I can carry on with partnering with the citizens of this wonderful community. I am excited to continue work on the Kingston Terrace Master Plan, as well as improvements to the park and a new walking trail from Beef Bend to the Tualatin River. As a parent of two school-aged children, I am especially interested in ensuring that this community continues to grow in diversity, connection, and accessible liveability. I would be grateful for your vote so that I may continue to serve King City and its residents.

City of King City

City Council

Laurie Petrie

Occupation: Retired

Occupational Background:

For 40 years I managed customer services for 3rd party logistics and transportation companies. My responsibilities included listening, problem solving, and finding solutions that worked for all parties.

Educational Background: Lewis and Clark College, BA

Prior Governmental Experience: City of King City: 2022-Present - City Councilor; 2016-2021 - Commissioner, Planning Commission; 2018-2022 - Member, Budget Committee

Community Involvement:

I served four years on the King City Garden Villas Service Association Board, including three years as President. I recently completed a three-year term as Vice-President of the King City Civic Association Board.

Laurie Petrie: Working for all of King City

As a King City Councilor, my priorities will be:

Improving Communication: By reaching out to all the various neighborhoods in King City, I will work to bridge the older and newer communities with frequent and clear communications. My goal is for residents to know what the King City Council is planning and accomplishing, and that the Council is always ready to listen to residents' concerns.

Providing a Safe and Well-Maintained Community: Street repairs and traffic signs are badly needed in many parts of King City. I will focus on finding funding options to get this work done.

Planning for the Future: We've all seen the results of unplanned development. King City's current Master Plan process is allowing us to look into the future and imagine the possibilities of carefully planned growth. I support a sensible approach to planning and the need to find balance between development and controlled growth. I see the importance of building on our current model of livable, walkable and safe neighborhoods with accessible amenities. My goal is a Master Plan that everyone can be proud of!

Planning for Housing: Affordable housing in King City is important in the planning process. I will focus on identifying options for affordable housing to be part of the Master Plan.

King City has an exciting future.

By working together, King City can be the best small city in the region!

City Council

Micah H. Paulsen

Occupation: Insurance Broker (Utility Scale Renewable Energy)

Occupational Background: Insurance Broker (Transportation Industry)

Educational Background: BA Liberal Arts (Political Science Focus), The Evergreen State College

Prior Governmental Experience: King City City Councilor (incumbent), 2019-2022, King City City Council President, January 2022-present

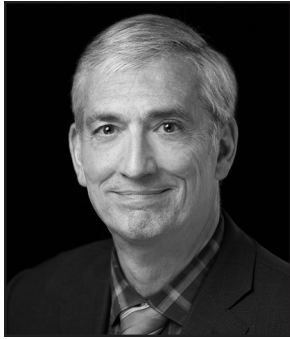

I have had the great fortune to be a city councilor representing King City since 2019. I am running for re-election to continue to serve my community and work to make it a place that its' citizens can be proud to call home. Having lived in King City since 2016 with my family, including two young children, it is important to me that this city grows responsibly and safely, embraces diversity, and provides for the housing needs of all citizens. I am excited to be involved in the Kingston Terrace Master Plan work that will guide the city as it moves forward. I hope to earn your vote.

City of Lake Oswego

City Council

Jeff Gudman

Occupation: Businessperson, Investor

Occupational Background: Financial Analyst - Hyster; Controller - Magnetech; Treasurer - Oregon Natural Gas Development; Treasurer - BioGas Technology

Educational Background: Pomona College, Economics, BA; Wharton School, Finance/Management, MBA

Prior Governmental Experience: Lake Oswego City Council 2011 - 2018; Chair, Lake Oswego Budget Committee

Volunteer Experience – Treasurer – Clackamas Volunteers in Medicine, Vice-Chair – Mary’s Woods, Former Chair – NW Pilot Project (housing), Former Chair – Financial Executive International Portland Chapter.

Why I’m Running - I care about protecting Lake Oswego’s quality of life. I want to work with each citizen to develop collaborative, financially sound decisions to the challenges the city faces. These challenges include maintaining and enhancing our basic infrastructure, converting the trolley line to a pedestrian/bike pathway, continuing the work of the Boones Ferry Plan, successfully implementing neighborhood and downtown plans, redevelopment of Foothills, and protecting the Stafford Hamlet.

A Record of Success – While previously serving as a Lake Oswego City Councilor, I established myself as a budget hawk. Under my fiscal leadership, we dramatically reduced our unfunded liability for road maintenance, rebuilt our operations and maintenance center and rebuilt city hall without asking taxpayers for an additional dime.

Independent Thinker and a Team Player – I work carefully to think through problems and follow the facts before making a decision. Once the decision is made, I will work tirelessly for its successful implementation.

Fiscal Responsibility – I understand that during all economic times, government should live within its means just as we all do. I bring a lifetime of business and financial experience with large and small companies as well as not-for-profit organizations.

Financial Leadership – I have the experience and leadership skills needed for Council. I understand we need effective leaders who will seek reasonable, common-sense solutions. Listening and being open to new ideas and different viewpoints and moving forward.

Experience – The last two years the council has lost institutional memory. My experience as a former councilor will bring much needed institutional memory and context to balance with newer councilor’s ideas.

I’m asking for your vote.

(This information furnished by Jeff Gudman.)

Ali Afghan

Occupation: Industrial Engineering Director, Genentech; prior Intel

Occupational Background: Engineering, Community volunteer

Educational Background: Portland State University, BS, Mechanical Engineering

Prior Governmental Experience:

LO Budget Committee, Current Alternate; LO Development Review Committee, Prior Alternate; Old Town Neighborhood Association, Current Board Director; Partnered with Oregon Governor’s office to bring biotech industry to Oregon.

CANDIDATE’S STATEMENT

As your City Councilor, I will give voice to your priorities by employing decision-making processes that are transparent, utilize data, and foremost, are collaborative. My focus will be on all of our residents, our environment, our safety, and the needs of small business owners who are the lifeblood of our local economy. I believe planning is an essential strength of a well-run city and that consistent eye toward our future will help us through any of the challenges ahead.

Lake Oswego has been my home since 1990, and I’m fortunate to have resided in several neighborhoods, allowing me to interact with so many other residents who, like me, support our extraordinary school district and take pride in our parks, our excellent police and fire departments, and our growing array of local businesses. Together we can make LO an even more livable city for residents of all ages, income levels and backgrounds.

An effective City Councilor will foster engagement in local government by residents and business owners alike to maintain a healthy balance. Topics such as safety, homelessness, housing inclusiveness and density, our environment, sustainability, and the local economy are all factors in that balance. My 35 years of professional leadership managing people, budgets, and deadlines has equipped me to bring people together to build stronger relationships, accelerate past stagnation, and plan for the future. Allow me to put this to work for Lake Oswego with your vote on November 8th.

City of North Plains

City Councilor

James A. Fage

Occupation: Engineering Manager at Intel Corporation

Occupational Background: Instructor for Science Based Merit Badges Boy Scouts of America; Loss Prevention; Emergency Response Team Leader for Intel Corporation; Advisory Panel Habitat for Humanity.

Educational Background: M.B.A.; Masters of Science in Management and Leadership; BS in Business Management WGU; Administration of Justice Ohlone College A.S; Mission College A.A.; Project Management Certification; Eagle Scout BSA

Prior Governmental Experience: City Council, North Plains OR.; Planning Commissioner, North Plains OR.

I am running for North Plains City Council because I believe in giving back to the community. The City of North Plains is growing. This increase of population and boundary size will change the feel of the community. This growth is also going to stress the fiscal ability to provide the city the services and resources it both wants and needs. I was drawn to North Plains because it was a small town and embodied the small-town feel. I want my children to enjoy an environment like we have. One where you know your neighbors and feel safe with them playing or going door to door Trick or Treating outside. I understand it is natural for population to grow. I will work to keep the small town feel by ensuring the communities being built are designed to promote a sense of neighborhood and identity, while having community events to bring us together as a whole. City leadership needs to ensure we maintain the quality of life we all enjoy.

My Priorities:

- Keep the small town feel of North Plains as the City expands
- Ensure expanded police coverage
- Improve the City's sidewalk system
- Encourage businesses to come to North Plains
- Increase community involvement opportunities

I appreciate your time and your vote.

-James A. Fage

City Councilor

Rickey L. Smith

Occupation: Not Employed

Occupational Background: Graziano Food Service Lead Buyer; Stone Mill Foods Plant Manager; Navy Veteran

Educational Background: Whiteland High School- Diploma; Mt Hood Community College Assoc. Degree Food Science;

Portland State University Certificate Materials Flow, IVTC Indiana Certificate Auto Body

Prior Governmental Experience: City of North Plains City Council; City of North Plains Parks & Rec; City of North Plains Budget Committee; City of North Plains Urban Renewal Assoc. (URA)

I am excited to continue serving as a North Plains City Councilor. Being recently retired gives me more time to dedicate to the city.

Priorities:

- Keeping community first
- Improving and maintaining parks
- Increasing our police presence
- Supporting our community events
- Working with Washington County for safer roads
- Managing and planning growth
- Maintaining a manageable budget

North Plains is an independent community outside of the Metro boundary. We need to keep it that way if we want to maintain control of how and where we grow. Being a small community bounded by large cities provides challenges. We have become a bedroom community to them. Without taxes from more businesses, the residents bare the brunt of the tax burden. We need to bring in more businesses to share that burden.

I know a lot of citizens would like us to see North Plains stay a small city, yet the state is requiring us to grow. How we do this is the challenge! Tough discussions and decisions need to be made. These include addressing homeless camps in the city of North Plains, increasing taxes to support adding additional police patrols, plus the locations and size of lands to be included in the urban growth boundaries.

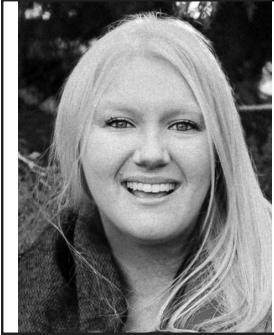

I look forward to working for the people, for the individual, in North Plains as we move forward towards addressing these challenges.

(This information furnished by Rickey L. Smith.)

City of North Plains

City Councilor

Trista Papen

Occupation: Operations Manager

Occupational Background: NA

Educational Background:
Century High School, Western
Oregon University; Elementary
Education

Prior Governmental Experience:
City of North Plains; City Councilor,

North Plains Urban Renewal Agency; Director, North Plains Budget
Committee, Washington County Policy Advisory Board

Hello neighbors! I am a native Oregonian and a North Plains resident since 2014. I've served on numerous boards and committees within North Plains and Washington County and have immersed myself in North Plains culture while striving to be part of the solution, not part of the problem.

I bring a unique perspective as an 8-year resident with small children. I've immersed myself in the rich history of North Plains and commit to preserving the heritage of our small town while we pave the way for the next generation of North Plains residents.

As a community, we are facing topics such as the Urban Growth Boundary (UGB) and the future of police service within North Plains.

My approach to expanding the UGB is intentional, controlled growth. Due to legislation, growth in North Plains is inevitable. As a city, we have an opportunity to create our own destiny, and strive for livability while keeping our small town charm. I believe our community has a vision of how we want North Plains to grow in the coming years; I strive to be an advocate for that vision and be the voice for constituents in the coming years.

Being proactive with policing with North Plains is critical to supporting our growing town and keeping residents safe. This is an active topic of discussion within City Council and I am committed to making sure we are keeping our community safe, while not inflicting an enormous financial burden on residents.

I welcome your feedback and concerns with open arms and look forward to what our city will accomplish in the future!

Commissioner, Position 3

Rene Gonzalez

Occupation: Technology Business Owner

Occupational Background: Business Lawyer

Educational Background: Willamette University, BA, JD

Prior Governmental Experience: First Time Candidate

Community Service: President, UPDX Soccer Club; Board of Directors, The Library Foundation, Portland Children's Museum; ED 300.

Let's Restore Portland Together

We have a stark choice this election – more of the same, or a change for the better. I am running because we have a humanitarian crisis on our streets and crime that's out of control. Portland's livability has declined markedly during my opponent's term. We deserve better.

I'm a 5th generation Portlander and dad of three who will bring people together after the divisiveness that's plagued our city in recent years. My father started life as a migrant worker and through hard work and education became a federal prosecutor and trial judge. That's the same kind of work ethic, determination, and backbone I will bring to the city council.

Unfortunately, my opponent **chooses to frame local issues** that should bring people together **in polarizing national terms** that drive them apart. I will work to stand up for ALL of Portland – no excuses, no scapegoats – from those who are suffering in unhoused encampments to our neighborhoods that are under siege but lack a voice at City Hall.

Homelessness

We have a crisis of addiction and mental illness on our streets, not just a lack of affordable housing. Taking a hands-off approach to homelessness isn't compassionate or progressive, it is dangerous and inhumane. Just look outside. We need more shelter and social services immediately.

Crime

Many of our neighborhoods have become too dangerous for our kids or seniors. **I'll lead a data-driven approach** to develop, attract, and retain more public safety resources, making our streets clean and safe again.

Join our broad coalition of supporters including unions, technology leaders, prominent women and healthcare providers:

Jo Ann Hardesty

Occupation: Portland City Commissioner

Occupational Background: United States Navy; Small Business Owner; NAACP Portland; KBOO Radio.

Educational Background: Community College of Baltimore.

Prior Governmental Experience: State Representative (North/Northeast Portland); Multnomah County Senior Policy Analyst.

JO ANN STANDS WITH US EXPERIENCED CHANGE MAKER

"We elected Jo Ann to tackle tough challenges, which is exactly what she has done. We need her effective leadership for a safe and vibrant city." - Representative Khanh Pham

Despite a global pandemic, we have **worked together** to achieve significant systems change.

- **Tackling the crisis on our streets** by investing in immediate shelter and services, securing long-term permanently affordable housing, and strengthening Portland Street Response, our newly trained mental health first responders.
- **Expanding community safety** by organizing neighborhood violence prevention programs, hiring mental health first responders, daylighting dangerous street corners, and freeing up police officers for more emergency calls and patrol.
- **Ensuring police accountability and transparency**, a strong Civilian Training Dean, meaningful community oversight, and data-driven decision-making.

As Portlanders, we need big changes in how our city works, and I am right there with you. You can count on me to lead the charge for change and work WITH YOU and FOR YOU.

City of Rivergrove

City Councilor

Brenda Ruble

Occupation: Self-Employed

Occupational Background:
Nutritional Therapy Practitioner

Educational Background:
Oregon State University, Business Administration, B.S.

Prior Governmental Experience:
City of Rivergrove Councilor 2016-2020; City of Rivergrove Council President 2018-2020

I've lived in Rivergrove for 6 years and previously served as city councilor. I love our little community with its river access, small government and can-do spirit. If elected, I'll work to preserve your public rights and strengthen our community.

My priorities:

Boat Ramp - All individuals using the boat ramp should have unimpeded access free of interference by private parties. As public servants, it's our job to maintain that access and preserve it for future generations. Policies should allow everyone to participate in this invaluable natural resource.

Parks - Our beautiful parks are one of our main points of connection. We are fortunate that our city has so many willing volunteers to help maintain our green spaces on a limited budget. Let's bring our park maintenance and development into the 21st century by coordinating our efforts.

Community - It's been a tough few years. Now is the time to reconnect. Let's bring back our annual gatherings and opportunities to meet and rekindle community. Want to start a community garden with me? I'd love to hear your ideas as to how we can come together as neighbors.

Emergency Preparedness - A tight community is a community that knows how to withstand an emergency. We are stronger together. I will work to implement an updated, functional emergency plan and create a structure for citizens to get involved.

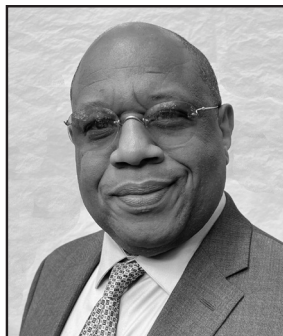

Meetings - We need to return to in-person meetings with the added bonus of online access for those who can't physically attend. With the current meeting format, it's too easy to silence voices and ideas with a push of the Zoom mute button. Your input matters.

