## **1. Welcome, Introductions, & Approval of January 2023 Minutes**

The URMDAC Chair opens the meeting, invites participants to introduce themselves, and asks URMDAC members for a motion to approve the minutes.

## **2. Guest Comments**

URMDAC is a board-appointed advisory committee; its meetings are open to the public. Members of the public are welcome to attend meetings and speak during the Guest Comments period, but they do not participate in the actual committee discussions. The time limit for guest comments is usually two (2) minutes per person, but the Chair can adjust that time at their discretion.

## **3. Report: Status of Pedestrian & Biking Improvement Projects**

Staff will report the status of previously-selected PBI projects. Most of these projects are currently in the design or construction phase.

## **4. 2023 URMD Pedestrian & Biking Improvements**

Staff will present their recommended list of proposals to URMDAC. This list is called the 150% list because the total estimated cost for all proposals on the staff-recommended list equals approximately 150% of the budget available for this year's selection process. Members will discuss the proposals and identify which ones to move forward for consideration and public comment.

## **5. URMDAC Member Roundtable**

This is an open discussion among committee members – an opportunity for members to provide general comments. Topics raised and discussed are usually not related to items already scheduled for the agenda.

## **6. Meeting Wrap-Up**

This final agenda item is an important time to discuss outstanding action items, identify new action items from this meeting, and schedule the next meeting.

## Zoom Virtual Meeting Protocols

### How to join the Zoom meeting

- Zoom meetings can be joined either by computer (via the provided Zoom meeting link) or by phone (using the provided phone number and webinar).
- If joining by phone: download the Zoom application on your computer to enable video (otherwise, you will have audio only). Prior to the meeting, provide Sherri McFall the phone number you are calling from so staff can identify you when you call in ([sherri\\_mcfall@washingtoncountyor.gov](mailto:sherri_mcfall@washingtoncountyor.gov)); 503-858-7615).
- URMDAC Members: Please log in or call in early to ensure you're able to connect and communicate. The meeting will be "open" 15 minutes before the start of the meeting to resolve any technical issues. No dialog about the meeting or its content will be discussed until the meeting is called to order.
- Please enter your first and last name upon entering the meeting.

### General guidance:

- Zoom meeting participant roles:
  - **Panelists:** URMDAC members, scheduled presenters.
  - **Attendees:** Staff, guests and other members of the public (microphones will be muted/unmuted by the host; video will not be activated).
- All attendees will have video and microphones muted by default upon joining the meeting.
- Video: Panelists are asked to leave video on, to help other panelists and staff see who is participating in the meeting.
- Microphones: Keep microphones muted unless speaking (you can hold down the space bar to unmute temporarily, then release the space bar to switch back to mute).
- Presentation slides will be managed by County staff; presenters should ask staff to advance slides.

### Questions/Comments from Committee members and presenters:

- To ask a question or comment, use the "raise your hand" feature in Zoom. To "raise your hand":
  - You may need to click the "Participants" button at the bottom of the screen to open the "Participants" panel – the "raise hand" button is in lower right corner of Participants panel.
  - \*9 will "raise your hand" if you are calling in via phone.
  - If all else fails, wave your hand on camera.
- Sherri McFall will monitor raised hands and coordinate with the Chair to call on others to speak.

### Public comment opportunities:

- Visitors/guests/general public can observe/listen in on the meeting (as "attendees").
- The Chair will invite staff, guests and other members of the public to introduce themselves and to ask questions. At that time, microphones will be unmuted.
- To ask questions/make comments during presentations, attendees can use the "raise hand" icon.

### County staff moderator/technical team:

- Sherri McFall will be the meeting moderator and coordinate with the Chair.
- Michael Nemeyer (Information Technology Services, Washington County) will provide technical support for the meeting and make an audio-only recording to assist with preparing the meeting summary and be posted on the County's URMDAC webpage.
