

# HUNTINGTON AVENUE

PEDESTRIAN IMPROVEMENT

Urban Road Maintenance District

## Project Scope:

- Pedestrian safety improvements on SW Huntington Ave. between SW Cedar Hills Blvd. and SW Glenhaven St.
  - Construct sidewalks on both sides of SW Huntington Ave.
  - Replace outdated curbs.
  - Install planters to treat stormwater.

## Schedule:

- Summer 2023: Final Design is expected to be complete.
- Summer/Fall 2023: Construction is expected to begin.
- Late 2023: Construction is expected to be complete.
- Project schedules are estimates and are subject to change.

## Impacts to adjacent properties:

- This project is expected to be constructed completely within the existing road right-of-way.
  - Most of the sidewalks will be curb tight with no planter strips to minimize the impacts to adjacent properties and their landscaping.