Let's work together to make our city better. Vote Brenda, Doug and Jeff.

(This information furnished by Brenda Ruble.)

City Councilor

Walter Williams

Occupation: Mayor, City of Rivergrove; Rivergrove City Council; Director of Engineering

Occupational Background:
15 years Engineering Management

Educational Background:
Hartford University, Masters Manufacturing Systems Engineering, MS Eng.

Prior Governmental Experience: Mayor City of Rivergrove (2 terms); City Councilor; Planning Commissioner

As Mayor of Rivergrove, it has been an honor to champion the needs of our citizens, whether meeting with residents for collective problem solving, providing status, process, and progress of neighboring cities', counties' and state activities, as well as overseeing the care and/or overall operation of the city's boat ramp access. All of which I have willingly supported.

If re-elected, I would be honored to continue to represent Rivergrove by ensuring our collective voice is heard and supported throughout the following Metro Area organizations: League of Oregon Cities, Oregon Mayors' Association, Metropolitan Mayors' Consortium, Clackamas County, Washington County, Metro, and all neighboring city governments.

As my personal city goal, I intend to continue to work with our City Council to complete our commitments to improve the common and recreational areas of our great community—our well-loved boat ramp and city parks.

I approve of a primary plan to champion park improvements by voting to incorporate the gift to our city received from River Grove Elementary school of play structures and picnic tables for one or both of our city parks. This gift was accepted with support of Council with the understanding of a limited timeline of its acceptance.

After which, a group of citizens was organized to remove the two play structures at no cost to the city and to store them in a secure facility, again at no cost. I am thankful to those citizens that our gift is not lost and is waiting for our community to weigh in on how will it benefit our city. River Grove Elementary's play structure has provided a safe and productive place for our youth to play.

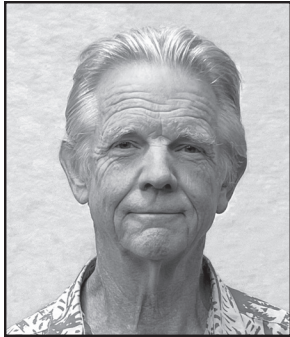

Respectfully
Mayor Walter Williams
City of Rivergrove

(This information furnished by Walter Williams.)

City of Rivergrove

City Councilor

Arne C Nyberg

Occupation: Retired, Managing General Partner for family business

Occupational Background: Owned own construction business 25 years

Educational Background: Oregon State, Business Administration, Bachelor of Science

Prior Governmental Experience: Rivergrove City Council 20 years, Tualatin City Council 5 years, Metropolitan Area Communication Commission 18 years, 9 as chair, State Heritage Tree Committee 29 years.

I am running again for city council because I am concerned with the direction of the city. I spent 20 years helping to build parks, and livability in the city. Several years ago, I was part of the volunteer crew that assembled the play structure in Lloyd Minor Park. And with the purchase of Heritage Park, I helped secure an Oregon Lottery Grant to cover the purchase funding.

With the demolition of the play structure at Rivergrove Elementary we have a perfect opportunity to obtain a \$200,000 play structure, free, to be placed in Heritage Park. Do you want opportunities for children in Rivergrove?

Our parks, and very popular boat ramp, have suffered recently from neglect. If re-elected, I will treat them with the care they deserve.

As chairperson of the Budget Committee, I recognize that money is available for a variety of purposes. Visionaries like Walt, Susie and I are ready to offer improvements for the city with these funds. We need to use these funds, or they must be given back. We need people who are proactive decision makers for the city council to move forward and grow the livability in our small community.

(This information furnished by Arne C Nyberg.)

City Councilor

Janice "Susie" Lahsene

Occupation: Lahsene and Associates 2017-present; Planning and policy consultant specializing in transportation systems, policy issues, infrastructure development, project management systems analysis and grant acquisition.

Occupational Background: Port of Portland 1992-2017; - Policy and Planning Director

2014-2017 responsible for land use approvals, transportation strategy and development and fund acquisition for the Port's transportation facilities, terminals and industrial land base.; Multnomah County 1980-1992; -Transportation Planning Manager 1988-1992; Managed transportation infrastructure studies and transportation capital improvement program

Educational Background:

University of Portland; Virginia Polytechnic and State University; Virginia Polytechnic and State University

Prior Governmental Experience: Rivergrove City Councilor 2020-present; Appointed Chair 2017-2019 Portland Community College Foundation Board 2014-present; Port of Portland rep on Regional Joint Policy Advisory Committee on Transportation (JPACT) 2000-2017 Appointed Vice Chair of the Working Waterfront Coalition 2007-2017; Appointed Chair of the ODOT statewide freight Committee 2010-2017; Appointed Chair of the National Academy of Sciences Transportation Research Board Urban Freight Committee 1999-2003

As a 25- year resident of Rivergrove, I have experienced this small community double in size and struggle with the impacts of growth with limited services. I want to help the city find ways to provide better services for all residents through grants, intergovernmental cooperation, and citizen support. I have the experience and qualifications to meet this challenge. I have served on Rivergrove City Council since 2020; during that time, I have

- Voted in favor of the Lake Oswego School system gift of the Rivergrove Elementary play structure and tables to the City of Rivergrove for our park secured by our Mayor and residents
- Worked to improve safety around our parks and river access by developing signage and information around use of the facilities
- Enlisted the help of the City of Tualatin with repaving a small portion of Child's Rd. west of 65th.

I have over 37 years of government service at the local, state, and federal levels and secured millions in grant dollars to fund all modes of transportation for Multnomah County and the Port of Portland.

City of Sherwood

Mayor

Tim Rosener

Occupation: Self-Employed:
Management Consultant

Occupational Background: As a leader and small business owner, most of my thirty-six-year career has focused on delivering innovative technology and consulting services to thousands of local governments across the United States. My time at

Accela and Springbrook Software was dedicated to helping local governments provide quality services with efficiency and transparency while protecting the public's trust.

Educational Background: Community College of the Air Force.

Prior Governmental Experience: Served Honorably, USAF 37th Aerospace Rescue and Recovery Squadron (1984 - 1987) and USAF Reserves 939th CAMS (1987 - 1992); Sherwood City Council 2017 - 2018, Sherwood City Council President 2019-Present, Oregon Broadband Advisory Council - Councilor, Willamette River Water Collation - Chairperson.

In 1998, My wife Sharon and I chose Sherwood as the place for us to put down roots and start a family. We look back on that decision as one of the best we've made together. Sherwood, to put it simply, is incredible!

Sherwood is the envy of NW Oregon. Our city is steeped in tradition, with world-class public safety, excellent schools, and a vibrant sense of community. As your council president, I have been focused on preserving what is great about Sherwood while meeting the challenges we face today and ensuring that we are set up for success in the future.

I enjoy serving in other ways in our community, including volunteering on the board of Oregon Space Camp Adventures and the Sherwood Education Foundation board. I am also a very proud member of the Pirates of Pinehurst's annual Halloween show and Gold Hunt.

As always, I will put the community's desires first if you choose to support my candidacy for Mayor of Sherwood.

Endorsements:

Keith Mays - Current Sherwood Mayor
Kim Young - Sherwood City Councilor
Sean Garland - Former Sherwood City Councilor
Doug Scott - Sherwood City Councilor
Taylor Giles - Sherwood City Councilor
Frank Bubenik - Tualatin Mayor
Patrick & Tamara Furst - Constituents

ENDORSEMENTS

Keith Mays, Sherwood City Mayor
Sherwood City Councilors:

Tim Rosener
Renee Brouse
Kim Young
Doug Scott

MY PRIORITIES

<https://www.taylorgiles.com/>

I want to stay focused on local solutions to improve life in Sherwood. There are many problems in this world. I will not invite any of those problems to Sherwood. Here are three of my priorities:

HEAL FROM COVID

Help families and local businesses recover from COVID-19 and **attract new businesses** to balance the tax base and provide local jobs

CONNECT SHERWOOD

Connect Sherwood virtually through expansion of **Sherwood Broadband** to more residents for better and cheaper Internet for those who work from home and attracting higher paying jobs with better digital infrastructure.

Connect Sherwood physically through improved **trails, bicycle lanes and paths**, and safer options to cross Highway 99, including a pedestrian bridge for the new high school.

GROW RESPONSIBLY

Maintain Sherwood as a premier destination for families and provide services, housing and amenities for **all our citizens in all phases of their lives**.

Visit my website www.taylorgiles.com for more details

(This information furnished by Taylor Giles.)

The above information has not been verified for accuracy by the county.

City Council

Keith Mays

Occupation: Owner of trade sector businesses

Occupational Background: Business owner

Educational Background: BS Linfield College

Prior Governmental Experience: Sherwood Mayor (2005-12, 2018-

22) & City Council President (2001-04); President Oregon Mayors Association (2012); President League of Oregon Cities (2021), Board Chair of Washington County 9-1-1 (WCCCA, 2022), various County, Metro, & LOC committees.

Community Experience: YMCA Board; past President Sherwood Chamber of Commerce and Friends of Tualatin River National Wildlife Refuge; Member of Sherwood Elks Lodge and Rotary.

It has been an **honor** serving as your mayor.

I again ask for your support, but this time for City Council.

I want to provide support and experience to 2023 Mayor, Tim Rosener, and City Council and help Sherwood to continue to be the best Oregon city to live, work and raise a family.

I want 2023 council to continue with our 2022 goals of economic development, infrastructure, livability, public safety, fiscal responsibility, and citizen engagement.

Between now and 2024 we will dedicate the new Cedar Creek Trail, award contracts to improve Veteran's Memorial and build Festival Plaza in old town. We will award contracts to build Pedestrian bridge over 99W, build/rebuild Oregon Steet and Ice Age Drive and finish Sherwood Broadband expansion. Updated Sherwood West plan should be finished this year, a plan to complement Sherwood and improve community sustainability with more diverse property taxes to pay for city services.

I hope we continue our goal to build pedestrian/wildlife undercrossing of 99W at Cedar Creek, work on other pedestrian crossings of major roads in town, get agreement with Washington County to improve Edy Road quickly and secure more park property.

With your vote, I hope to continue the fact I have never asked voters to raise their city property taxes.

Endorsed by:

Current City Councilors: Taylor Giles, Tim Rosener, Doug Scott, Kim Young.
Councilor Sean Garland (2017-2022).

Please Vote for Keith Mays for City Council.

City of Sherwood

City Council

Doug Scott

Occupation: Director of Product Management

Occupational Background: I have over 25 years of experience in the healthcare, finance, and wholesale manufacturing sectors developing and supporting a wide range of business and customer facing software and data products.

Educational Background: Oregon Institute of Technology, Software Engineer Major

Prior Governmental Experience: Sherwood City Council, 2018 to present; Sherwood Planning Commission, 2016 to 2018; Sherwood URA Advisory Committee, 2016; Sherwood Special Commission, 2015; Sherwood School District HS Design Committee, 2014-15; Sherwood School District Boundary Committee, 2013

It has been my privilege to serve the citizens of Sherwood for most of the past decade, including the last 4 years on Sherwood City Council, and I would be honored to be elected to serve another 4-year term. I am very proud of the work the council has done the past 4 years in many areas, including the two most important responsibilities of any city: fiscal responsibility, and public safety. I am proud to have voted along with the rest of council to bolster our police staffing after almost a decade of no increases despite a continuously rising population and increase crime rates in the region. Bringing the police staff to full force will help Sherwood remain a safe and desirable community. Our work annually on projecting and ensuring our budget reserves can meet future needs, both anticipated and otherwise, is a strong credit to this council and leaves our city in a strong position financially. Recently, I have been proud to be a part of an intense focus on encouraging and supporting employment development in Sherwood, and we have seen incredible private sector investments already in the Tonquin Employment Area. Our push to fund and build the coming 99w pedestrian bridge with no new taxes or bonds is another major achievement of myself and this council.

I am proud to be endorsed by every current member of council:

Keith Mays, Mayor

Tim Rosener, Council President

Renee Brouse

Sean Garland

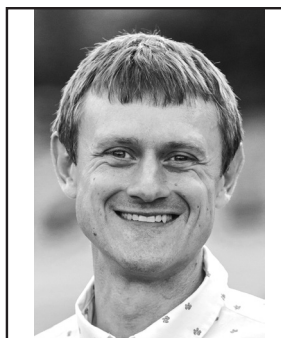

Kim Young

Taylor Giles

(This information furnished by Doug Scott.)

City Council

Daniel (Dan) Standke

Occupation: Cabinet Maker, Walters Construction; Financial Planning Specialist, Mapmakers Financial

Occupational Background: U.S. Navy, AZ2

Educational Background: Portland State University, Economics, BA

Prior Governmental Experience: U.S. Navy, 2003-2008.

My family and I have lived in Sherwood for over 10 years and continue to enjoy the people, places and annual festivals here. As a U.S. Navy veteran, I proudly served my country, and now with your help, I have the opportunity to continue my public service for the great people of Sherwood.

I have been a stay at home parent for the past 10 years and have served on various school boards for the past 5 years. With my children being older now and attending school full time, I have the time and energy to take my volunteering for the city to the next level – City Council.

Our current city council recently passed a comprehensive plan for our city, Moving Forward Together, Sherwood 2040. This plan, while keeping Sherwood, Sherwood, “helps manage expected population and employment growth through a set of goals” over the next 20 years. While serving in the US Navy, I had the opportunity to work with Americans from all over the US and the best skill I learned during those years was how to set differences aside for completing the mission at hand. Sherwood 2040 is our goal and as a member of the city council, I want to ensure our growth is both inclusive and equitable to as many residents as possible.

Key points for me from the Sherwood 2040 plan:

Healthy and Valued Ecosystem

- Develop a Climate Action Plan to ensure clean air and water for Sherwood.

Attractive and Attainable Housing

- Housing for a diversity of ages and income levels.

Thriving and Diversified Economy

- Stable employment opportunities, attracting new employment and reinvigorating the local economy.

Endorsements

Tim Rosener, Sherwood City Council President
Renee Brouse, Sherwood City Councilor
Sean Garland, Former Sherwood City Councilor
Courtney Neron, State Representative House District 26
Washington County Democrats

City of Tigard

Mayor

John Goodhouse

Occupation: Independent Insurance Broker, Owner, Tigard City Councilor.

Occupational Background: Small Business Owner, Downtown Tigard.

Educational Background: Bachelor's in Management/Communications/Leadership; Concordia University

Prior Governmental Experience: Tigard City Council, Past Council President; Tigard Planning Commission; Tigard Chamber of Commerce Government & Public Policy; Past President, Men's Auxiliary VFW Post 3452

Committee Appointments: National League of Cities Transportation Committee; Board Chair - Willamette River Water Coalition; League of Oregon Cities Finance Committee

Family: Married to Rebecca; Father to Meeka, Austin, and Jasmine.

Keeping Community First: "As a lifelong Tigard resident, my greatest honor has been serving as city councilor in the community where I grew up and where I've raised my kids. Keeping our community safe and livable continues to be my top priority."

John Goodhouse for Mayor of Tigard

Good for our Neighborhoods; Good for our Community and our Families!

The **Tigard Police Officers' Association** is pleased to **endorse Councilman John Goodhouse as the next Mayor of Tigard.**

John has worked hard and positively served Tigard:

- Created Tigard's first Rainy Day Emergency Fund
- Successfully ran the Tigard Safety Levy adding 8 new officers and a School Resource Officer
- On the Family Promise of Tualatin Valley Board of Directors, helping Tigard homeless families
- Fought for and supported Tigard families and businesses during the pandemic
- Organized successful first Annual Tigard Music Festival
- Owns businesses on Main Street in downtown Tigard

As Mayor, John will continue to collaborate with city, regional, and state leaders to reduce traffic congestion. He will work with business leaders to create more family-wage jobs. Focusing on affordable housing solutions is critical as is working with Tigard-Tualatin School District, increasing safe routes to schools.

Proudly endorsed by Tigard Citizens whether you are a Democrat, Republican or Independent. **John Goodhouse will work hard for you.**

Recognized nationally for his work on diversity issues by the National League of Cities for his efforts to see everyone involved and engaged in their communities.

