Washington County is hosting a project involvement opportunity for the SW Taylor's Ferry Road bridge and sidewalk project.

Staff from Washington County will be available to answer questions and solicit comments in an open house-format event. No formal presentation is planned; stop by any time during event hours.

PROJECT INFORMATION

The two-part project consists of:

1. Replacement of the bridge on Taylor's Ferry Road, west of SW 80th Avenue. Replacement will consist of either a box culvert or single-span concrete bridge.
2. Construction of a sidewalk on the north side of Taylor's Ferry Road, between Washington Drive and 78th Place.

FUNDING

The bridge project is funded through the County's Road Capital Bridge Fund. The sidewalk project is funded through the Urban Road Maintenance District (URMD).

SCHEDULE

The project is in the design phase. Construction is planned for Summer 2019. A road closure and detour is anticipated.
