

ELWERT-KRUGER INTERSECTION PROJECT

PROJECT STATUS

This project is in the design phase.

Design consultant, HDR Inc., will spend the remainder of 2018 developing design details and providing support related to Right-of-Way acquisitions, permitting and coordination with other agencies and utilities.

Design completion and bid for construction will occur Spring 2019.

Roadway construction will occur during 2019 through Summer 2020. Roadwork will be completed at the same time of the pending completion of the new high school construction in time for the start of the 2020-2021 school year.