Leadership by Example. Vote for John Goodhouse for Mayor.

Mayor

Heidi Lueb

Occupation: Head of Finance, Thesis Agency; Triathlon Coach

Occupational Background: Finance Leader at: Genuine Foods, Grady Britton, Montgomery Coscia Greilich CPAs, Aimbridge Hospitality

Educational Background: BS, University of Oregon; MS, Texas Woman's University

Prior Governmental Experience: Tigard City Council President 2021-present; Tigard City Councilor 2019-present

Leadership for Tigard's Future

I'm a Mom, Oregonian, private sector finance leader, and first generation American. I love the Tigard Community and raising my family here.

Since my appointment to City Council in 2019, I've worked alongside community members, organizations, and businesses. It has given me a better understanding of the issues our community faces and how to address them.

Priorities

- **Affordable Housing:** Create a variety of housing types for everyone's budget.
- **Equity:** Make Tigard an equitable community where all are welcome and can reach their potential.
- **Sustainability:** Protect our natural resources and work to make Tigard carbon neutral.
- **Community Safety:** Champion safe streets and communities. Human-centric approach to houselessness that addresses root causes.
- **Transportation:** Advocate for all human mobility options, creating safer streets, trails, and connections.
- **Thriving Economy:** Economic solutions to strengthen our local economy, support businesses, grow our workforce, and find childcare solutions.

"I know what it takes to lead Tigard. Heidi's passion for community members along with her business acumen will allow her to lead Tigard through what's ahead. She's worked hard as a councilor and will be an effective Mayor." **Mayor John Cook**

City of Tigard

Mayor

Nick Hess

Occupation: Multi-business owner, entrepreneur, tech CEO & cybersecurity expert.

Occupational Background: 22+ years of experience building businesses from the ground up. Currently owns and operates three Tigard-based companies: a cybersecurity firm, telecommunications company, and a cooking class

business with wife, Christy.

Educational Background:
Lincoln High School

Prior Governmental Experience: Private contractor to government agencies throughout the US.

Short-sighted city leadership has caused budget deficits, ignored the rise in crime in our community, and has pushed us severely behind on infrastructure and housing.

To fix the problem, their solution is to add fee after fee on your utility bills. They forget that the role of government is not to find more money, it is to use the money available responsibly.

NICK'S VISION FOR TIGARD

"I envision growth that is balanced and sustainable, that eases the strain of transportation and allows our local businesses to thrive by attracting more visitors. I want to see a safe, clean, thriving community of Tigard."

MAYOR NICK WILL

- Properly fund police without the need for a levy.
- Fund homeless programs that show results at solving the problem and promote accountability.
- Create more middle-income housing options and opportunities for first-time homebuyers.
- Support ALL Tigard businesses.
- Balance the budget through spending cuts. No more new taxes.

We must work together with other local governments and not be afraid to aggressively lobby the state for changes. Big issues like traffic on 99w, rising crime and homelessness, crumbling infrastructure, and lack of affordable housing requires a loud voice for the citizens of Tigard.

This election, it is your decision to choose Tigard's path forward. Do you want to maintain the status quo by electing someone that had a hand in creating the problem? Instead, elect a proven leader that can solve problems and create long-term change in Tigard that benefits everyone. The choice is yours.

Nick Hess is proudly not accepting endorsements from any politicians or special interest groups. Nick is Tigard's independent outsider candidate.

City Council

Jai Raj Singh

Occupation: Climate Resilience and Environmental Justice Director, Unite Oregon

Occupational Background: Community Outreach Manager, APANO; Community Organizer, OPAL Environmental Justice Oregon

Educational Background: BA, Environmental Studies, Emory University; MA, Urban and Regional Planning, Portland State University

Prior Governmental Experience: City of Tigard, Committee Member for Community Engagement; State of Oregon, Resilient Efficient Building Taskforce

A NEW VOICE FOR TIGARD

Jai Raj Singh is a child of immigrants who moved to America for a better life. Drawn to Tigard for the close-knit communities and livable neighborhoods, Jai Raj has dedicated his life to service towards others as a community organizer. He will bring his unique perspective and experience to uplift all Tigard residents.

Build a Healthy and Safe Community

For Singh, a healthy Tigard means safely connected streets, abundant and affordable housing, accessible parks, thriving wildlife, clean water & air, and opportunities to support our growing small businesses. As Councilor, he will work to ensure Tigard meets this vision of health and safety for the benefit of each community member.

Ensure Climate Resiliency

Cities around the world have declared a climate emergency. Jai Raj will advocate for Tigard to join them, and to support tangible policies to combat climate chaos.

Increase Community Engagement

Jai Raj will refine civic engagement processes to ensure that people of all backgrounds and income levels feel represented and heard.

UPLIFTING TIGARD TOGETHER

"As our rights come under attack, Jai Raj will protect reproductive healthcare access including the right to choose." - **Pro-Choice Oregon PAC**

"I trust Jai Raj to be the partner I need to tackle issues like housing, economic recovery, and climate resiliency." - **Nafisa Fai, Washington County Commissioner**

City of Tigard

City Council

Derrick Wright

Occupation: Owner, Senet Game Bar

Occupational Background: QAS Standard Insurance 17 years

Educational Background: Wilson High School / Diploma

Prior Governmental Experience: Town Center Advisory Commission

As a third generation Tigard resident, when it was time for me to decide where to open my first business, Senet Game Bar, Tigard was my first choice. I opened my bar on the same street my grandmother went to High School, my grandfather opened his first business, in the building I bought my first bicycle. Since the beginning, Senet has raised money for local charities, and I've been able to get to know some amazing organizations in our community doing great work.

I am currently a member of the Town Center Advisory Commission, working with the City to help shape the Triangle and Downtown areas. I am on my second year of working with the TCAC and have enjoyed working with members of the community, City Staff, City Council, non-profits and developers all wanting to see Tigard into its next phase of phenomenal growth.

Some of the things I hope to focus on as Council Member are:

- Support for the growing number of projects in the community. It isn't enough just to build buildings for housing and business. We must ensure that what we are investing in is reasonable and supported adequately.
- Keeping our community safe, whether you're walking, bicycling, driving or at work and home. To do this, it means working with the City Manager, the Police Department, ODOT, non-profit partners and representatives from the County and the State. Safety is more than a single topic buzzword; it means working in multiple ways and angles.
- Keeping Tigard affordable, I would focus on scrutinizing projects that ask our homeowners and businesses to pay more in fees and taxes. I would work with non-profit organizations to assist community members in need and solicit our State Representatives to bring Federal funds to assist in funding Tigard's goals.

(This information furnished by Derrick Wright.)

City Council

Tom Anderson

Occupation: Real Estate Broker

Occupational Background: Owner and Principal Broker of Tigard Real Estate

Educational Background: Washington State University, Humanities, BA

Prior Governmental Experience:

Tigard City Councilor; Tigard Planning Commission President; Board of Metro Regional Water Providers Consortium; Liaison to the Tigard Parks and Rec Board

Through my experience and leadership on Tigard City Council and Planning Commission, I worked effectively with city leaders. I'm known as someone who listens first and asks questions before coming to conclusions. My top three issues are public safety, responsible growth, and economic development.

Public Safety

I support modern, data-driven policing to keep our citizens safe. This includes body cameras, current training, and improved facilities.

Responsible Growth

With Tigard now over 50,000 residents, we need to develop our land and resources responsibly. I want to keep the traditional suburban feel we all enjoy while bracing for future population forecasts with creative density solutions.

Economic Development

I support Tigard's economic development vision for attracting business that will thrive in Tigard by utilizing our educated local workforce, great location, and varied facilities. Affordable housing is another key component to our economic success.

Proudly endorsed by:

Roy Rogers, Washington County Commissioner

Margaret Doherty, Former Oregon State House of Representatives District #35

Jason Snider, Mayor of Tigard

John Cook, Former Tigard Mayor

Craig Dirksen, Former Tigard Mayor, Former Metro Councilor

Liz Newton, Tigard City Councilor

Marland Henderson, Former Tigard City Councilor

City of Tigard

City Council

Yi-Kang Hu

Occupation: Lawyer; Business owner

Occupational Background: 17 years regulatory (FDA) law experience; Research scientist

Educational Background: JD - Lewis & Clark Law School; Ph.D. - Biochemistry & Molecular Biology - OHSU; BA - Reed College

Prior Governmental Experience: Tigard Planning Commission President; Tigard Transportation Advisory Committee; Oregon Long-Term Care Ombudsman; Oregon Board of Naturopathic Medicine

Community Service: Tigard Community Emergency Response Team; Legal Aid Lawyer representing domestic violence victims

“Yi’s experience, vision, and dedication would make him a great asset to the city council.” -Tigard Mayor Jason Snider

About Yi-Kang Hu

A Tigard resident for 16 years, I’m running for Tigard City Council to bring my experience as a community leader, lawyer, and business owner to better serve the residents, businesses, and community organizations that help Tigard thrive.

Vision for Tigard

A safe, vibrant, and well-maintained city where everyone can enjoy a high quality of life.

Policy Priorities

- Transportation and road improvements, walkable and bikeable communities
- Housing options for all income levels
- Economic development, job creation
- Fully funded public safety system that protects all community members equally
- Improve and expand parks and recreation

As Tigard’s population grows, we need to ensure we’re growing in a smart and sustainable way. Please vote for Yi, so we can build a stronger Tigard community together.

City Council

Karen Marrello

Occupation: Mortgage lender, small business owner

Occupational Background: 20 years in the Mortgage industry, property management

Educational Background: University of the Pacific Finance B.S.

Prior Governmental Experience: None

I love Tigard and I can help make it an even better place to live by engaging the community needs and interests of hard-working families and business who continue to struggle. I learned at an early age what it takes to raise a family and understand how public safety, and education and community resources for the underserved are valued by the community at large.

Raised by a single mother, I started working when I was 14 years old. I learned very early in life the value of contributing to my family as well as my community. As the mother of two school aged children, I am very passionate about living in a safe community that embraces inclusion, support, and respect for all.

I have an innate ability to listen and understand multiple perspectives from all sides of an issue. I commit to speak honestly and directly and to listen sincerely with a focus on creating realistic solutions. I want to speak with you, hear you and be a true representative and delegate for you.

Community Service Involvement

- HOA Board member
- Driver and sorter for With Love
- Chamber of Commerce member (prior Ambassador)

Karen Supports

- Expanding support for stimulating current Tigard businesses
- Encouraging new business to open in Tigard
- Educating Tigard residents about the need to shop local which supports community
- Advocate for Affordable Housing
- Work with Homebuilders, developers, and city planners to find both green and affordable housing options
- Educate renters about opportunities that help to develop incentives for home ownership
- Solutions that bridge the gap between mental health, drug addiction and homelessness

Proudly Endorsed By

Marc Woodard, Former Tigard Councilor

“Karen is all about wanting to help make our community a better place to live for everyone. Her passion is genuine, she’s keenly astute and would make a great addition to the council.”

Occupational Background: Controller/Project Manager: E3, Oregon Business Council's education nonprofit

Educational Background: Indiana University, B.S. in Accounting; Purdue University, M.S. in Management

Prior Governmental Experience: Teacher Standards and Practices Commission

Community

As a 24-year Tigard resident, I care about our quality of life. I champion children's opportunities, which start with a vibrant community – affordable housing, walkable and safe neighborhoods, easy access to parks, and a strong local economy.

I have a proven record in public governance, fiscal stewardship and bringing people together to make decisions. As school board chair I worked closely with students to eliminate pay-to-play fees, and advocated for policies that ensure students feel safe, included, and valued, with equitable opportunities for success.

Call to Action

I will advocate for:

- Accessible and Affordable Housing: 28% of Tigard residents are rent burdened. The city needs over 4,500 affordable units and expanded options.
- Sustainable Solutions for Homelessness: Address root causes and enhance partnerships to develop long-term housing options and support services.
- Decreased Traffic Congestion: 99W is a challenge and new developments increase neighborhood congestion. Alternative routes must be identified.
- Climate Action: We have both a moral obligation and economic imperative to mitigate climate change.
- Digital Access: Connectivity must be universally accessible.

City Council

Austin E. Johnson

Occupation: Senior Marketing Operations Manager

Occupational Background: US Navy

Educational Background: Hawaii Pacific University, General MBA, MBA; Hawaii Pacific University, BSBA Marketing, BSBA; Stephen Decatur Secondary School (DoD), High School, High School Diploma; Tigard High School, High School, NA

Prior Governmental Experience: NA

I was raised in Tigard from the ages of 3-15. I'm a Father of two, a Navy veteran, I hold a General MBA, a BSBA in Marketing, and I was a cub/boy scout. I've traveled the world in between then and moved back to Tigard six years ago. We wanted our family to be raised in a friendly, safe, and progressive city with access to larger cities while keeping the hometown feel. **Tigard was it.**

Professionally, I've worked in various Marketing roles over the past 12 years, and one thing I'm good at is analyzing data and reporting on it in meaningful and straightforward ways, then turning that information into strategic plans to improve the company, just like I would for Tigard. In the military, I excelled within rigid government structure and protocols (plus, I got to drive a submarine). In this role, I intend to use both skillsets to take community feedback and convert it into actionable items that make a happy and healthy Tigard.

I'm running for City Council because I want to give back to the city that helped shape me and push it in an eco-friendly and sustainable direction. My priorities would be:

- All things **Green:** new development, solar power, electric charging stations, public transportation, trees, bike lanes, and more
- **Diversity:** expanding Tigard's cultural awareness and bringing a tighter sense of community
- **Local businesses:** overcoming the existing COVID hurdle, how to be better prepared and supported in the future

I'm not afraid to tackle issues like rail, how to fight off an opioid epidemic, and even domestic chicken houses. Let's move Tigard forward.

City of Tualatin

Mayor

Frank Bubenik

Occupation: I.T. Consultant, Small Business Owner

Occupational Background: US Army Officer, Programmer/Analyst

Educational Background: Rochester Institute of Technology, Criminal Justice, B.S.; SUNY Albany, MBA

Prior Governmental Experience: Mayor of Tualatin 2019 to Present Tualatin City Council, 2011 to 2018; Board member of Neighbors Nourishing Communities and Tualatin Historical Society; Vice-Chair of the Washington County Coordinating Committee, Chair of the Small Cities Consortium of Greater Portland Inc, and a member of the Tualatin Aging Task Force

The last four years have been challenging with COVID-19, wildfires, ice storms, and social unrest, but I remain committed to Tualatin residents and businesses in continuing the progress the city has made. I want the city to be socially cohesive and inclusive and want to make sure that no section of the community is left behind as it grows. I will continue to work for what matters most to the people who live, work, and play here. Above all, I will put our community values first, working together with residents, businesses, and local/regional/state governments for the future of Tualatin.

I am proud of the following accomplishments:

- Tualatin Moving Forward – 22 projects completed, 12 underway, and 6 to complete in the future.
- 102 businesses received CARES fund grants to help them make it through the pandemic.
- A commercial and residential eviction moratorium during the COVID pandemic and the implementation of an emergency rent and energy assistance program.
- The planning of the Veterans Plaza and the Stoneridge Park redesign.
- The opening of the Jurgens Park dog off leash area.
- The community conversations on police use of force sessions and creation of the Mental Health Response Team.
- Advocating on behalf of Tualatin residents on ODOT's tolling plans, TriMet's SW Corridor plan, and other regional transportation projects.
- The initiation of a Climate Action Plan.
- Working with Community Partners for Affordable Housing to develop Plambeck Gardens in the Basalt Creek area.
- Developing strategies to meet future housing needs.
- Convening of the Equity Committee Planning Group.

Thank you for your vote.

City Council Position 3

Maria A. Reyes

Occupation: Director of Development

Occupational Background: Oregon Zoo Foundation - 501(c)(3) nonprofit. A philanthropic partner of the Oregon Zoo.

Educational Background: University of Phoenix, Bachelors of Science, Human Services Management

Prior Governmental Experience: I am just finishing my first term as a city councilor in Tualatin.

