

ECOLE AVENUE

URBAN ROAD MAINTENANCE
DISTRICT PROJECT

Project Location

Ecole Avenue, between Jenkins Road and Brightwood Street. Improvements on the west side of Ecole Avenue.

Project Goals

- Provide safe, ADA-compliant pedestrian connectivity between Jenkins Road and Brightwood Street.
- Replace roadside ditches with a new storm system and stormwater treatment.

Project Elements

- Continuous sidewalk and curb.
- ADA-compliant ramps at intersections.
- Stormwater treatment facilities.
- Storm drain upgrades.

Project Funding

- Funded through the County's Urban Road Maintenance District (URMD) Pedestrian and Biking Improvement Program.
- Estimated \$441,000 cost includes engineering, design, permitting, right-of-way acquisition and construction.

Estimated Project Schedule

- Design and permitting: February 2018-March 2019.
- Right-of-way acquisition: January-March 2019.
- Construction: June-October 2019.
