

I have gone through the emails providing reference materials for our Jan 18 CCI meeting. It will be most useful if we all have some idea of what each of these provide. Apologies for the late delivery.

- Bruce

The 2016 ***Community Participation in Washington County Transition Planning Process Final Report*** is detail rich and still very pertinent. The Executive Summary and pages 8, 10, 12 are good starting points, but the entire document still captures much of what we have concerns with and recommendations for an evolved system.

www.co.washington.or.us/CAO/CPO/upload/Final-Report-to-the-BOCC_FINAL.pdf

R&O 86-58 – the defining document for the CPO/CCI system

www.co.washington.or.us/CAO/CPO/upload/R-O_86_58.pdf

In addition, the following documents help to define the role of the CPO and the CCI program: Washington County Comprehensive Framework Plan (CFP), Policy 2, Citizen Involvement, see page 36 of 201 https://washcomultimedia.s3.amazonaws.com/CMSBigFiles/Comprehensive+Plan/CFP_Nov2019.pdf

Community Development Code (CDC), Planning Participants,

Section 107-6, CCI

Section 107-7, CPO

From 2014 - LUT Public Involvement Guidelines for Transportation Planning, Programs and Projects

Key elements:

- LUT's public involvement objectives
- background information about the county's transportation programs, decision making processes and opportunities to get involved
- public involvement tools, techniques and strategies LUT uses
- best practices for developing public involvement plans that encourage participation by all members of our diverse communities