I am seeking re-election to serve a second term as a city councilor for the City of Tualatin. As a first-generation public servant, I have learned so much about how to improve my community. In the last four years, we have completed and started working on projects that were already planned by Tualatin and our previous city council; for instance, Tualatin Moving Forward, housing and business development at Basalt Creek, advanced our mission of inclusion, diversity, and equity, and supported city staff and residents of Tualatin with the Tualatin 2040 Plan. I'm excited, motivated, and committed to supporting the new endeavors that the residents of Tualatin are interested in. I'm committed to housing for families that live and work in Tualatin, especially families who are from underrepresented backgrounds. I am supporting the Parks Bond to restore and maintain our parks and provide a great quality of life for our residents. I'm looking forward to the future of our beautiful city!

Bridget Brooks

Occupation: Tualatin Sustainability Network, Founder

Occupational Background: Licensed Clinical Social Worker Brooks Appraisal Services, Co-Founder

Educational Background: Wayne State University, Social Work MSW

Prior Governmental Experience: Precinct Committee Person

Four years ago, I was elected as a Tualatin City Councilor. I discussed why we moved here- a solid financial investment and a low stress environment, a quality I deeply value. I promised to be of service to our community, protecting our physical and fiscal health and resiliency, while working to keep us moving forward without leaving people behind.

We faced a lot: a global pandemic, fires, extreme heat, ice storm; and racial unrest. I'm proud of the strong regional leadership we demonstrated with program helping businesses navigate the pandemic that was adopted county-wide. Psyche Grant programs offering hope and well-being - holiday lights parade. We worked together to safely move through the pandemic. We are climate leaders: rising to challenges with support from CERT and improving policy with CAP and community engagement. Our community and police department came together after the murder of George Floyd. We initiated an Equity Committee Planning Group.

This just skims the surface! Successful traffic bond, housing needs analysis, & parks funding and more.

I've worked hard with my colleagues and have more to do!

City of Tualatin

City Council Position 5

Octavio Gonzalez

Occupation: HOA Landscape Account Manager

Occupational Background: Banking/Finance – 4 years; Small Business Owner – 7 years

Educational Background: Clackamas Community College, Business and Landscape

Prior Governmental Experience: Current Tigard-Tualatin School District Budget Committee, 2019 - Present

I was born in Mexico to migrant parents. I have been married for 26 years to my high school sweetheart. We have been residents of Oregon for 26 years, and residents of Tualatin for 11 years where we are raising our two young children. I am bilingual and bi-cultural and have the unique ability to bridge communities together. I will lend a new voice and much needed representation to our growing community. I will bring needed representation to the city, its policies, and culture. I understand the challenges many low income and underrepresented families face daily – I have lived them myself!

A Professional Business Leader:

- Extensive experience in finance, business, and contract negotiations.
- Oversees large HOA communities consisting of 6,500 individual homes.
- Works with 28 different community-elected boards.
- Brings collaboration between community members and Boards to develop long-term budgets affecting HOA dues and long-term property values while implementing conservation measures.

I Will Place a High Priority On:

- **Crime** is becoming a bigger issue year over year, and many families are not feeling safe.
- **Promoting workforce development** and vibrant businesses with family-wage jobs.
- **Protecting and enhancing** our natural resources and parks.
- **Safe neighborhoods** and housing opportunities that are affordable with diverse housing options for all life stages.
- **Reducing home insecurity and homelessness** by collaborating with local organizations and the county.
- Partnering with the Tigard-Tualatin School District #Workready programs for **career exploration and developing a skilled workforce** after graduation.

To remain non-partisan, I have chosen not to accept any endorsements. I am an active member in the community. I love this community and want to give back to the City of Tualatin.

For positive change, open and honest communication is the key. My passion is community-building.

City Council Position 5

Kelly Horsford

Occupation: President, Edward Byrom School Garden

Occupational Background: Founder of Edward Byrom School Garden (nonprofit); Registered Nurse; AmeriCorps

Educational Background: Tigard High School; University of Idaho; Portland State University;

Portland Community College

Prior Governmental Experience: City of Tualatin Budget Committee

Kelly Horsford, Community Builder:

Edward Byrom Elementary PSO; Treasurer (4 years); Vice-President (2 years)
Edward Byrom Elementary Art Literacy (7 years)
Edward Byrom Elementary Volunteer of the Year
TTSD Student Success Act
Founder, Edward Byrom School Garden

About Kelly:

I am a native Oregonian, wife, mother, nurse, community builder, advocate, and school garden coordinator. I grew up in Tualatin and moved back to the city I love 10 years ago with my husband to raise our kids in the city that raised me. I remember summers with the heavy smell of the dog food factory!

As an active community member, I recognize the importance of coming together to listen, advocate, and mobilize priorities that are meaningful to residents in our community. I value building relationships, and ensuring a safe, welcoming community for everyone. My experience in healthcare lends a holistic approach to community service. I will promote a sustainable, equitable, healthy community where no one is left behind. Every resident matters.

Priorities

- Tualatin Moving Forward Parks Bond.
- Tualatin's Climate Action Plan.
- Affordable Housing.
- Support the Urban Renewal Plan to create a dynamic downtown.
- Community safety free from extremism, hate, and fear.
- Support alternatives to the current proposed I-205 tolling plan.
- Continued support for diversity, equity and inclusion.
- Engaging our youth.
- Supporting local businesses.

City Councilor

Katie Dunwell

Occupation: Digital Strategist; Marketing Manager

Occupational Background: Vice President of Marketing; Partner, Investment Banking

Educational Background: Portland State University, BA

Prior Governmental Experience: Wilsonville Development Review Board

Why I'm Running for Wilsonville City Council

If I can make our community better by serving on the City Council, then my time of service will be a success. Following the role of my parents, I will serve the community with a spirit of leadership and cooperation. I will be tenacious and courageous to best serve all the people of Wilsonville.

- **Responsible Leadership** I believe that every elected official must consider how their decisions may impact future generations. I support Wilsonville's investment in access to affordable housing, quality education, well-funded public safety and services, and protection of the precious natural resources in the Willamette Valley from unchecked development.
- **Safe Community** Every person who lives in Wilsonville should feel they are safe and supported by law enforcement and services if a need arises. I support investment in Wilsonville's excellent police force and our continued partnership with the Clackamas County Sheriff's Office.
- **Transportation** Traffic congestion is a reality for Wilsonville. Our City Council must have a seat at the ODOT table when decisions such as tolling impact Wilsonville citizens.
- **Addiction and Mental Health** There is an undeniable correlation between addiction, mental health, and homelessness. I support a robust plan for Wilsonville to address these root causes.
- **Business Development** I believe Wilsonville's leaders must acknowledge the value of small business and larger private sector growth to a strong fiscal structure, while first and always respecting the precious agricultural and natural resources of the Willamette Valley.

Tualatin Soil & Water Conservation District

At Large, Position 2

Dean P. Moberg

Occupation: Director, Tualatin Soil and Water Conservation District (SWCD); Volunteer, Natural Resources Conservation Service (NRCS); Board Member, Cedar Mill Farmers Market.

Occupational Background: Conservationist, NRCS; high school teacher; farm worker.

Educational Background: OHSU, Environmental Science and Engineering, PhD; Cornell University, Teaching, MA; UC Davis, Plant Science, BS.

Prior Governmental Experience: Tualatin SWCD Director (current); NRCS Conservationist (retired).

Memberships:

- Soil and Water Conservation Society
- Portland Audubon
- Tualatin Riverkeepers
- Tualatin Valley Beekeepers Association

My record:

Currently a Director of the Tualatin SWCD, I previously worked 35 years for NRCS. In these positions, I helped people voluntarily conserve natural resources on their land in a fiscally responsible manner:

- plant native trees along 50 miles of streams,
- prevent water pollution,
- make forests resistant to wildfire,
- improve wildlife habitat,
- increase irrigation efficiency,
- safely store manure for use as fertilizer,
- support local agriculture.

If re-elected, I will:

- Listen.
- Ensure the SWCD helps both rural AND urban residents conserve natural resources.
- Continue the SWCD's impressively successful programs. Expand efforts to improve forest and soil health, sequester carbon, conserve energy, improve pollinator and songbird habitat, adapt to climate change, maintain farm and forest viability, and establish community gardens.
- Ensure fiscal transparency and accountability.
- Ensure the SWCD is a diverse, inclusive organization that focuses on equity.

Tualatin Soil & Water Conservation District

Director Zone 4

No Photo Submitted

Anna K. Jesse

Occupation: Farmer; Conservationist.

Occupational Background: Farm Laborer; Wine Tasting Room Associate; Winery Operations Assistant; Food Industry Server.

Educational Background: Valley Catholic High School – Diploma; Oregon State University, College

of Agriculture - Bachelor of Science, Major: Agricultural Business Management, Minor: Agricultural Sciences, Option: Fish & Wildlife; Currently working towards a Graduate Certificate in Water Conflict Management and Transformation at Oregon State University, College of Earth, Ocean, and Atmospheric Sciences.

Prior Governmental Experience: Tualatin Soil and Water Conservation District Director, September 2017 – Present; Cornelius Rural Fire Protection District Director, September 2019 – Present.

As a native to Washington County and a fifth-generation farmer, I recognize and prioritize the importance of our natural resources to the health of our community. Clean water and healthy soil are the foundational elements of our natural world and directly affect the quality of life of all who work, recreate, and reside here. When effectively managed, our natural resources perform their essential environmental duties while also creating opportunity for and supporting economic development. If re-elected, I will continue to support and prioritize:

- Conservation and agricultural education for **everyone** in our community.
- Restoration and responsible maintenance of natural resources.
- Uniting rural and urban communities.
- Creating opportunities for community members to engage with their natural environment.

My ultimate goal is to continue to support and protect the health of our Natural Resources in Washington County for future generations. I strongly believe that education is the key to accomplishing that goal. Active participation is the best course for supporting education, and providing opportunities for that participation should remain a top priority for our District. I truly believe, **conservation is for everyone.**

(This information furnished by Anna K. Jesse.)

Director Zone 4

Olivia Duren

Occupation: Restoration Program Manager, The Freshwater Trust

Occupational Background: Biologist

Educational Background: MS, Oregon State University

Prior Governmental Experience: Oregon Invasive Species Council

The Tualatin watershed is integral to our local economy, environment, and community well-being. As a local resident of Gaston, I seek to serve on the Tualatin SWCD Board of Directors to:

- Help develop innovative conservation solutions in partnership with local stakeholders that build watershed and community resilience in a changing world.
- Ensure farmers have access to technical resources that help support healthy soils, water, and air that drive our agricultural economy to thrive for generations to come.
- Promote smart planning and land use to preserve rural land and community access to natural areas in Washington County.

In my professional work as a Restoration Program Manager I partner with Oregon landowners, municipalities, and community stakeholders to build common-sense conservation solutions that work for both people and watersheds. I build teams and programs that replant streamside forests to achieve state water quality goals - landowners benefit from hosting thriving habitat, fish benefit from cooler cleaner water, and communities benefit from cost-effectively meeting their water quality compliance obligations. As a local landowner I have collaborated with the Tualatin SWCD to restore resilient oak habitat on our property and I have experienced firsthand the professionalism and dedication that SWCD staff bring to their work. I seek to be a member of the Tualatin SWCD Board of Directors to invest my 20 years of professional conservation experience to support SWCD staff in advancing their important mission. Together we will make a positive and lasting impact on our local watersheds and the communities they support.

(This information furnished by Olivia Duren.)

Tualatin Soil & Water Conservation District

Director Zone 5

Luke VanderZanden

Occupation: Farm Operations Manager at Sunset Farm and Nursery. Also, Operations Manager at R & B Cleaner.

Occupational Background: Previously worked as a crop consultant, a sales representative at a nursery and as a timber cruiser in the forestry industry.

Educational Background: Bachelor of Science - Resource Conservation, University of Montana

Prior Governmental Experience: None

After growing up in Washington County, I moved back to North Hillsboro in 2018 to farm alongside my parents. I am honored to be the fourth generation working on our family farm. In my 6 years away from Hillsboro, I earned a bachelor's degree in resource conservation, was employed in the forestry industry in Montana and gained valuable horticultural experience in Texas. These various chapters have never failed to show me the importance of healthy soil and clean and abundant water. As a farmer, being a good steward to the land is my top priority; this priority will remain as a member of the Tualatin Soil and Water Conservation District. As a board member of Tualatin SWCD, I will work with my counterparts to ensure the conservation of all the natural resources our district has to offer. It is important to work with our community to provide ongoing education, supply current and relevant information and opportunities for involvement. We live in an area that is abundant in beauty and resources - valuable and precious resources we need to pass along to the next generation. As someone who has many years ahead of them in their career, I look forward to maintaining and preserving the vital natural resources we have here. My values, education, background and experience are well-suited for this elected position, and it would be an honor to serve my local community in this role.

(This information furnished by Luke VanderZanden.)

The above information has not been verified for accuracy by the county.

Director Zone 5

Norie Dimeo-Ediger

Occupation: Director of K-12 Education Programs, Oregon Forest Resources Institute (2000-present)

Occupational Background: I have worked in the field of education for more than 30 years, including managing and directing programs and teaching at the K-12 and university levels.

Educational Background: Portland State University: BS, Biology; MST, Biology; MS, Education

Prior Governmental Experience: Director, Banks School Board (2009-2021)

As a lifelong resident of Washington County, I am a strong advocate of Tualatin Soil and Water Conservation District and the work they do to provide assistance and education so people are able to identify issues and implement sustainable solutions that conserve and enhance natural resources.

I have worked in the field of natural resources education for over 20 years and appreciate the role of education in helping people understand the environmental, economic and societal importance of natural resources including, healthy soil and clean water.

If elected to the board, I will apply my knowledge of our county, how it has changed over time, and my experience working in natural resources education to support Tualatin Soil and Water Conservation District programs and help identify strategic directions that encourage both urban and rural residents of our county to work together toward sustainable solutions. I will work collaboratively with my colleagues on the board and staff to support the mission of Tualatin Soil and Water Conservation District in protecting natural resources and creating a healthy productive community in Washington County.

(This information furnished by Norie Dimeo-Ediger.)

City of Portland

Measure No. 26-228

Ballot Title

Amends Charter: Changes Portland's Government Structure and Process for Electing City Officials

Question: Should Administrator manage city government, 12-member Council (three from each district) make laws, voters elect officials using ranked choice process?

Summary: Charter Commission's proposal to change structure of Portland city government.

Currently, City Council includes one Mayor and four Commissioners elected citywide. Council makes laws; Mayor and Commissioners directly manage bureaus. Voters choose one candidate per office in citywide primary elections with runoff elections if necessary.

If measure is approved:

- City Administrator, supervised by Mayor, manages daily operations, including hiring, firing, and supervising bureau directors
- Council expanded to twelve members; City divided into four geographic districts created by Independent District Commission; three Councilors elected to represent each district
- Council makes laws. Mayor may introduce laws, vote to break ties on non-emergency ordinances
- Independent Salary Commission sets elected officials' salaries
- City elections use "ranked choice voting" process that allows voters to rank candidates in order of preference instead of casting a single vote; primary elections eliminated. For citywide offices (Mayor, Auditor), votes tallied in rounds until single candidate receives majority. For Councilors, votes tallied and reallocated in rounds until three candidates in each district meet election threshold.
- Cost estimate: \$900,000 to \$8.7 million annually
- Includes other provisions

Explanatory Statement

The Portland Charter Commission recommends amending the City Charter to reform the structure and operation of city government. The recommendations, made after months of study and community engagement, are supported by seventeen of the twenty Charter Commission members.

The measure includes three interdependent reforms:

(1) City Administrator, supervised by Mayor, manages City

Currently: City Council, consisting of Mayor and four Commissioners, exercises legislative and executive powers. Executive power includes managing city bureaus.

If measure is approved: City Council continues to exercise legislative power to make laws. A City Administrator hired by Mayor and confirmed by Council exercises executive power to implement laws and manage city bureaus. City Administrator hires, fires, and supervises bureau directors. Mayor is not a member of City Council but may introduce laws and break tie votes on non-emergency ordinances. An Independent Salary Commission of human resource professionals sets elected officials' salaries.

