

October 11, 2018 – Solid Waste Advisory Committee Summary

Meeting Action: Staff presented one action item to the committee regarding moving forward to the Board of Commissioners with an updated Boundary Map for the 11 current Sanitary Service Certificate service areas in unincorporated Washington County.

Action Item: Consolidate existing sanitary service certificates and adopt the sanitary service certificate area boundary maps, as amended from time to time.

The Solid Waste Advisory Committee voted unanimously to recommend that the Washington County Board of Commissioners approve consolidating existing sanitary service certificates and adopts the sanitary service certificate area boundary maps, as amended from time to time.

Recommended Action

Staff recommends that the Solid Waste Advisory Committee favorably recommend that the Washington County Board of Commissioners consolidates existing sanitary service certificates and adopts the sanitary service certificate area boundary maps, as amended from time to time.

The motion: “**Approve the action in accordance with the recommendation in staff report.**”

The motion passed unanimously.
