

Solid Waste & Recycling

Benefits of recycling right and reducing waste

- Separating reusable and recyclable materials can save you money on your garbage service.
- Creates jobs for collecting, sorting, selling and distributing recycled materials.
- Reduces waste in landfills and pollution that contributes to climate change.
- Conserves energy and natural resources like trees, water and minerals.

Think beyond recycling

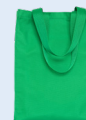

Making new things and getting them to stores uses more energy and resources. Here are some things you can do:

- Borrow and reuse items to save money, prevent clutter and reduce waste.
- Repair and maintain items to make them last longer.
- Waste reduction is the most effective way to preserve natural resources, protect the environment and save money. Find out more at WashingtonCountyRecycles.com

Can I borrow it? See if your local library has a library of things at Wccls.Org

Can I reuse it? Choose durable options that can be reused.

Can I repair it? Find a free community repair event at WashingtonCountyRecycles.com/Repair

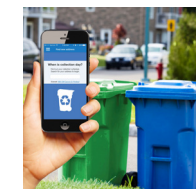

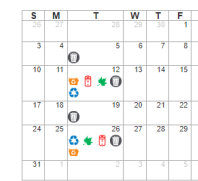

Recycling Guide

Find your schedule online

- Print a custom calendar.
- Sign up for collection reminders.
- Get notified about collection schedule changes.
- Learn about special events and drop-off options in your area.

Recycle+

Find information about this optional service, availability, pricing and sign-up details at WashingtonCountyRecycles.com/Recycle

Recycling

Metal, paper, flattened cardboard, plastic bottles & round plastic containers
6oz or larger, empty & dry

✗ No plastic bags or wrap, lids, glass, garbage

Reminders

- Set out carts and bins at the curb by 6 a.m.
- Place at least three feet from cars, trees and other carts and bins.
- Do not block sidewalks, bike paths or driveways.

Glass

Bottles & jars only, empty & dry

✗ No lids, lightbulbs, caps, ceramics, broken glass of any kind

Food & Yard Waste

Food scraps, coffee filters, plants & trimmings

Not available in rural Washington County or Banks

✗ No garbage, pet waste, liquids, to-go containers, lumber

Batteries

Include household batteries in unincorporated Washington County, Banks, Cornelius, Durham, Hillsboro, King City, North Plains, Sherwood, Tigard and Tualatin.

1. Tape ends of all batteries except alkaline batteries.
2. Put in plastic zip-sealed, 1-quart bag.
3. Place in glass bin on top of any glass.

✗ No batteries that do not fit in quart size bag, car batteries or back-up battery units

Motor oil

Place next to bins in a leak-proof, clear plastic jug with a screw-top lid. Same schedule as glass collection.

Garbage

All garbage, including plastic bags, to-go containers, lids & packaging

✗ No TVs, computers, batteries, hazardous waste (flammables, paint, pesticides), syringes or medical sharps