(2) City Council expanded to 12; three from each of four new geographic districts

Currently: City Council consists of five members—one Mayor and four Commissioners—elected citywide.

If measure is approved: City Council expands to 12 members, elected from four new geographic districts, with three Councilors representing each district. An Independent District Commission draws district boundary lines, to be adjusted every decade beginning in 2030 based on census population data.

(3) City officials to be elected using "ranked choice voting" process

Currently: Qualified Portland voters cast one vote for each candidate for each office in citywide election for Mayor, Auditor, City Council members. If no candidate for an office receives more than 50% of votes at May primary, the top two candidates compete in November runoff election.

If measure is approved: Voters may rank candidates in order of preference, with votes tallied in rounds until there is a winner. Ranked choice voting results in one general election, eliminating primary elections.

Ballot tallying methods depend on the office. For officials chosen at a citywide election—Mayor and Auditor—an "instant runoff" process is used to count ballots in rounds. If no candidate receives over 50% of the votes in the first round, the candidate receiving fewest votes is eliminated, and that candidate's votes are transferred to each voter's next-highest ranked candidate. The process continues for as many rounds as necessary until a candidate exceeds a 50% majority. For City Council seats, a "single transferrable vote" method is used. Candidates win when they exceed a threshold set by the number of available positions. Ballots are counted in rounds; any candidate exceeding the threshold is elected, and that candidate's votes above the threshold are proportionally transferred to other candidates based on voters' preference. The candidate receiving the fewest votes each round is eliminated, and that candidate's votes are transferred to other candidates based on voters' preferences. The process continues for as many rounds as necessary until all positions are filled.

The City Budget Office estimates the cost of implementing the measure is about \$900,000 to \$8.7 million annually, representing about 0.1 to 1.4% of Portland's discretionary funding.

Submitted by:
Mary Hull Caballero, City Auditor
City of Portland

No Arguments in Opposition of this measure were filed.

City of Portland

City of Cornelius

Measure No. 26-228 Arguments

Measure No. 34-318

Argument in Favor

Portland is ready for positive change.

Measure 26-228 will upgrade our city government to a more responsive and efficient structure that will better deliver city services. With ranked choice voting and multi-member city council districts, this measure will give greater representation for all Portlanders.

Changing our city charter will give everyone more voice, more choice — including communities of color, women, the working class, and East Portlanders.

This measure is a thoughtful, comprehensive overhaul to get our government working for the people again.

Measure 26-228 is supported by a broad coalition, including:

- League of Women Voters of Portland
- Business for a Better Portland
- ACLU of Oregon
- NAACP Portland Branch
- Coalition of Communities of Color
- Portland Association of Teachers
- Basic Rights Oregon
- SEIU Local 49
- LiUNA Local 737
- City Club of Portland
- Urban League of Portland
- Native American Youth And Family Center
- Latino Network
- Asian Pacific American Network of Oregon (APANO)
- Next Up Oregon
- Sightline Institute

Community leaders say YES on Measure 26-228:

- Secretary of State Phil Kiesling (vote-by-mail champion)
- Small business owners Debbie & Jim Kitchin, Nat West, and Chris Nelson
- State Senators Michael Dembrow, Kayse Jama, and Akasha Lawrence Spence
- State Representatives Khanh Pham, Maxine Dexter, and Andrea Valderrama
- Metro Councilor Duncan Hwang

View all supporters at PortlandUnitedForChange.com/endorsements

Measure 26-228 will:

- Balance power between the Mayor and City Council
- Change City Council's duties to setting policy and solving big problems rather than managing city services day to day
- Allow voters to rank candidates in order of preference
- Increase the size of City Council to 12
- Create four geographic districts electing three City Council members each
- Grant the Mayor executive and administrative tasks, including appointment and supervision of a professional City Administrator who manages city bureaus.

It's time to make Portland the city that works for *everyone*.

Vote YES on Measure 26-228!

Prohibits Psilocybin Businesses Within Cornelius

Question: Shall the City of Cornelius declare a ban prohibiting psilocybin-related businesses and manufacture of psilocybin products within Cornelius?

Summary: State law allows for the manufacturing, transportation, delivery, sale, and purchase of psilocybin, the psychedelic drug found in certain mushrooms. State law provides that a local government may adopt an ordinance to be referred to the voters to prohibit the establishment of licensed psilocybin product manufacturers and/or psilocybin service centers.

The Cornelius City Council adopted an ordinance prohibiting the establishment of psilocybin product manufacturers and psilocybin service center operators within the City, which was referred to the voters per state law.

Approval of this measure would prohibit the establishment of psilocybin product manufacturers and psilocybin service center operators within Cornelius city limits.

Explanatory Statement

Approval of this measure would establish a prohibition on psilocybin product manufacturers and psilocybin service centers within the City of Cornelius. Psilocybin is the psychedelic drug derived from certain mushrooms.

Oregon voters legalized psilocybin through Ballot Measure 109 in 2020, which directs the Oregon Health Authority (OHA) to develop a psilocybin licensing and regulatory program for the state by January 2, 2023. As a result, OHA intends to begin accepting applications for licenses for psilocybin product manufacturers and psilocybin service centers in January, 2023.

Ballot Measure 109 allows a local government to adopt an ordinance to be referred to the voters that prohibits the establishment of psilocybin-related businesses. The Cornelius City Council has adopted such an ordinance to prohibit the establishment of psilocybin product manufacturers and psilocybin service centers within the City of Cornelius.

City of Tualatin

Measure No. 34-317

Ballot Title

Authorizes General Obligation Bonds for Trails, Parks and River Access

Question: Shall Tualatin issue \$25,000,000 in general obligation bonds for trails and natural areas, sports fields, parks, and Tualatin River access? *If the bonds are approved, they would be payable from taxes on property or property ownership that are not subject to the limits of sections 11 and 11b, Article XI of the Oregon Constitution.*

Summary: The measure would authorize up to \$25,000,000 in principal amount of general obligation bonds to finance capital costs related to trails, natural areas, sports fields, parks, and river access; and is expected to include a new east-west trail corridor and public access point on the Tualatin River, new and improved sports fields, and parks improvements citywide.

New trails would create connections to reduce traffic, improve pedestrian safety, and promote healthy transportation options. Expanding trail connections would make parks, schools, and transit stops accessible to more community members.

Access to and creation of sports fields in City parks and through cost-effective partnerships with the School District, would provide places for youth health and wellness.

Creating a new riverfront destination in Tualatin's downtown would enhance local businesses, provide environmental education opportunities, and create a place for river access.

If approved, the tax rate is estimated to increase by 29 cents per \$1,000 of taxable value. Actual rates may differ based upon interest rates incurred and changes in assessed value.

Explanatory Statement

The measure would authorize up to \$25,000,000 in principal amount of general obligation bonds to finance capital costs related to trails, natural areas, sports fields, parks, and river access.

Creating new trail connections, providing areas for community sports, connecting with the Tualatin River, and acquiring natural areas are high priorities for the Tualatin community. Proposed projects to be funded by the bond would meet these priorities.

Based on community feedback, several high priority projects have been identified. The measure is expected to fund the following:

- Create new trail connections to improve access and pedestrian safety
- Create new and improved sports fields in city parks and in a cost-saving partnership with the Tigard-Tualatin School District
- Establish a new accessible waterfront destination point on the Tualatin River in the downtown area that would create a place for river access and water sports
- Upgrade existing parks citywide
- Renovate the plaza at the Lake of the Commons into a space that will recognize and honor Veterans
- Acquire and protect natural areas

This list of projects was identified and screened to best align with community needs and desires.

These local connections and community health and wellness investments cannot be constructed in a timely manner without the proceeds from this proposed park bond measure.

Current funding only allows for basic maintenance each year, limiting Tualatin's ability to address critical needs and community priorities identified by residents and businesses. The bond would allow Tualatin to provide new parks improvements citywide.

If approved, the tax rate is estimated to increase by 29 cents per \$1,000 of assessed taxable value. Actual rates may differ based upon interest rates incurred and changes in assessed value.

Measure No. 34-317 Arguments

Measure No. 34-319

Argument in Favor

Vote 'Yes' on Measure 34-317 to improve the lives of everyone who lives, works, and plays in Tualatin.

Measure 34-317 will pay for greatly needed updates and improvements in our parks and greenspaces and allow the city to complete projects to positively change the landscape of our city for generations to come. Parks are not only about recreation and beauty, but they also contribute to improved livability and a strong local economy.

When a city has a strong parks system:

- Home values increase
- Crime rates decrease
- People are healthier - mentally and physically
- Tourism increases providing a boost for our economy
- Water and air are cleaner
- Climate change is combatted by protecting greenspaces and providing alternative modes of transportation

Your 'Yes' vote will help make the following reality:

- Tualatin River waterfront showcasing our vibrant waterway, increasing access for everyone.
- Increased sports fields for year-round play and allowing our city to host athletic events.
- A trail connecting the East and West sides of Tualatin, increasing movement through the city.
- Improvements to parks such as Stoneridge and others which have been previously neglected.
- Completion of a beautiful Veteran's Plaza to honor veterans and provide a gathering space.

Tualatin has long been known as a community with great parks. For too long, we have been unable to adequately fund these resources. The need now is critical. Your 'Yes' vote will ensure Tualatin is a place where parks remain key to a healthy economy and high quality of life.

Join us, say 'Yes' to parks!

Yes for Tualatin Parks

Ballot Title

Prohibits Psilocybin-Related Businesses in Banks. Prohibition Sunsets After 2 years.

Question: Shall the City of Banks prohibit psilocybin-related businesses in the City for two years?

Summary: State law allows operation, manufacture, distribution and possession of psilocybin. State law provides that a city council may adopt an ordinance to be referred to the voters that prohibits the establishment of any of those registered or licensed activities for 2 years. Approval of this measure would prohibit the establishment of psilocybin product manufacturers and psilocybin service center operators within the City of Banks until December 24, 2024.

Explanatory Statement

Approval of this measure would prohibit the establishment and operation of psilocybin-related businesses within the city for 2 years. The city council may adopt an ordinance prohibiting the establishment of psilocybin related businesses within the city, but the council must refer the ordinance to the voters at a statewide general election. The Banks City Council adopted Ordinance 2022-08-01 on August 9, 2022, which prohibits the establishment of psilocybin-related businesses within the city and referred the measure to the voters. If approved, this measure would prohibit psilocybin-related businesses everywhere within the city until December 24, 2024

Respectfully submitted,

Measure No. 26-225

Ballot Title

Renews Local Option Levy; Protects Natural Areas, Water Quality, Fish

Question: Should Metro protect water quality, fish, natural areas, parks; renew 5-year operating levy, 9.6¢ per \$1,000 assessed value, beginning 2023?

This measure renews current local option taxes.

Summary: This levy does not increase tax rates. It continues the same rate previously approved by voters.

The levy protects water quality, restores fish and wildlife habitat, and connects people with nature across 18,000 acres of parks, trails and natural areas. The levy funds ongoing restoration of natural areas acquired through three voter-approved bond measures. It also improves people's access to nature, by maintaining Metro parks and natural areas, providing nature education for visitors and schoolchildren, and supporting community-led nature projects and programs.

If renewed, the levy will continue to:

- Maintain and improve water quality in local rivers and streams
- Protect and restore habitat for salmon, other native fish
- Restore wetlands, forests and floodplains providing habitat for birds, wildlife
- Manage natural areas to better withstand heat, wildfire, extreme weather
- Maintain parks and trails; maintain and improve restrooms, picnic shelters, play areas, trailheads, and other visitor facilities and services
- Increase opportunities for children from low-income families and communities of color to connect with nature

A home assessed at \$250,000 would pay \$24 per year for five years.

If renewed, the proposed rate (9.6¢ per \$1,000 assessed value) will raise \$18,065,947.00 in 2023-24, \$18,833,750.00 in 2024-25, \$19,634,184.00 in 2025-26, \$20,468,637.00 in 2026-27 and \$21,338,555.00 in 2027-28.

Explanatory Statement

Measure 26-225, renewal of the Metro Parks and Nature Local Option Levy, will protect clean water, restore fish and wildlife habitat, and increase opportunities for people to connect with nature across 18,000 acres of regional parks, trails and natural areas.

Voters first approved the Parks and Nature levy in 2013, and renewed it in 2016. Since 2013, the levy has provided dedicated funding to restore and maintain habitat and connect people with nature, making our region more livable as our population grows.

If passed, this measure would renew the levy for five additional years at its current rate: 9.6 cents per \$1,000 of assessed value, or \$24 annually for a home assessed at \$250,000. Renewal will not increase the tax rate currently paid by homeowners in Clackamas, Multnomah and Washington counties.

What would passing Measure 26-225 do?

Improve water quality, restore fish and wildlife habitat

About half of levy funding will support ongoing restoration of parks and natural areas managed by Metro across the greater Portland region – more than 18,000 acres from Chehalem

Ridge near Forest Grove to the Sandy River near Gresham, from Chinook Landing and Broughton Beach on the Columbia River to Graham Oaks near Wilsonville.

If passed, this measure will provide funding to:

- Improve water quality in the Willamette, Clackamas, Tualatin and Sandy rivers, and area creeks and streams
- Restore habitat for salmon and other native fish in local rivers and streams
- Restore threatened and rare plant communities, control invasive weeds
- Enhance wetlands, forests and floodplains to protect critical wildlife habitat
- Manage natural areas to better withstand hotter summers, extreme weather and wildfires

Provide access to nature for people

About half of levy funding will connect people with nature across greater Portland. Levy funding will maintain safe and welcoming visitor facilities and services at 17 developed parks, such as Blue Lake and Oxbow, Smith and Bybee Wetlands, Chehalem Ridge, Cooper Mountain, Mount Talbert, Scouters Mountain and Canemah Bluff. About 2.5 million people visit these parks annually for walking, hiking, picnicking, birdwatching, camping, boating, fishing, and family and community gatherings.

Additionally, levy funding will support nature education programming and volunteering opportunities, as well as grants to nonprofit organizations for projects that connect community members with nature.

If passed, this measure will provide funding to:

- Increase access to local rivers, forests and natural areas
- Improve visitor services, accessibility and operations at Metro parks, including maintaining and improving restrooms, picnic areas, trails, play areas, and other visitor facilities
- Ensure park visitors of all backgrounds have opportunities to access the benefits of nature, including improved health and well-being
- Provide nature education programs, including for children from low-income families and communities of color
- Create opportunities for community-led nature education and stewardship projects

Accountability

Program expenses will be subject to annual audits and presented in the budget adopted by the Metro Council. An annual report detailing program expenses, accomplishments and progress toward specific outcomes will be presented to the community and posted on Metro's website.

Metro

Measure No. 26-225 Arguments

Argument in Favor

CONTINUING OUR COMMITMENT TO CLEANER WATER, RESTORED FISH AND WILDLIFE HABITAT, AND CONNECTING PEOPLE TO NATURE

Nature makes our region more livable. As the Portland area's population grows, it's more important than ever to **protect and restore parks, rivers, wetlands, forests and other natural areas** for the benefit of people, fish and wildlife.

This November, voters in Clackamas, Multnomah, and Washington counties will have the opportunity to **vote YES to protect clean water, restore fish and wildlife habitat, and connect people with nature.**

Without raising the tax rate, your YES vote on the Parks & Nature Levy Renewal will:

- **RESTORE HABITAT AND MANAGE NATURAL AREAS** to preserve our region's water quality, wildlife habitat, and legacy of natural beauty for future generations.
- **INCREASE ACCESS TO NATURE** by ensuring parks and natural areas are close to home and accessible to everyone, and continuing Nature in Neighborhoods grants for community-led investments and education.
- **MAINTAIN AND IMPROVE EXISTING REGIONAL PARKS** with operations and maintenance to keep parks and nature destinations safe, welcoming and accessible to all members of our community.

Thanks to voter support, Metro has built an 18,000 acre network of parks, trails and natural areas across Clackamas, Multnomah and Washington counties. Measure 26-225 continues to build on that legacy, targeting smart investments that take care of the outdoor places where everyone can gather, exercise, and play.

