

# ELWERT-KRUGER INTERSECTION PROJECT PROJECT FUNDING

The Elwert-Kruger intersection project was one of 19 projects selected for MSTIP Phase 3d.

Board of County Commissioners approved the Elwert-Kruger intersection project on April 9, 2012.

Estimated Original Project Cost: \$5.9 million

Estimated School District Added Cost: \$4 million

- Above includes design, right-of-way and construction
- The estimated District added design-construction is about 40% of the total project budget