By renewing the levy first approved by voters in 2013, funding for our natural areas will extend through 2028, while maintaining the current tax rate of 9.6 cents per \$1,000 of assessed value, or about \$24 per year for a home assessed at \$250,000.

**Join us in voting YES on Measure 26-225.
Let's keep preserving and protecting the region's natural areas, now and in the future.**

Water Quality and Wildlife Advocates Agree: Vote YES on Measure 26-225 for Clean, Safe, and Healthy Water and Wildlife Habitat

Our region is defined by an amazing network of rivers, streams and natural areas. We are home to an incredible array of fish and wildlife species from iconic salmon to more than 200

migratory bird species. Measure 26-225 restores and maintains healthy waterways and natural areas for people and wildlife—**without raising tax rates.**

Protection and restoration of our waterways and wildlife habitats is vital to ensuring clean water, clean air, protecting fish and wildlife populations and creating equitable, climate resilient landscapes.

At least 40% of the Parks and Nature levy funds are dedicated to habitat restoration and natural areas management, including **improving water quality** at Metro's parks and natural areas.

Funds from the renewed levy will protect water quality, reconnect vital floodplains, increase native plants, and control invasive species—ensuring that our streams, lakes and rivers and naturals continue to be **healthy and safe for current and future generations of Oregonians.**

There are a few of the active projects working to protect clean water and restore fish and wildlife habitat across the region at places like Chehalem Ridge Nature Park and Clear Creek and Smith and Bybee Wetlands natural areas. The natural areas levy has been essential to improving water quality and habitat at:

- Wilsonville's Coffee Lake Creek
- North Portland's Smith and Bybee Wetlands
- Clackamas County's Beaver Creek
- Beaverton's Fanno Creek
- Oregon City's Newell Creek
- Hillsboro's Tualatin River
- Cornelius' Council Creek

Your YES vote on Measure 26-225 will ensure Metro has the necessary funds to continue improving water quality and natural habitat through 2028, all without raising taxes.

YES ON MEASURE 26-225: PROTECT AND ENHANCE OUR REGION'S TREASURED OUTDOOR RECREATION OPPORTUNITIES

Our local natural areas have something for everyone: wildlife, scenery, and easy access to nature and recreation. They provide a beautiful and affordable place for recreation close to home.

Metro facilities annually provide recreation opportunities for 2.5 million visitors. As our region grows, it's crucial we keep our parks and natural areas open to every community by voting YES on Measure 26-225.

Measure No. 26-225 Arguments

Over the past five years, the Parks & Nature Levy funded projects that connect people to nature, including:

- New day use areas and trails access at the new **Newell Creek Canyon Nature Park** in Oregon City, including trailheads, signs, parking areas, restrooms and more.
- New hiking trails and visitor facilities at **Killin Wetlands Natural Area** in Washington County.
- At **Oxbow Regional Park**, a new Welcome Center, new nature play areas, upgraded campground facilities, and an improved boat launch.
- Improved access roads and trails at **Blue Lake Regional Park**.
- A renovated boat launch at **Chinook Landing on the Columbia River**, leveraging state funding sources.
- Improved trails for public access and new signage at **Smith and Bybee Wetlands** to help visitors learn about nature.
- Inclusive community engagement at **East Council Creek** in Cornelius and **Gabbert Butte** in Gresham.
- Safety improvements **across the Metro park system**, including updating operations and signage to keep parks open during the pandemic, providing life jackets for water safety, and supporting rangers and other staff to keep parks welcoming to all.

Your YES Vote on Measure 26-225 will ensure that everyone—including kids, families experiencing low incomes, and communities of color—have access to these vital resources, all without increasing the tax rate.

Local Leaders Support Measure 26-225!

Renewing the Parks and Nature Levy Benefits Washington County

Renewing the Parks and Nature levy continues funding to protect and restore parks, rivers, wetlands, forests and other natural areas for the benefit of people, fish and wildlife — right here in Washington County.

In Washington County, the Parks and Nature Levy has supported many local projects, including:

- The new **Chehalem Ridge Nature Park near Forest Grove and Cornelius**, including habitat restoration on the 1,250 acre site.
- New trails, picnic areas and restrooms at **Killin Wetlands Nature Park near Banks**.
- Restoring habitat at **Rock Creek at Hillsboro's Orenco Woods Nature Park**, and improved trails for wildlife

viewing and hiking.

- Partnering with Clean Water Services to revive **Maroon Pond wetlands near the Tualatin River**, restoring habitat for turtles and other wildlife.
- Improving **Tualatin River** access for canoers, kayakers and other paddlers at **Farmington Paddle Launch and Rood Bridge Park**.
- Supporting **Tualatin Park & Recreation District's partnership with Adelante Mujeres and Beaverton School District** to provide after-school nature programming and expand environmental workforce development focused on Latinx students.
- Funding **Access Recreation's** work to help people of all abilities find trails and parks that meet their needs.

This measure won't raise the tax rate. In Washington County, the typical homeowner currently pays about \$28 per year. That's a small price to pay to protect some of our most beautiful natural areas.

Argument in Favor

**CONNECTING PEOPLE TO NATURE:
The Parks & Nature Levy Invests in Diverse Communities**

Measure 26-225 will **increase opportunities for people to experience nature** in parts of our region that currently have few public parks or natural areas. It will provide funding for parks, rivers, streams, and natural areas in every part of the Metro area, to benefit all local residents.

At least 15 percent of levy funding will continue to support **community-led partnerships, education and stewardship programs**, offering hands-on experiences that allow people to strengthen their relationship to the natural world while fostering the next generation of leaders.

These programs **directly support people of color and other marginalized communities**. People connect with nature in different ways and experience different barriers and opportunities to that connection.

Measure 26-225 will ensure that everyone has access to these vital resources, with **grants to local community groups**, such as:

- The **Asian Pacific American Network of Oregon's** partnership with **Friends of Trees** and **Portland State**

Metro

Measure No. 26-225 Arguments

University to engage East Portlanders in pursuing strategies for neighborhood greening amid hotter summers

- A partnership between **Portland Audubon, Tualatin Soil and Water Conservation District, Backyard Habitat** and **Centro Cultural** at Centro Cultural's Cornelius campus to connect Latinx members of the community with nature.
- Partnerships to provide lower-income students and students of color with nature field trips, classroom education and opportunities to participate in habitat restoration, including **Ecology in Classrooms and Outdoors'** work with partners in Lents and North Clackamas schools, and **Verde's** youth nature programs in Portland's Cully neighborhood

Metro is committed to working together with people, businesses, nonprofit organizations and public partners to create a Portland region where **all individuals and communities benefit from a healthy environment with clean air and water.**

Measure 26-225: For Healthier, Resilient Communities

"Portland Audubon strongly supports the Metro natural areas levy renewal. It is a crucial funding mechanism to protect and restore our amazing system of regional natural areas and to connect the community to nature." - Bob Sallinger, Audubon Society of Portland

Our region's parks and natural areas are critical to people's physical, mental, and emotional health. We must continue to take care of the outdoor places where everyone can gather, exercise, and play.

But now, heat waves, wildfire, and extreme weather are threatening our region's people, water, and fish and wildlife. We must continue to invest in parks and nature to limit and adapt to the effects of climate change in our region.

A YES vote on Measure 26-225 will provide ongoing support for Metro's funding of initiatives for cleaner water, restored fish and wildlife habitat, and amenities to encourage recreation and healthy activities—without raising existing taxes.

A YES vote on Measure 26-225 will fund management of Metro sites to maintain ecological health and increase their resilience to extreme weather and other impacts of climate change.

A YES vote on Measure 26-225 supports complex and critical conservation projects that require collaboration between local, state, federal, tribal and nonprofit partners, in particular those related to climate adaptation and resilience.

Measure 26-225 ensures everyone in our region has access to the health benefits of nature and recreation, and builds our region's climate resilience for future generations. Please join us in voting yes.

MEASURE 26-225: A COST-EFFECTIVE INVESTMENT FOR OUR REGION'S QUALITY OF LIFE AND ECONOMIC FUTURE

Our region is able to attract visitors, and recruit and retain high quality businesses and workers, thanks to our unparalleled quality of life. The natural beauty, scenery, and easy access to nature are frequently cited as reasons to locate in our region—growing the economy for all of us.

A YES Vote on Measure 26-225 provides funding for parks and open spaces that make our region a more vibrant place to live, keeping our region economically competitive.

GREEN INFRASTRUCTURE

This measure will help take action to plant more trees, protect cool rivers and streams for fish, restore critical wildlife habitat, and keep our communities livable. These investments save the region's taxpayers money by lowering the costs of stormwater management, flood mitigation, and climate change adaptation.

A YES Vote on Measure 26-225 continues these smart green infrastructure investments, saving us all money in the long run and avoiding costly problems in the future.

EMPLOYMENT OPPORTUNITIES

The levy renewal provides more opportunities to enter and build careers at all levels in the parks and natural area industry. These employment opportunities increase the prosperity of historically marginalized workers and communities, and increase representation within the workforce.

A YES Vote on Measure 26-225 will support projects in every part of the Metro area—in Clackamas, Washington, and Multnomah Counties—that will benefit all local residents.

Measure 26-225 is supported by business and labor leaders, including:

Metro's Parks and Nature Program: Accountable to Taxpayers and Voters

The Natural Areas and Capital Program Performance Oversight Committee keeps Metro **accountable and transparent** in its use of capital funds from the 2018 parks and natural areas levy, which raises about \$16 million a year, and the \$475 million 2019 nature bond.

The independent committee provides **transparent oversight to ensure taxpayer funds are used responsibly**, and reports to the Metro Council annually.

"Parks and natural areas are integral to the well-being of everyone in our region. Our committee is made up of a diverse set of individuals with experience in areas of land conservation, community engagement, working lands, finance, accessibility, [and] equity."

- *Committee Co-Chair Burt Edwards, May 24, 2022 testimony to the Metro Council*

The committee's most recent findings, from an April 2022 report, include:

- "staff has conducted the primary components of the bond work reviewed by the committee—bond finance, land acquisition and community engagement—in a transparent and accountable way."
- "Metro's administrative expenditures to be acceptable in light of the very high bar for engagement set by the 2019 bond measure."

In the year ahead, the committee plans to monitor spending, and continue to review strategies for increased participation for minority, women-owned, and emerging small businesses; making parks and natural spaces accessible to all; and the impact of community engagement on investments.

Measure 26-225 will continue independent review and oversight of levy spending.

Metro's Parks and Nature 2020-21 Annual Report also detailed levy spending through June 2021 compared to what was promised to voters in 2018. The report found that **all five categories of spending in the 2018 levy were in alignment with what voters approved:**

- Improving public access to natural areas: 10% of levy spending
- Regional park operations: 29% of levy spending
- Nature in Neighborhoods grants: 12% of levy spending
- Restoring natural areas for wildlife, fish and water quality: 42% of levy spending
- Nature education and volunteers: 7% of levy spending

This information furnished by:
Amy Ruiz
Yes for Parks & Nature

Argument in Opposition

VOTE NO ON 26-225—NO NEW METRO TAXES

Metro is asking for a new tax levy even though it already has sufficient funds to operate all its parks.

Metro's budgets show over the past 10 years:

- **Property tax collections have increased 169%** from \$39 million to more than \$105 million a year.
- **Spending on its parks and nature program has grown by nearly 175%** from \$48 million to \$117 million a year.

Unfortunately, much of this money is not even being used to improve public access to Metro's parks. **In fact, most of Metro's 18,000 acres of parklands are not open to use by taxpayers.**

NO NEW METRO TAXES

In 2016, Metro imposed **\$81 million in property taxes** for parks and nature.

In 2019, Metro imposed another **\$475 million in property taxes** for parks and nature.

In 2020, Metro imposed **TWO new income taxes** amounting to **\$250 million a year** for "supportive housing services."

Again, in 2020, Metro tried to impose **another \$250 million a year in payroll taxes** to build light rail to Bridgeport Village. **By then, voters had enough and voted NO.**

It's time to VOTE NO again.

Many Metro parks properties are **gated and locked**; most have inadequate signage so no one can find them. Many are far outside the urban growth boundary. Some are miles away from public transit.

Even if you are lucky enough to find a Metro park, **don't even think about bringing your dog**. Metro prohibits dogs and other pets on virtually all its park lands. But, if you're rich enough to own a horse or mountain bike, **Metro's newest park has 10 miles of trails for horseback riding** and mountain biking.

Metro's parks program is awash in tax money. **There is no justification for this property tax levy**, regardless of its stated purpose.

TAXPAYERS ASSOCIATION OF OREGON URGES A NO VOTE ON 26-225

For more information follow us at OregonWatchdog.com.

This information furnished by:
Jason Williams
Taxpayers Association of Oregon

Argument in Opposition

VOTE NO ON 26-225: METRO HAS ENOUGH PARKS MONEY

Metro

Measure No. 26-225 Arguments

Metro says they need more of your tax money for their parks and nature program.

They don't need the money because Metro's parks and nature program is already **sitting on \$450 million of taxpayer money** from the 2019 parks and nature bond measure.

Now, only three years later, they're asking for **\$98 million more**. They always want more.

Where does all that money go?

VOTE NO ON BUREAUCRATIC BLOAT

A huge chunk of the money goes into a black hole of bureaucratic bloat. Metro's own oversight committee reports that over the past three years, 30% of parks and nature spending has been on "administration."

Last year, Metro spent more than **twice as much on administration as it did on park improvements and operations**.

YOU PAY THE TAXES, BUT YOU'RE NOT ALLOWED ON THE LAND

More than 80% of the land bought by Metro is completely off-limits to the region's residents and taxpayers. Metro won't even show them on a map because they don't want you to know where they are.

Most of the land Metro buys is outside of the region's urban growth boundary. Many of these parcels are zoned farm or forest land and there are no plans to expand the UGB in that direction. These lands don't need any protecting.

NO NEW METRO TAXES

Metro already taxes your home. Metro already taxes your garbage and recycling. Metro already taxes your personal income. Metro already taxes your business income.

Everywhere you turn, Metro is reaching into your pocket for more of your money.

Metro's pushing hard to impose tolling and congestion pricing on everyone in the Portland region. And, they want to tax you to make traffic jams worse.

Metro wants to tax every dollar you earn and every mile your drive. Tell Metro enough is enough. **Vote no on Metro's latest tax grab.**

VOTE NO ON 26-225

Portland Community College

Measure No. 26-224

Ballot Title

Bonds to Construct Job Training Space, Improve Classrooms, Safety, Technology

Question: Shall Portland Community College renovate and modernize facilities, estimated to maintain current tax rate by issuing \$450 million in bonds? If the bonds are approved, they will be payable from taxes on property or property ownership that are not subject to the limits of sections 11 and 11b, Article XI of the Oregon Constitution.

Summary: Measure authorizes up to \$450 million in principal amount of general obligation bonds for facilities and equipment. Measure not expected to increase tax rates above previous targets, because outstanding debt is scheduled to decline.

If approved, this measure would finance capital costs, including:

- Updated classrooms, technology, facilities, equipment to provide students with modern higher education and job training spaces, including flexible hybrid learning options.
- Improved accessibility for people with disabilities.
- Increased facility lifespan and efficiency through ventilation system upgrades, plumbing, electrical.
- Improved campus safety, lighting, transit stops.
- Expanded career technical education facilities in Washington County.
- Rebuilt/modernized Rock Creek, Sylvania facilities/classrooms.
- Site improvements, demolition, furnishing, equipping, acquiring land, bond issuance costs.

Regular audits to ensure funds are used as intended. Bonds may be issued in one or more series, with each series maturing in 16 years or less. Bond cost estimated to maintain fiscal year 2022 rate of 38 cents per \$1,000 of assessed value. Actual rates may differ and depend on interest rates incurred and assessed value growth.

Explanatory Statement

Portland Community College (PCC) is the largest post-secondary institution in Oregon. Nearly 50,000 full and part-time students in Multnomah, Washington, Yamhill, Clackamas and Columbia counties attend Portland Community College to obtain career training and further their education.

This proposed bond measure would fund projects that make higher education more accessible and provide lifelong learning opportunities for all members of our community.

These investments would serve hundreds of thousands of Oregonians over the life of this bond, funding improvements to job training and learning spaces, modernizing technology, enhancing campus health, safety, and accessibility, updating classrooms to support hybrid learning –with some students learning in the classroom, while others participate remotely. It would save taxpayer dollars by making campuses more energy efficient and sustainable.

If approved, bond proceeds are expected to include the following capital investments:

- **Updated classrooms, technology, facilities, and equipment to provide students with modern higher education and job training spaces**, including flexible hybrid-learning options-providing students with the flexibility and options to balance their education with other responsibilities.
- **Improved facilities and updated technology** to provide up-to-date job training spaces that can be adapted as businesses' needs evolve, so students graduate with the skills they need to compete in today's economy.
- **Improved accessibility** for people with disabilities.
- **Increased facility lifespan and efficiency** through heating and cooling upgrades and updated plumbing and electrical, to conserve operation expenses.
- **Addressing health and safety precautions**, including improved building ventilation and campus lighting, transit stops.
- **Renovating aging facilities** at Rock Creek and Sylvania. PCC would also expand technical career education in Washington County.
- Site improvements, demolition, furnishing, equipping, acquiring land, bond issuance costs.

The proposed bond projects would support students regardless of their zip code, background, or family circumstances, so that anyone who wants a college education would have access to one.

What would the bond cost?

Because of expiring bonds, the PCC bond measure is estimated to maintain current tax rates for local homeowners. If voters approve the bond it is expected to maintain the fiscal year 2022 rate of \$0.38 per \$1,000 of assessed value for 16 years. The taxpayer cost would be \$95 per year or \$7.92 per month for property with an assessed value of \$250,000. Assessed value is generally lower than market value.

The total principal amount of bonds authorized would not exceed \$450 million. Actual rates may differ and depend on interest rates incurred and assessed value growth.

Accountability

Funds from the bond would go directly to the projects that are expected to help achieve the goals outlined above. PCC would emphasize openness and transparency so that the public can track how funds from the bonds are spent, including a continuation of auditing to ensure funds are used as intended.

Portland Community College

Measure No. 26-224 Arguments

Argument in Favor

Please join us in voting YES on Measure 26-224!

Over the years, taxpayers in our district have invested in the future of our community by supporting Portland Community College. **And as PCC's elected board members, we have worked hard to return on those investments.**

We aim to educate a skilled workforce, prepare students to successfully transfer to four-year schools, enrich the community through lifelong learning, build a greener workforce and shrink our carbon footprint, and be a sound financial steward of public dollars.

This bond renewal will enable PCC to continue to **build on that foundation of success**, and make sure that **students in every community have equal opportunities** to get the skills they need to succeed, regardless of their zip code, background, or family circumstances.

This bond will:

- Update classrooms, technology, facilities, and equipment to **provide students with modern higher education and job training spaces**, including flexible hybrid-learning options—providing students with the flexibility and options to balance their education with other responsibilities.
- **Improve accessibility** for people with disabilities.
- **Increase facility lifespan and efficiency** through heating and cooling upgrades and updated plumbing and electrical, to conserve operation expenses.
- **Address health and safety precautions**, including improved building ventilation and campus lighting, transit stops.
- **Renovate aging facilities** at Rock Creek and Sylvania, and expand technical career education in Washington County.

And because of expiring bonds, this PCC bond measure is estimated to **maintain current tax rates** for local homeowners.

We are proud of what our bond program has built, and committed to providing up to date information on the planning and implementation of these projects – that information can be found at <https://www.pcc.edu/about/bond/>.

Please join us in voting YES on Measure 26-224!

Argument in Favor

Business Leaders Are Voting YES for PCC

As business leaders in the metro area, we support Portland Community College's bond renewal because PCC graduates are our employees, our managers, our directors – and for some of us – the heads of our companies and our industries.

PCC creates the skilled workers that our local businesses need to succeed, grow, and create more living-wage jobs so that people can afford to live here. This measure makes sure that PCC can continue to contribute to the vibrancy of Portland's economic community.

And this measure ensures that Portland Community College can continue to provide high-quality education, so students get the skills and job training they need to build successful careers in today's economy. There are a record number of job openings in Oregon, but a lack of skilled workers to fill them. For every seven unemployed people, there are 10 jobs available.

PCC graduates students with the skills and training to fill the positions we need. For example, PCC offers certificates and degrees in:

- Bioscience
- Building Construction
- Computer Science
- Education
- Engineering
- Health Information Management
- Manufacturing
- Medical Professions & Nursing

This measure is a smart investment for our future. As Oregon's largest post-secondary institution, with more than 50,000 students, investing in PCC will serve hundreds of thousands of Oregonians over the life of this bond.

Community Leaders You Trust are Voting YES for PCC

Community-based organizations across the region support Measure 26-224, because PCC's bond renewal isn't just about building a community college – it's about building a community.

Portland Community College's students don't have all the advantages – in fact, more than 50% of students face food or housing insecurity or have experienced homelessness.

This measure makes sure that students in every community have equal opportunities to get the skills they need to succeed, regardless of their zip code, background, or family circumstances.

- PCC supports underserved and underrepresented communities by providing a less expensive, more accessible path to a college degree.
- PCC teaches the skills necessary to secure better paying jobs – strengthening families and communities as a result.
- PCC creates the skilled workers that our local businesses

Portland Community College

Measure No. 26-224 Arguments

need to succeed, grow, and create more living-wage jobs so that people can afford to live here.

- PCC is actively working to increase equity and inclusion by recruiting diverse faculty, administrators and staff.
- PCC is doing its part to combat climate change. The college is a nationally recognized leader in the higher education community for sustainability and climate action.
- PCC supports metro area youth by offering advanced courses for high schoolers, GED programs, and an affordable pathway to a four-year degree.
- PCC supports people who are unemployed and underemployed, by offering training courses for individuals re-entering the workforce or changing careers.
- PCC supports students with jobs, children at home, or other commitments, by offering options to go to college online, in person, or both.
- PCC partners with community organizations across the region to provide opportunities and services we have all come to count on.

We support PCC because PCC supports the community.

ELECTED LEADERS URGE A YES VOTE ON 26-224

Now, more than ever, **access to affordable education is critical to the future of our community** and the people who want to make a home here for themselves and their family.

But economic opportunity is not reaching everyone equally. Less than half of people from Oregon's communities of color have an associate degree or higher. People from marginalized communities face barriers to getting their degree, like lack of childcare, the cost of tuition, unreliable transportation, and inadequate culturally-informed support on campus keep these students from reaching their full potential.

Measure 26-224, PCC's bond measure, would fund projects that make higher education more accessible and provide lifelong learning opportunities for all members of our community.

Your YES vote will:

- Make sure that students in **every community** have equal opportunities to get the skills they need to succeed, regardless of their zip code, background, or family circumstances. And as the state's largest college, these investments will serve hundreds of thousands of Oregonians over the life of this bond.
- Ensure that Portland Community College can continue to provide the **high-quality education** for students to get the skills and job training they need to build successful careers in today's economy.
- **Maintain the current estimated tax rate** of .38 per \$1,000 of assessed value, because previous bonds are expiring.

PCC's bond measure is a smart investment for today and tomorrow.

And because older bonds are expiring, your YES vote will not increase your current tax rate but will allow PCC to invest \$450 million across our region. Taxpayer oversight includes annual audits.

We urge you to vote YES!

Yes for PCC

Argument in Favor

Please vote YES for PCC!

PCC trains and educates a wide variety of students throughout the region. Students representing every age group, income level and cultural background are seeking vocational training, technical degrees, or a jump start to a 4-year degree.

This measure ensures that PCC can continue to provide the high-quality education for students to get the skills and job training they need to build successful careers in today's economy.

That requires the most up-to-date technology and classrooms to prepare students for their future careers. When our students graduate, they go on to compete with students from across the nation – and in order to help them secure the jobs they've trained for, PCC needs up-to-date tools and facilities.

If passed, this bond will:

- **Update technology and equipment** to provide students with modern higher education and greater flexibility for hybrid learning.
- **Improve accessibility** for people with disabilities.
- **Improve facilities and technology** to provide students with up-to-date job training spaces that can be adapted as businesses' needs evolve.
- **Enhance health and safety** and the lifespan of facilities.

Today, students are turning more to local community colleges and online courses to access higher education. To meet that demand, PCC must continue providing its students with up-to-date training and tools. Please YES on this bond so we can continue to do that.

Vote YES for PCC!

Portland Community College

Measure No. 26-224 Arguments

Argument in Favor

A college education is something I've always aspired to. It's been a dream of mine—something that I wanted my whole life, and something that I tried to get my whole life. But it wasn't always available to me.

I live with a progressive form of multiple sclerosis, and I use a wheelchair. Before the pandemic, I was working at a retail job, and as my MS progressed, I was having trouble getting accommodations. I found myself unemployed, and had difficulty finding new employment.

So I decided to go back to school, and see what I could do to help other people with disabilities—to help employers think about disability differently, including how to create inclusive environments where people can thrive.

I enrolled at PCC just before the pandemic, and by that summer, everything was remote. In fact, if it weren't for the pandemic, and the remote learning opportunities it provided, I wouldn't have been able to go to PCC. I was able to excel and really thrive in the PCC community thanks to remote and hybrid access.

I now work as an accessibility advocate with PCC, and work on projects that connect students with employers. I will graduate next year with two years of work experience in the field I want to work in. I'll have an associates degree in sociology, and I plan to pursue further education in the field of disability studies.

Thanks to PCC, I'm getting close to the life I've always dreamed of.

I'm supporting PCC's bond measure because it will help change the lives of students all over our region. The bond invests in the technology and space needed for hybrid learning so that every student has the access and flexibility they need to go to college.

Voting YES will make an extraordinary difference in the lives of thousands of people and families throughout the five counties that PCC serves – people just like me.

Precious Golden, PCC student

Beaverton School District No. 48J

Measure No. 34-321

Ballot Title

Renew Beaverton Schools Levy to Preserve Teachers, Protect Class Sizes

Question: Shall district preserve 286 teachers, protect class sizes, by renewing 5-year levy, \$1.25 per \$1,000 assessed value, beginning in 2023? This measure renews current local option taxes.

Summary: Beaverton School District's local option levy currently funds 286 teaching positions, allocated to every school in the district: 150 to Beaverton's elementary schools, 48 to middle schools, 68 to high schools and 20 to option schools. The district serves nearly 40,000 children in 54 schools.

Renewing the levy would allow Beaverton schools to maintain these teaching positions, protect class sizes, and help ensure students are prepared for post-high school learning and career success, without raising taxes.

Voters in 2013 and 2018 approved local option levies that have raised \$271 million; 100% has remained in Beaverton schools to fund teaching positions and protect class sizes.

Renewing the levy for 5 years would continue the current tax rate, \$1.25 per \$1,000 assessed property value. The owner of a home with an average assessed value of about \$303,000 would continue to pay less than \$32 per month.

The levy is projected to raise \$205 million over five years:

2023-24: \$39 million
2024-25: \$40 million
2025-26: \$41 million
2026-27: \$42 million
2027-28: \$43 million

Explanatory Statement

Levy Renewal

Beaverton School District serves more than 39,000 students in 54 schools. In 2013, voters approved a local option levy to restore teaching positions that had been cut due to repeated state funding shortfalls. In 2018, voters renewed the levy to maintain teaching positions. These levies have raised \$271 million, and 100% has remained in Beaverton schools to fund teaching positions and protect class sizes.

This measure would renew the local option levy at the current tax rate for five years, to continue to pay for teachers in Beaverton schools.

Levy-funded teaching positions are allocated to every school in the district, ensuring that students across the district, regardless of their neighborhood or background, have access to effective teachers and support to thrive in school and after graduation.

The levy funds nearly 300 teachers across the district. In the current school year, the levy pays for:

- 150 teaching positions in Beaverton's 34 elementary schools. If the levy renewal is not passed, 2 to 8 positions at each elementary school would potentially be eliminated.
- 48 teaching positions in Beaverton's 9 middle schools. If the levy renewal is not passed, 4 to 6 positions at each middle school would potentially be eliminated.
- 68 teaching positions in Beaverton's 6 high schools. If the levy renewal is not passed, 9 to 15 positions at each high school would potentially be eliminated.
- 20 teaching positions in Beaverton's 5 option schools. If the levy renewal is not passed, 1 to 5 positions at each option school would potentially be eliminated.

Renewing the levy will allow Beaverton schools to preserve these teaching positions, maintain class sizes, and help ensure students are prepared for post-high school learning and career success, all without raising the tax rate.

Prevent Budget Cuts

The current local option levy expires in June 2023. If the levy is not renewed, the Beaverton School District would have to reduce its budget by at least \$39 million dollars, the equivalent of eliminating nearly 300 teaching positions and increasing class sizes by an average of six students per class.

A local option levy is different from a capital bond measure, like the one passed by Beaverton voters in May 2022. By Oregon law, bond funds must be spent on capital construction projects and other infrastructure, like technology and transportation. Bond money cannot pay for teaching positions.

Cost of the Levy

The local option levy rate is \$1.25 per \$1,000 assessed property value (not market value). A homeowner with an average assessed property value of \$303,021 would continue to pay less than \$32 a month for the levy.

Same Tax Rate

If the levy renewal is approved, the tax rate would remain the same. The average Beaverton homeowner would continue to pay about \$32 a month to provide funding for teaching positions through 2028.

Accountability

100% of the levy funds goes to pay for teaching positions. None goes to administration. All funds stay in Beaverton schools. Ongoing reports to the public ensure that funds are used as intended.

Argument in Favor

We're voting YES for Beaverton's Teachers and Students!

We are the volunteer Beaverton School Board members. Our goal is to provide the best possible education to children in our community and ensure every student is prepared for post-high school success.

Teachers are the backbone of our schools. Funding teachers ensures that our students' needs are being met. Students across the district, regardless of their background, deserve access to effective teachers and support to thrive both in school and after graduation.

Please join us in voting YES on Measure 34-32 to renew the local option levy at the current tax rate for five years, and protect nearly 300 teachers in Beaverton schools.

VOTE YES TO PROTECT BEAVERTON SCHOOLS, TEACHERS AND CLASS SIZES

Measure 34-321 Will allow Beaverton schools to **preserve nearly 300 teaching positions**, protect class sizes, and help ensure students are prepared for post-high school success, all without raising tax rates.

SAME LOW TAX RATE

The renewal provides funding for teaching positions through 2023 at the **same tax rate we pay today**. An average Beaverton homeowner would continue to pay less than \$32 a month. That's a small price to pay to maintain teaching positions and protect class sizes.

PREVENTS PAINFUL CUTS

Without the levy renewal, the Beaverton School District will be forced to cut its budget by at least \$39 million, risking nearly 300 teaching positions and increasing class sizes by an average of six students per class. **Beaverton schools need the levy renewal to prevent painful cuts.**

SMALLER CLASS SIZES + INDIVIDUAL STUDENT ATTENTION = HELPING STUDENTS THRIVE

"The key to a successful classroom is building relationships. Smaller class loads allow us to invest time into our students individually and collectively to foster strong relationships and a safe learning environment."

- Adam Oyster-Sands, Westview High School teacher

"I've been in this district for over 20 years, and I know what it was like to have 45 students in a classroom. More recently, I have experienced more manageable class sizes of around 30. Keeping class sizes as low as possible is the most important way to support educators as they aid student success from all levels and abilities. Passing this levy maintains this commitment to success and honors the educators that provide an invaluable resource to the community."

- Troy Theriot, Beaverton High School teacher

"Reasonable class sizes are so important for our students. With smaller classes, teachers can get to know each student's personality and how they learn best, and build those strong relationships that get students excited about coming to school. Passing this levy means teachers will be able to make sure we're providing the very best education we can for each and every student."

- Julia Barto, Fir Grove Elementary teacher

Yes for Beaverton Schools

Argument in Favor

Our kids are grown and we're still voting YES for Beaverton Schools!

Though all grown up now, our children received an excellent education at Beaverton schools, and we believe that current students – as well as future generations – deserve the same.

We all benefit when kids are in school and engaged. Properly funded Beaverton schools contribute to a better workforce as well as a better community. High quality schools are one of the reasons our community and neighborhoods remain so livable. Without the levy renewal, we put these schools at risk, and jeopardize Beaverton's long-standing commitment to quality education.

VOTING YES = NO NEW TAXES

As taxpayers, we are very budget aware and appreciate that the levy renewal is just that: a renewal. This levy ensures that students will continue to receive the attention they need in manageable class sizes, and it does so by **KEEPING THE SAME LOW TAX RATE.**

At less than \$32 a month for a typical Beaverton homeowner, this is an investment worth making.

Join us in supporting today's students so they can receive the same great education we were so lucky to have.

VOTE YES for Beaverton Schools.

Students Are Counting on You to Renew the Teachers Levy

Students like us, and our teachers, have been through a lot these past few years. First we had distance learning in the early months of the pandemic. We had to adjust to a new way of learning on a screen, outside of a classroom.

Now most of us have returned to the classroom after more than two years of disruption. But many of our fellow students struggled during the pandemic, and even fell behind.

That's why it's so important to **protect nearly 300 teaching positions** by renewing the Beaverton teachers levy. With this funding, Beaverton's schools will be able to better serve students catching up, by making sure we have enough teachers to meet students' needs.

In Beaverton's schools, we're lucky to have great teachers, and smaller class sizes than most districts. The levy provides funding to make that happen. Without the levy, our class sizes would grow, and our schools would lose teachers we count on to prepare us for the future.

Please support students like us—most of us are too young to vote—by voting yes on Measure 34-321. Thank you!

LOCAL BUSINESSES SUPPORT BEAVERTON SCHOOLS

Renewing the Beaverton School Levy is vital to keeping our schools and community strong. As businesses in the local community, we know how schools serve as the foundation of a healthy economy.

Beaverton Schools prepare our students for college and the workforce, and contribute to a vibrant community.

This results in higher wages, greater economic mobility, and a higher quality of life. But the benefits of a better education reach beyond personal gain. When our community invests in quality schools, there is a huge return, attracting more businesses and family-wage jobs.

Local economies flourish when there are more skilled and productive workers.

Renewing the levy is an important way to fund our local schools and prevent potential cuts in teachers and important programs like career and technical education. Teachers help students build the professional skills local businesses are seeking. Protecting and investing in our schools is one of the most critical ways the community can support economic growth and give students the skills they need to be successful after high school.

As local businesses, we understand the importance of watching the bottom line.

This levy is a renewal, and will not increase the tax rate we are paying today. The Beaverton School District will be held accountable for our tax dollars; the local option levy continues to include audits to ensure that funds are used as voters intended.

Argument in Favor

Measure 34-321 Helps ALL Beaverton Students Thrive

Funding teachers ensures that our students' needs are being met. Students across the district, regardless of their background, deserve access to effective teachers and support to thrive in the classroom, in their community, and after graduation.

And school funding is more important than ever as students adjust to school after two years of COVID-related challenges. With the funding this levy renewal provides—without raising the tax rate—Beaverton schools will be able to better serve students who need support to catch up. It's critical that we retain the nearly 300 teachers this levy supports.

Measure 34-321 will ensure that every student continues to have access to:

- High quality teachers
- Small class sizes
- More individualized instruction

A strong and well-funded education system benefits ALL students, and our entire community. Beaverton's community leaders are committed to a high-quality education for all of our community's kids.

Please join us in voting YES on Measure 34-321, the Beaverton Teachers Levy!

Forest Grove School District No. 15

Measure No. 34-320

Ballot Title

Bonds to Increase Safety, Security; Replace School; Update Classrooms, Technology

Question: Shall District increase student safety, technology, replace elementary school, repair, improve schools; issue \$121.9 million dollars in bonds; audits required? If the bonds are approved, they will be payable from taxes on property or property ownership that are not subject to the limits of sections 11 and 11b, Article XI of the Oregon Constitution.

Summary: Forest Grove School District proposes a bond measure not to exceed \$121.9 million; will receive state matching funds of approximately \$6.7 million if bonds are approved.

Bonds would finance capital costs to fund projects that:

- Improve Safety and Security:
 - Secure entrances, alarms, cameras
 - New secure entry vestibule at Neil Armstrong MS
 - Fire safety improvements
 - Seismic upgrades
- Update, Repair, Replace Aging Schools:
 - Electrical, roofing, flooring, lighting, plumbing
 - New HVAC to improve air quality
 - Expand PE spaces to meet state requirements
 - Replace Cornelius ES with modern educational facility
- Expand Student Opportunities:
 - District-wide technology upgrades
 - Expanded career and technical/vocational education spaces
- Early Childhood:
 - Provide one Pre-K classroom at every elementary school
- Site improvements, demolition, furnishings, equipment, bond issuance costs

Citizen oversight committee, audits required

Bonds may be issued in multiple series; each maturing within 21 years from issuance. Estimated increase over FY 2022 bond tax rate is \$1.50 per \$1,000 assessed property value. Actual levy rate may differ due to changes in interest rates and assessed value.

Explanatory Statement

The Forest Grove Schools District serves approximately 5,500 students in 6 elementaries, one upper elementary, one middle, one high school and four program sites for the communities of Forest Grove, Cornelius, Dilley and Gales Creek.

The average age of district buildings is 46 years with four schools more than 70 years old including:

- Dilley Elementary (80 years old)
- Cornelius Elementary (77 years old)
- Oak Grove Academy (74 years old)
- Harvey Clarke Elementary (73 years old)

Aging school facilities:

- Safety and Security: School buildings provide too many points of entry for visitors and the general public including multiple exterior doors that open directly to classrooms and fire safety systems that are over 30 years old.

- Buildings across the district have items such as electrical, HVAC, roofs and plumbing that have reached end of their usable life.
- Limited space for early childhood education
- Cornelius Elementary built in 1945 - the second oldest school in district - has failing building systems, is at student capacity and has security issues with 7 classrooms that can only be accessed from outside the building and nearly every classroom have exterior doors that directly open to the non-secured area of the school campus.

Community identified priorities: In 2021, after the completion of an independent school facility evaluation, the district formed a bond advisory committee that gathered public input on the needs of school buildings. This committee put forth a recommend plan to improve every school in the district to the school board.

School Board refers bond measure, seeks community support. The school board seeks voter approval of a \$121.9 million general obligation bond. District will receive state matching funds of approximately \$6.7 million if bonds are approved.

Bonds would finance capital costs to fund the following improvements that:

- **Improve Safety and Security:**
 - Secure entrances, alarms, cameras
 - New secure entry vestibule at Neil Armstrong ES
 - Fire safety improvements
 - Seismic upgrades
- **Update, Repair, Replace Aging Schools:**
 - Electrical, roofing, flooring, lighting, plumbing
 - New HVAC to improve air quality
 - Expand PE spaces to meet state requirements
- **Expand Student Opportunities:**
 - District-wide technology upgrades
 - Expanded career and technical /vocational education spaces

- **Replace Cornelius Elementary School with a modern educational facility**

- **Early Childhood:**

Provide one Pre-K classroom at every elementary school.

- site improvements, demolition, furnishings, equipment, bond issuance costs

Citizen oversight committee will monitor bond progress and issue reports to the community, audits required.

Bonds may be issued in multiple series; each maturing within 21 years from issuance. Estimated increase over FY 2022 bond tax rate is \$1.50 per \$1,000 assessed property value. Actual levy rate may differ due to changes in interest rates and assessed value.

Forest Grove School District No. 15

Measure No. 34-320 Arguments

Argument in Favor

For SAFER, HEALTHIER Schools, Vote Yes for Measure 34-320

As public safety and health professionals we know it's our responsibility to do everything we can to keep our community safe.

When it comes to school safety, the headlines across the nation are all too frequent and similar. It's an unfortunate fact that in today's world, our schools must be ready to respond to any manner of threat.

It is critical that we ensure our schools are safe and healthy. **Measure 34-320** will help make that happen in the Forest Grove School District.

Right now our District 15 school buildings leave our kids vulnerable, as well as the adults who look after them.

Safety and Security:

- **We need to know who is in our buildings or on school grounds.** For example, Cornelius elementary has 7 classrooms that can only be accessed from outside the main building and nearly every classroom has exterior doors that directly access outside.
- **Staff must be able to quickly respond to emergency situations.** In emergencies the ability to respond quickly literally saves lives. This bond measure helps us do that—fund new emergency communications and fire safety systems that help keep students and staff safe in the case of imminent danger.

Healthy Schools:

- **Classroom temperatures vary widely, HVAC and air handling systems are aging, inefficient and in some cases nonexistent.** Updated systems will also make sure our schools are safe and a place of refuge for our community in future heat and smoke events.

Students and parents count on schools as places for learning, connection and nourishment for the mind and body. It is critical that we ensure our schools are safe and healthy.

The Forest Grove School Bond will help keep our kids, and the adults who care for them, safe & healthy. Please join us in voting yes.

Argument in Favor

Please Join Us and Support a Brighter Future for Cornelius and Forest Grove Schools!

As volunteer School Board Members, we know schools build stronger communities, which is why this November's Bond is so important for the future of our Cornelius, Dille, Gales

Creek and Forest Grove communities. This bond will raise \$121 million to repair & replace facilities — ensuring safer and healthier learning environments for our kids.

Our community has always come together to invest in education. Better schools help build a stronger community, give our kids more opportunities to succeed, and increase the value of our homes. This funding will help maintain those facilities so our children continue to thrive.

Safer and Healthier Schools

The bond proposal will provide critical repairs throughout the district such as replacing deteriorating roofs, improving ventilation, and making necessary plumbing and electrical upgrades so that our schools are highly functioning.

Stronger Security

Students and teachers deserve to feel safe while at school which is why the bond will allow for improvements like doors that can be locked from inside, multiple exterior doors to classrooms and updating fire safety systems.

Access to Early Learning

This bond will ensure our schools meet the needs of our youngest learners by providing one dedicated Pre-K class at each elementary school.

Oversight

Bond oversight committee and regular audits required.

Grants

The Bond measure is also a good investment in our future and makes our local tax dollars stretch further leveraging a \$6.7 million dollar investment from the state for this project as well as additional state and federal childcare grants. We only get the state matching funds if the bond passes.

Help us build a better future for our students. Join us in voting YES for our District 15 Schools!

DISTRICT 15 STUDENTS URGE A YES VOTE FOR MEASURE 34-320!

As high school students here in Forest Grove, we see every day the urgent need for the investments Measure 34-320 will make in our schools.

Measure 34-320 would raise \$121 million to fund classroom improvements:

HEALTH, SAFETY, AND SECURITY

We deserve to feel safe and healthy in our classrooms, something this bond will allow us to do. Measure 34-320

funds investments in new ventilation systems and seismic infrastructure upgrades. It will also add interior locking doors and entry access controls to make sure only people who should be in our schools have access to them.

TECHNOLOGY

Good, updated technology is more important than ever for students like us. This bond would fund new iPads and Chromebooks for student use, and upgrade technology across the district for faster connectivity and better cybersecurity. It also expands career and technical /vocational education spaces.

While our time in District 15 Schools is coming to an end, these investments will help support our families, neighbors, and friends for many years to come. They will build a stronger future for the community we love. We all need our community's adults to stand up for our future.

Take it from students who are in the schools every day: The time to invest is now!

Argument in Favor

Community Leaders Say YES to Investing in Our Schools!

We care deeply for the students and staff who spend so much time in our schools. We want to provide a safe place for learning and student growth in our community.

Safe and secure schools are important to us. This bond measure will help update safety systems such as additional cameras, fencing, and entry access upgrades at school entrances. Students and teachers deserve to be safe when they are at school.

This bond will help us provide needed repairs to our existing schools through maintenance like seismic reinforcement and new roofs. Investing in school maintenance is a wise use of taxpayer resources as it saves from more costly expenses down the road.

Schools need ongoing technology updates. As the pandemic demonstrated, technology is more important than ever for keeping our kids connected and providing them the education they deserve.

Students and staff need a healthy place to learn and grow.

Forest Grove School District No. 15

Measure No. 34-320 Arguments

The bond funding will be used to help create healthier learning environments with new ventilation systems and air conditioning systems to keep classrooms comfortable and safe.

Replacing some construction is more cost effective than repairing it. This bond will rebuild Cornelius Elementary School originally built 77 years ago! Because ongoing repairs would be prohibitively expensive, taxpayers are better served funding new construction.

Please join us by supporting our schools, students, and staff. Vote YES on 34-320!

LOCAL ELECTED OFFICIALS SUPPORT THE SCHOOL BOND

**“An investment in knowledge pays the best interest.”
— Benjamin Franklin**

As elected officials of all levels, we are coming together to strongly support the District 15 school bond and are urging you to join us in supporting this vital measure for our schools.

Better schools help build a stronger community and give our kids more opportunities to succeed.

By voting **YES on Measure 34-320 for District 15 Schools** this November, we will help our schools provide the safe and healthy environments kids need for a high-quality education.

Your support will ensure our schools continue to thrive.

Measure 34-320 would raise \$121 million to fund classroom improvements including safety, air ventilation and plumbing, roofs, electrical upgrades, security upgrades, and other repairs and updates. Measure XXX **expands opportunities for our students, giving them new spaces that focus on hands-on learning, CTE & STEAM at the High School** and expanded education spaces at schools across the district. It also replaces the 77 year old Cornelius Elementary School. And, each district elementary school will have one Pre-K classroom.

Join us! Show your support for District 15 Schools by voting YES on Measure 34-320 by NOV 7.

Argument in Favor

Forest Grove's Chamber of Commerce and Local Businesses Support the School Bond!

A YES vote on Measure 34-320 is an efficient investment in a better future of our community.

The Forest Grove Chamber of Commerce is focused on creating a strong local economy. With more than 180 members the chamber is a catalyst for business growth, a convener of leaders and influencers, and a champion of our community.

That's why we urge a YES vote on 34-320 for all our District 15 schools. It's critically important that we improve our school buildings to ensure that our facilities provide our students with a safe and healthy learning environment.

A **YES** vote on the District 15 Bond:

- **Creates a Safer and Healthier Environment for Learning.** This bond will provide better air ventilation systems, roofs, and plumbing.. It will invest in critical repairs and replace Cornelius Elementary & keep our schools in good shape for the future.
- **Improves Early Learning.** Measure **34-320** allows each elementary school in District 15 to create one Pre-K class in every school, addressing the needs of our earliest learners.
- **Is An Accountable and Transparent Public Investment.** Businesses know how important accountability is when making investments. We believe this bond makes good financial sense and we have confidence in the transparency of this work; the bond will be subject to public accountability measures, including audits and citizen review.

Join Local Businesses in Supporting Measure 34-320 — Vote YES by Nov. 8th.

Forest Grove School District No. 15

Measure No. 34-320 Arguments

Argument in Favor

We're Retired and We Support Measure 34-320

As retired community members, we worry about our budgets, and know many fellow seniors live on a fixed income.

But we also know a good investment when we see it. We care deeply about the education of our children and know that strong schools are critical for the strength and vitality of our community.

Measure 34-320 is a good and reasonable investment that will ensure our community's school facilities last longer, and provide our students with a safe and healthy learning environment. This measure will rebuild one school, make improvements in ventilation systems, replace roofs, and add safety upgrades to interior locking doors and entry systems at schools across the district. Seismic and fire safety upgrades mean our students and staff will remain safe in case of a natural disaster.

Additionally, we know upgrading outdated technology is critical to ensuring our students are successful leaders in the future. This bond will pay for necessary infrastructure upgrades.

Our community is a great place to live and raise a family. As parts of our community continue to evolve, targeted schools in our district will need to **add one Pre-K classroom space at each elementary school.**

This bond measure will help maintain the investment we have already made in our District 15 Schools, and increase the value of our homes.

School District 15 is **well-managed and responsible** with our tax dollars. Plus, we can count on them to provide accountability and transparency with the investments they make through regular reporting and audits. We trust the Forest Grove School District to get this bond done on time and within budget.

Invest in our Community: Vote YES on Measure 34-320 for strong schools!
